

# Wheaton

## Reading Group Choices

Wheaton Laura-Leigh Palmer,2009 In 1689, Col. William Joseph patented two tracks of land east of Rock Creek. From the 3,860 acres called Hermitage and parts of Joseph's Park tract of 4,220 acres, the community of Wheaton evolved. The convergence of three history-laden roads gave the area one of its early names, Mitchell's X Roads. Transportation gave the land value beyond that of other farming communities in the area. The name Wheaton, first used when Union veteran George F. Plyer became postmaster on October 5, 1869, honored Gen. Frank Wheaton, the commander of the defense of Washington, D.C., at Fort Stevens in early July 1864. Proximity to the nation's capital, large tracks of farmland, and existing roads were an ideal combination for suburban development. The construction boom that began during World War II had entire communities developing at a pace that seemed to occur overnight. The area's population soared, and a new way of life began.

**Wheaton College, 1834-1912** Paul C. Helmreich,1985

**Memoir of Robert Wheaton** Robert Wheaton,1854

*Just a Geek* Wil Wheaton,2004-06-22 The actor covers his life after leaving the television series Star Trek: the Next Generation, describing the pitfalls associated with being a former child star and his decision to launch his weblog in 2001.

**Henry Wheaton, an Appreciation** William Vail Kellen,1902

*Wheaton College, 1834-1957* Paul C. Helmreich,2002 This volume chronicles

the history of Wheaton College in Norton, Massachusetts, beginning with its creation as a Female Seminary in 1834 and concluding with the 1955 decision to increase substantially in size, a process that commenced in 1957. This latter event brought to a close 123 years during which Wheaton Seminary and College had remained tied to the precepts and fiscal resources of the founding family, the Wheatons.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. *Henry Wheaton, 1785-1848* Elizabeth Feaster Baker, 2017-01-30 Biography of the distinguished American authority on international law, representative to various foreign powers, and lifelong promoter of good will among nations.

*My Name Is Asher Lev* Chaim Potok, 2009-07-01 NATIONAL BESTSELLER • In this modern classic from the National Book Award–nominated author of *The Chosen*, a young religious artist is compulsively driven to render the world he sees and feels, even when it leads him to blasphemy. “A novel of finely articulated tragic power . . . . Little short of a work of genius.”—*The New York Times Book Review* Asher Lev is a Ladover Hasid who keeps kosher, prays three times a day and believes in the Ribbono Shel Olom, the Master of the Universe. He grows up in a cloistered Hasidic community in postwar Brooklyn, a world suffused by ritual and revolving around a charismatic Rebbe. He is torn between two identities, the one consecrated to God, the other devoted only to art and his imagination, and in time, his artistic gift threatens to estrange him from that world and the parents he adores. As it follows his struggle, *My Name Is*

Asher Lev becomes a luminous, visionary portrait of the artist, by turns heartbreaking and exultant.

**Dancing Barefoot** Wil Wheaton, 2004 The actor recalls memories from his life, including meeting William Shatner at a Star Trek convention and his relationship with his Aunt Val.

**Reading Group Choices** Reading Group Choices, 2008

*Still Just a Geek* Wil Wheaton, 2022-04-12 A New York Times bestseller! Celebrated actor, personality, and all-around nerd, Wil Wheaton updates his memoir of collected blog posts with all new material and annotations as he reexamines one of the most interesting lives in Hollywood and fandom--and now for the first time in audio, narrated by Wil himself! From starring in *Stand by Me* to playing Wesley Crusher on *Star Trek: The Next Generation* to playing himself, in his second (third?) iconic role of Evil Wil Wheaton in *The Big Bang Theory*, to becoming a social media supernova, Wil Wheaton has charted a career course unlike anyone else, and has emerged as one of the most popular and well respected names in science fiction, fantasy and pop culture. Back in 2001, Wil began blogging on wilwheaton.net. Believing himself to have fallen victim to the curse of the child actor, Wil felt relegated to the convention circuit, and didn't expect many would want to read about his random experiences and personal philosophies. Yet, much to his surprise, people were reading. He still blogs, and now has an enormous following on social media with well over 3 million followers. In *Still Just a Geek*, Wil revisits his

2004 collection of blog posts, Just a Geek, filled with insightful and often laugh-out-loud annotated comments, additional later writings, and all new material written for this publication. The result is an incredibly raw and honest memoir, in which Wil opens up about his life, about falling in love, about coming to grips with his past work, choices, and family, and finding fulfillment in the new phases of his career. From his times on the Enterprise to his struggles with depression to his starting a family and finding his passion--writing--Wil Wheaton is someone whose life is both a cautionary tale and a story of finding one's true purpose that should resonate with fans and aspiring artists alike.

Watching the Road Karen Wheaton, 2018-06-15

**Wheaton** Keith Call, 2006-06-21 Where will you find C. S. Lewis's wardrobe, J. R. R. Tolkien's desk, Malcolm Muggeridge's typewriter, Madame Blavatsky's tiara, the bones of a hulking mastodon, Billy Graham's traveling pulpit, and Tyndale House, publishers of the best-selling Left Behind series? Where will you find students, mystics, theologians, doctors, authors, actors, and musicians living in harmony? In Wheaton. Located 26 miles west of Chicago, the "All America City" boasts excellent schools, exquisite old homes, safe streets, and fine museums. Though Horace Greeley is credited with uttering the immortal "Go west, young man!" the sentiment had been acted upon much earlier by questing pioneers, many of whom halted in the middle plains, sensing terrific potential in the rich black soil of Illinois. Among these

were Warren and Jesse Wheaton and Erastus Gary from Pomfret, Connecticut. Seeking suitable land for farming, they settled and constructed a mill. From there they built cabins and harvested spring crops. Soon there was a village of a few hundred, connected by train to the farthest reaches of the nation. Now there is a city of 55,000 residents.

**Fire on the Prairie** Warren Wyeth 1905- Willard, Wheaton College (Ill )  
Authors, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*The Diary of Ellen Birdseye Wheaton* Mrs. Ellen Douglas (Birdseye) Wheaton, 1923

**The Wheaton Franciscan Heritage** Jeanne Guilfoyle, 2009 The Wheaton Franciscans were among many Catholic sisters who came to minister in this country in response to the needs of a growing immigrant population. This influx of pioneering women dedicated to serving God and their neighbor was a major factor in the development of health care, education, and other social services in the United States. This is the story of the Wheaton Franciscan sisters as they overcame misfortune and poverty in America to establish a variety of ministries, chief among them health care and housing. Today they constitute the American province of an international congregation founded by Mother Clara Pfaender in Germany in 1860 known as the Franciscan Sisters, Daughters of the Sacred Hearts of Jesus and Mary. The first health care and housing ministries they founded continue to flourish as Wheaton Franciscan Services. The sisters also continue their service through their peace and justice activities as well as spiritual development ministries.

Letters of Henry Wheaton, 1805-06 Henry Wheaton, George Dexter, 1882

**The Life of Eliza Baylies Wheaton** Harriet Eliza Paine, 1907
