Waking the Witch Pam Grossman, 2020-10-06 From the podcast host of The Witch Wave and practicing witch Pam Grossman—who Vulture has dubbed the “Terry Gross of witches”—comes an exploration of the world’s fascination with witches, why they have intrigued us for centuries and why they’re more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the impact of the world’s most magical icon. From the idea of the femme fatale in league with the devil to the bewitching pop culture archetypes in *Sabrina the Teenage Witch* and *Harry Potter*; from the spooky ladies in fairy tales to the rise of contemporary witchcraft, witches reflect the power and potential of women. Part cultural analysis, part memoir, *Waking the Witch* traces the author’s own journey on the path to witchcraft, and how this has helped her find self-empowerment and purpose. It celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in the world as we know it. “Deftly illuminating the past while beckoning us towards the future, *Waking the Witch* has all the makings of a feminist classic. Wise, relatable, and real, Pam Grossman is the witch we need for our times” (Ami McKay, author of *The Witches of New York*).

Wildseed Witch (Book 1) Marti Dumas, 2022-05-10 A fun middle-grade contemporary fantasy with an all-BIPOC cast, about a social-media-loving tween who gets sent to an ultra-private witch camp Hasani’s post-seventh-grade summer to-do list is pretty simple: get a bigger following for her makeup YouTube channel and figure out how to get her parents back together. What she does NOT expect is that an emotional outburst will spark a latent magical ability in her. Or that the magic will be strong enough to attract the attention of witches. Or that before she can say #BlackGirlMagic, she’ll be shipped off on a scholarship to a fancy finishing school for talented young ladies. *Les Belles Demoiselles* is a literal charm school. Here, generations of young ladies from old-money witch families have learned to harness their magic, and alumnae grow to become some of the most powerful women across industries, including politicians, philanthropists, CEOs, entrepreneurs—and yes, even social media influencers. Needless to say, admission to the school is highly coveted, very exclusive . . . and Hasani sticks out like a weed in a rose bouquet. While the other girls have always known they were destined to be witches, Hasani is a Wildseed—a stray witch from a family of non-witches, with no background knowledge, no way to control her magic, and a lot to catch up on. Wildseed may be an insult that the other girls throw at her, but Wildseeds are more powerful than they know. And Hasani will learn that there are ways to use magic and thrive that can never be taught in a classroom.

Witch Lisa Lister, 2017-05-09 Reclaim your inner witch with the magical rituals, divination tools, spells and ancient wisdom in this revolutionary book. A witch is a woman in her power. She's wise, a healer, someone who is aligned with the cycles of Mother Nature and the phases of the Moon. Yet for so long, the word 'witch' has had negative connotations - being used as an insult, a slur and to perpetuate fear. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why in past centuries the word 'witch' has led women to be tortured, drowned and burned at the stake, and why the witch is now waking once again in women across the world today. This book will help women to remember, reconnect and reclaim the word 'witch' and its power. It explores the many different versions of witchcraft and their core principles and practices, and shares

ancient wisdom made relevant for waking witches, including how to: · Align your energy with the wheel of the year, the sabbats and the cycles of the Moon · Connect with and trust your intuition · Use divination tools such as oracle cards, scrying and rune reading · Cast circles, create altars and set sacred space · Work with the elements of nature and use herbs and crystals · Discover and work with five different aspects of the witch: the Force of Nature, the Creatrix, the Healer, the Oracle and the Sorceress · Rediscover your powers and manifest your reality with spell casting Lisa also shares her own journey to reclaiming the word 'witch', along with personal, hands-on rituals and spells from her family lineage of gypsy witch magic.
