Right Here with You Andrea Miller, Editors of the Shambhala Sun, 2011-08-09 In recent years scientists have discovered that mindfulness can reduce stress, improve mood, and enhance our sense of well-being. In this book, readers learn how mindfulness can be brought to bear in our relationships to increase intimacy, strengthen communication, and help us to find greater fulfillment. Topics in this collection include how to open your heart and develop lovingkindness for yourself and others, how to improve communication through mindful speech and deep listening, noticing and counteracting destructive patterns, and discovering how intimate relationships can become a rich form of spiritual practice. Chapters and contributors include: • Zen teacher Thich Nhat Hanh on what mindfulness is and why it lies at the heart of real love • Psychotherapist David Richo on finding a partner • Psychotherapist and meditation teacher Tara Brach on the power of forgiveness • Rabbi Harold Kushner on striving to give love rather than get it • Novelist Jane Hamilton on a marital meltdown—and recovery • Meditation teacher Susan Piver on the value of heartbreak • Psychologist John Welwood on relationships as a path of personal and spiritual growth

I'm Sticking with You Smriti Halls, 2020-04-30 Shortlisted for Oscar's Book Prize 2021 Shortlisted for Children's Illustrated Book of the Year at The British Book Awards 2021 'A wonderful, warm bear-hug of a story with sumptuous illustrations. A modern classic.' - Jim Field, illustrator of *Oi Frog* Wherever you're going, I'm going too. Whatever you're doing, I'm sticking with you. It's wonderful to have good friends to see you through the good times and the bad. But sometimes, friends can also be a bit . . . well . . . overbearing. This completely irresistible rhyming text by Smriti Halls is perfectly complemented by artwork from fantastic new picture book illustrator, Steve Small.

And the Stars Go with You: Soulful Interiors, Ineffable Fashion & Mindful Ramblings Robin Brown, 2019-12-03 If the soaring quotes of Elizabeth Gilbert, Marianne Williamson and other contemporary and classic creative luminaries were to fly together in a beautifully minimalist landscape amongst vintage-inspired dresses, holy boots and top hats, you would have this book. Part memoir, part fairy tale and all inspiration, Magnolia Pearl's *And the Stars go With You* is far beyond your typical fashion tome. Delving deep into creator-visionary Robin Brown's childhood, influences and ethos, the book is a vital volume on a mission to spark a revolution. The fashion is featured in context amidst landscapes and showrooms dotting the countryside in Fredericksburg, Texas that Brown and the Magnolia Pearl family inhabit. 240 pages of images richly convey Magnolia Pearl's aesthetic as a sense of time and place as opposed to a blip on the radar of an industry. Timely quotes from beloved masters and contemporary seers tie the pages together into a narrative with the feel of a movement; contributions from Magnolia Pearl's rebel sidekicks such as Donavon Frankenreiter sail this movement further towards the horizon. Magnolia Pearl is a horizontal brand—a work in progress instead of a destination, an elusive sense of a beauty that adheres to a curve even as others insist on a line. And the Stars go With You is a pair of binoculars and a backstage pass to the journey. You're already on it anyway, might as well bring a friend.

With You Always (Orphan Train Book #1) Jody Hedlund, 2017-06-06 A Riveting Look at the Orphan Train from Historical Novelist Jody Hedlund When a financial crisis in 1850s New York leaves three orphaned sisters nearly destitute, the oldest, Elise Neumann, knows she must take action. She's had experience as a seamstress, and the New York Children's Aid Society has established a special service: placing out seamstresses and trade girls. Even though Elise doesn't want to leave her sisters for a job in Illinois, she realizes this may be their last chance. The son of one of New York City's wealthiest entrepreneurs, Thornton Quincy faces a dilemma. His father is dying, and in order to decide which of his sons will inherit everything, he is requiring them to do two things in six months: build a sustainable town along the Illinois Central Railroad, and get married. Thornton is tired of standing in his twin brother's shadow and is determined to win his father's challenge. He doesn't plan on meeting a feisty young woman on his way west, though.

When I'm with You Pat Zietlow Miller, 2022 Illustrations and easy-to-read, rhyming text celebrate a close friendship that has already existed for a while and is expected to last until time is through.

It Didn't Start with You Mark Wolynn, 2016-04-26 A groundbreaking approach to transforming traumatic legacies passed down in families over generations, by an acclaimed expert in the field Depression. Anxiety. Chronic Pain. Phobias. Obsessive thoughts. The evidence is compelling: the roots of these difficulties may not reside in our immediate life experience or in chemical imbalances in our brains—but in the lives of our parents, grandparents, and even great-grandparents. The latest scientific research, now making headlines, supports what many have long intuited—that traumatic experience can be passed down through generations. *It Didn't Start with You* builds on the work of leading experts in post-traumatic stress, including Mount Sinai School of Medicine neuroscientist Rachel Yehuda and psychiatrist Bessel van der Kolk, author of *The Body Keeps the Score*. Even if the person who suffered the original trauma has died, or the story has been forgotten or silenced, memory and feelings can live on. These emotional legacies are often hidden, encoded in everything from gene expression to everyday language, and they play a far greater role in our emotional and physical health than has ever before been understood. As a pioneer in the field of inherited family trauma, Mark Wolynn has worked with individuals and groups on a therapeutic level for over twenty years. *It Didn't Start with You* offers a pragmatic and prescriptive guide to his method, the Core Language Approach. Diagnostic self-inventories provide a way to uncover the fears and anxieties conveyed through everyday words, behaviors, and physical symptoms. Techniques for developing a genogram or extended family tree create a map of experiences going back through the generations. And visualization, active imagination, and direct dialogue create pathways to reconnection, integration, and reclaiming life and health. *It Didn't Start With You* is a transformative approach to resolving longstanding difficulties that in many cases, traditional therapy, drugs, or other interventions have not had the capacity to touch.

I AM with You Karen Chisholm,2014-09-10 These poems are God's gift to me in my morning quiet time and I make of them a gift to you. I am so often amazed at the words that appear on the page as I write. I know these thoughts are not the ones I am used to living with day to day, and I worship God for His words revealed through me, a simple seeker who loves Him. In these pages you will hear God speaking to you. You will also hear me whining at God (seems like when my writing is all about me and my shortcomings, I must be whining). and there follows a section that is perhaps rhetorical, perhaps not. We can all gain from the words written here. May these simple and sometimes inconsistent thoughts bless you and draw you closer to Him.

I Am With You John T. Woolley,2005-01-20 Now in its 14th printing, I Am With You has been the best-selling devotional in the UK since then. These words of divine encouragement were given to John Wooley in his work as a hospital chaplain, and have since inspired and uplifted tens of thousands, even changed their lives.

With You Always Rena Olsen,2018-08-07 From the author of The Girl Before comes a tense and incisive work of psychological suspense that examines how easy it is to fall into the wrong relationship...and how impossible it can be to leave. In the wake of a painful breakup and struggling to prove herself at work, Julia feels adrift. When Bryce blows into her life, he seems like the perfect anchor. Handsome, charming, secure, and confident, Bryce brings out the best in Julia, sweeping her off her feet with attention and affection while grounding her with his certainty and faith. Together they embark on a path guided by the principles of his family and their church, each step a paving stone leading to happily ever after. But this is no fairy tale. Step by step, one small concession leading to another, Julia is slowly isolated from her job, her friends, and her family, until she comes to find that her dream come true is a cage. Then one day everything changes...and Julia is faced with no choice but to find a way out.

Still In Love With You Mari Villarreal,2022-11-15 Sophie Patterson. Don't you dare walk away from me. Logan's menacing stare bore at me. I suddenly didn't feel drunk anymore. I sobered up quickly. What, Logan? You're gonna tell me that you suddenly love me again? That you're here to sweep me off my feet? Please! I didn't need you all this time, and I don't need you now. He clenched his jaw, fisting his hands. Enough. Stop being so damn stubborn. You know I do. I love you. I never stopped loving you, Sophie. It was always you. I left my hometown hoping to never see him again. I left with his baby still inside of me. Seven years after, and here I am again. Standing before him and a six-year-old wanting to know who his dad is, and asking me to marry him because everyone in his class but him and his best friend don't have a daddy. What am I supposed to do with all these feelings that are resurfacing? I'm realizing every day that I never got over him. I merely suppressed my feelings, and his telling me this now- to my face, just made things more complicated.

Take Me with You Brad Newsham,2011-09-14 Someday, when I am rich, I am going to invite someone from my travels to visit me in America. Brad Newsham was only 22 when he scribbled this note in his journal with only an immature sense of the staying power of ideas. Years later, this casual prophecy came true, and Newsham documents the events that led up to it in Take Me with You. This is the sweet story of his 100-day journey through the Philippines, India, Egypt, Kenya, Tanzania, Zimbabwe, and South Africa, as he seeks just the right person to bring to America. The book covers a wide geography not just of land, but also of spirit. Brilliant, sharp, unswerving travel writing by a man skilled at letting the scales fall from his eyes; it is a memoir of travel seen through time and resolve - in short, a wonderful book. - Herbert Gold, author of Bohemia, Daughter Mine, and Best Nightmare on Earth

The Force Is with You Always! Richard Koepke,2011-02-16 This book teaches people how Spirit operates directly in our lives today and what we must do to live life to the fullest and with malice toward none. It teaches spiritual principles on how to live life with gratitude, acceptance, joy, abundance and wellness. It connects us with our eternal being within and encourages us to create our own soul music without. Have we lost our way as a society? In the wake of humans murdering over 100 million other humans in the past century, many of us are seeking answers to the ever increasing cultural violence surrounding us. From capital punishment to going postal, we live in a very violent society. Hardly a day passes without news of government torture prisons, drive-by shootings, a ten year old boy murdering his father, or a congresswoman being shot in the head. Shocking revelations, such as American government doctors using unsuspecting American citizens as human guinea pigs for decades of medical experiments, further alienate the government from the people that they are supposed to serve. It seems to me that we need a new vision of humanity that our faltering institutions have failed to provide. I believe that we need to replace institutional blight with greater spirituality. We need a new spirit of integrity that replaces the often deceitful and violent leadership we currently embrace. We need to challenge the don't get mad get even mentality in our society with greater understanding for one another. We need to be role models for positive reinforcement (learning) rather than the punishment that only teaches more violence and hatred, and, like the Montagues and Capulets, the never-ending need to seek revenge. This book addresses how to live a life of health and wellness in the midst of a truly sick society.

My Voice Will Go with You: The Teaching Tales of Milton H. Erickson Sidney Rosen,2010-12-06 A chalice of wisdom for our time.—Ernest L. Rossi, Ph.D., C.J. Jung Institute of Los Angeles Milton H. Erickson has been called the most influential hypnotherapist of our time. Part of his therapy was his use of teaching tales, which through shock, surprise, or confusion—with genius use of questions, puns, and playful humor—helped people to see their situations in a new way. In this book Sidney Rosen has collected over one hundred of the tales. Presented verbatim and accompanied by Dr. Rosen's commentary, they are grouped under such headings as Motivating Tales, Reframing, and Capturing the Innocent Eye.

Home with You Shirlee McCoy,2018-02-27 A tragedy brings sudden responsibilities—and more—to a stubbornly single professor in a “sweet [and] enjoyable” tale by the USA Today–bestselling author. The Bradshaw brothers never dreamed they’d return to their hometown. But tragedy has brought them back together in Benevolence, Washington, where they’re finding generosity, surprising revelations—and unexpected love . . . Sullivan Bradshaw is in way over his head. A car crash killed his brother, Matthias, and critically injured his sister-in-law. It’s Sullivan’s turn to care for the couple’s six children and the ancestral farm, but the die-hard

bachelor and art professor is hardly family-man material. What he needs is the perfect nanny-miracle worker-saint. What he gets is pretty Rumer Truehart, a free spirit who will change everything he ever thought he wanted . . . Rumer learned the hard way that nothing is for sure, much less forever. And she certainly understands why Sullivan’s unhappy childhood makes him a strictly no-commitments kind of guy. But she can’t help being drawn to this thoughtful, gentle man. And when trouble strikes, she’s determined to win his trust—and show him love can be a promise for keeps. Praise for Shirlee McCoy’s Sweet Haven “Fans of Debbie Macomber will appreciate McCoy’s sweet, funny, heartwarming romance with its friendly, small-town setting.” –Booklist “A delicious small-town treat.” –Library Journal
