The WOW Factor Barney Adams, 2008-06-17 The founder of Adams Golf and the inventor of Tight Lies, the most popular fairway wood of all time, tells his rags-to-riches story. In the early years of Adams Golf, entrepreneur Barney Adams labored in obscurity. He collected six patents for his golf products, manufacturing fine equipment but enjoying no sales. Everything changed for him and his company in 1996, though, when he invented the Tight Lies fairway wood. Working as a custom fitter, his customers repeatedly asked for a club they could play from long iron distance, from 180 to 220 yards to the green. Adams knew the technical secret was to lower the club's center of gravity. He did this by designing the traditional head shape upside down, which not only lowered the center of gravity, but also increased the hitting surface. The result was a club that was easier to hit, and suddenly Adams and his club, after years of diligent work, became overnight sensations. As lean as those early years of Adams Golf were, the amazing success of Tight Lies more than made up for them. Sales skyrocketed beyond Adams's wildest expectations, and earned Adams Golf two placements on the Inc. 500 Fastest Growing Small Companies list, an Industry Week Top 25 Award for Growing Manufacturing Companies, several golf industry awards, and led to the largest IPO in the history of the golf industry in 1998. This is Barney's unvarnished story of how he made this happen, and how you, too, can make your entrepreneurial dreams come true.

Pow-Wow Tia Greenfield, 2008-04-08 Come to Southern Oregon and meet the elders, children, drummers, dancers, vendors, and other pow-wow regulars and hangers-on at the annual Wolf Creek pow-wow. Be there for set-up, shopping and swapping, cooling off in the river. You may even want to jump down the waterfall. You wouldn't want to miss the tribal salmon feed and potluck supper, would you?

Then theres smudging and drumming around the campfire, plus late night high jinx. Get up early for the flag-raising ceremony the next day, and dance at the afternoon pow-wow. Youre invited to chili night at Pam and Robs camp too. What happens, though, when most of the drum groups counted on for the evening event just disappear? Who will save the pow-wow? That task falls to an unlikely group of make-do drummers rounded up at the last minute and aided by Menominee elder, Deep Water. Hurray! They pull it off! Dont head home yet. The fun is just starting! The ceremonial pow-wow may be a serious and spiritual celebration of Native American culture, but what happens afterwards? Join sisters Sarah and Suzanne in the field under the stars for the annual family naming ceremony and walk with them on safety patrol. All sorts of things are going on out there, and what are those teenagers doing over at the river? It may be getting very late, but the nights still young. Sit in Less teepee as he divides up the drum money from the blanket dance and hang out for marshmallow roasting, crazy talk around the campfire, and teepee creeping. Unfortunately, all good things must come to an end, but first, theres tear-down, clean-up, and the raffle. But dont worry, therell be another pow-wow soon, and until then, just keep on the Good Red Road!
