Anompolichi Phillip Carroll Morgan,2014 Fourteenth-century Scottish sailing master Robert Williams leaves port for a short, but profitable voyage around the British Isles, his ship laden with cargo including the king's goat. A sudden and powerful storm erupts, sending his ship farther off course than he or any of his seasoned crew have journeyed before, driving them into astonishing discovery and relentless tragedy, and flinging Robert into a world unlike any he has imagined. In that new world, he meets a remarkable Native American man who recognizes him from a dream Iskifa Ahalopa, known by his people as an anompolichi, a wordmaster. Robert and his new friend soon find themselves caught up in unforeseen depths of intrigue and danger, brought before astounding spectacle, and plunged into perilous adventure in the New World long before history recorded its discovery. -- Amazon.com.

Without Saying a Word Kasia Wezowski, Patryk Wezowski, 2018-07-24 One wrong move can undercut your message. Believe it or not, our bodies speak louder than our words. Postures, gestures, and expressions convey reams of information—and often not what you'd expect. A smile, for example, is usually considered welcoming. However, crook one corner of your mouth higher and you project superiority, subconsciously chasing other people away. This book explains how even the subtlest motions have meaning. Distilling decades of research, *Without Saying a Word* deciphers these unspoken signals: facial expressions, fleeting micro expressions, positive body language, negative body language, And much more! Discover which postures and gestures indicate confidence and build rapport—and which reveal disinterest, arrogance, or even aggression. Learn to end off-putting habits, accentuate good ones, and become an authentic and effective communicator. Exhibiting body language that is open, honest, and self-assured increases your social influence and enhances your skill as a negotiator while the ability to read the emotions and intentions of others is equally indispensable. Whether you're making a presentation, pitching a project, or closing a deal, the right body language can be your best ally.
