

# Would

**Janice McDermott**

**because I said I would.** Alex Sheen, 2019-01-01 A single promise can change a life forever. We all make promises constantly. "Yes, I'll be there." "Sure, no problem!" But do we really mean what we are saying? What is the impact of a broken promise? And what happens to a life when a promise is honored? Because I said I would is the international social movement at the forefront of shifting how the world views commitment and accountability. With over 10.3 million Promise Cards distributed, this cause has played a unique role in changing lives around the world. Heartwarming, humorous, inspirational, and tragic—these stories will challenge readers to look deep within themselves and consider the importance of the promises they make. Through a collection of inspiring short stories and concise philosophical chapters, readers will gain the following: • Practical life lessons from surprisingly raw stories of everyday people with incredible determination • Useful advice on how to get better at keeping promises • Inspiring perspectives that can be utilized in leadership and character development initiatives One hundred percent of the author's proceeds go to because I said I would, a 501(c)(3) nonprofit organization that is bettering humanity through chapters of volunteers, character education in schools, accountability programs, and awareness campaigns with global reach.

**Eddie Would Go** Stuart Holmes Coleman, 2004-02-07 In the 1970s, a decade before bumper stickers and T-shirts bearing the phrase Eddie Would Go began popping up all over the Hawaiian islands and throughout the surfing world, Eddie Aikau was proving what it meant to be a waterman. As a fearless and gifted surfer, he rode the biggest waves in the world; as the first and most famous Waimea Bay lifeguard on the North Shore, he saved hundreds of lives from its treacherous waters; and as a proud Hawaiian, he sacrificed his life to save the crew aboard the voyaging canoe Hokule'a. Eddie Would Go is the compelling story of Eddie Aikau's legendary life and legacy, a pipeline into the exhilarating world of surfing, and an important chronicle of the Hawaiian Renaissance and the emergence of modern Hawaii. Splendid...clear and fascinating.--Greg Ambrose, San Francisco Chronicle Enlightening...an impressive history...of surfing...of Hawaiian culture both at home and across the world.--Matt Walker, Surfing Magazine Eddie Aikau's life is a story waiting to be told, and it could not have been told any better than in Stuart Coleman's Eddie Would Go. This is a bestseller in the same way as the The Perfect Storm.-Peter Cole, Big-Wave Surfing Pioneer It's amazing the impact Eddie had on the surfing world and Hawaii. It touches the community at a real grass-roots level.--Kelly Slater, World Champion Surfer A meaningful biography of a surfing hero...extraordinary. -Terry Rogers, The San Diego Union-Tribune Coleman, a surfer himself, does an admirable job of de-mystifying this remarkable man. -Terry Tomalin, The St. Petersburg Times Fantastic...a treat to read.-Mark Cunningham, Honolulu Weekly

**The Big Book** Justin Heimberg, David Gomberg, 2010-11 Since the publication of the first Would You Rather... title in 1997, Justin Heimberg and David Gomberg have gone forth to spawn a franchise that shows no signs of slowing down or growing old. In this hilariously hefty addition to the series, the authors have created more than 1,500 all-new, never-before-published questions that will have regular readers and newcomers alike laughing out loud as they ponder the often outrageous, sometimes sinful, usually unusual, and unfailingly uproarious questions posed.

What Would Your Father Say? Janice McDermott, 2011-02-24 Janice's memoir leads her readers on a sometimes sad, often jubilant jaunt through her young years in a long-gone rural Iowa. Poverty, the death of her young father, and stints in an orphanage, a foster home and a convent all propel her to an adulthood where she finds peace -- with herself and with God. Janice's stories -- of smoking nuns, illicit fudge, wash day, sibling rivalry, learning to drive, secret viewing of White Christmas, working at Rays Drive Inn, and searching for diamonds in the privy -- engage the adventuresome and the quirky sides of

all of us. And they reveal why her mother so often declared her father would be turning over in his grave if he knew what they were doing! Readers will find hope, faith and trust in a Power greater than we are as they travel this journey with her.

As Luck Would Have It Joshua Piven, 2003-10-07 I felt, intuitively, that luck exists. It's like capitalism: For better or for worse, and whether you believe in it or not, luck is inescapable. —from *As Luck Would Have It* While cowriting the books in the Worst-Case Scenario Survival Handbook series, Joshua Piven came across dozens of people with tremendously compelling stories of triumph (or misfortune), seemingly against all odds and logic. When they were asked what they had in common, invariably their answer was: good luck, or not enough of it. The beneficiary of his own brand of extraordinary luck in publishing, Piven decided to take a closer look at how this phenomenon plays a part in success and survival. *As Luck Would Have It* offers a fascinating survey of the phenomenon, presented through incredible first- person stories: the swimming pool repairman who had only a hundred-dollar bill to pay for his hot dog, asked for his change in lottery tickets, and won \$180 million; the woman who survived a plane crash at sea; the teller who was struck by lightning while at his window inside the bank; the guy who invented the Pet Rock. Weaving the subjects' own beliefs about their experiences with compelling research on chance, probability, and luck psychology, *As Luck Would Have It* also includes research on how to prepare for luck, how to deal with it when it arrives, and how to make the choices that will help us benefit from luck. Mesmerizing, by turns hilarious and harrowing, *As Luck Would Have It* offers a series of scenarios that are at once unimaginable and vividly real.

Would Jesus Christ Do That? Is the First Question! Richard W. Linford, 2009-05 The first question is Would Jesus Christ do that? The second question is What would Jesus do?

**That Would Be Telyn** Delyth Jenkins, 2019-03-01 In the summer of 2012 Delyth Jenkins walked the 186 miles of the Pembrokeshire Coast Path. She carried a small harp with her, giving a series of impromptu path-side concerts. Structured around the 17 days of the walk, this book is an account of her adventures and the people she met and played for along the way.

*What Would Cervantes Do?* David Castillo, William Egginton, 2022-01-15 The attack on the US Capitol on 6 January 2021 was a tragic illustration of the existential threat that the viral spread of disinformation poses in the age of social media and twenty-four-hour news. From climate change denialism to the frenzied conspiracy theories and racist mythologies that fuel antidemocratic white nationalist movements in the United States and abroad, *What Would Cervantes Do?* is a lucid meditation on the key role the humanities must play in dissecting and combatting all forms of disinformation. David Castillo and William Egginton travel back to the early modern period, the first age of inflationary media, in search of historically tested strategies to overcome disinformation and shed light on our post-truth market. Through a series of critical conversations between cultural icons of the twenty-first century and those of the Spanish Golden Age, *What Would Cervantes Do?* provides a tour-de-force commentary on current politics and popular culture. Offering a diverse range of Cervantist comparative readings of contemporary cultural texts – movies, television shows, and infotainment – alongside ideas and issues from literary and cultural texts of early modern Spain, Castillo and Egginton present a new way of unpacking the logic of contemporary media. *What Would Cervantes Do?* is an urgent and timely self-help manual for literary scholars and humanists of all stripes, and a powerful toolkit for reality literacy.

*Streamlining Legal Review of Criminal Tax Cases Would Strengthen Enforcement of Federal Tax Laws* United States. General Accounting Office, 1981

**Would Jesus Ever Become a Christian** David Lee, 2018-07-24 Jesus Christ is the most written about and proclaimed figure of all of history. Why, then, are people so

confused as to who He is? Why are Christian churches redefining Him to suit the culture and their own preferences? This book challenges the idea of a Jesus remake. It is the author's understanding of Him from well over sixty-five years of a personal relationship and study. It aims toward those who have given up on Jesus, because the portrayal of Him has been disfigured. Want a fresh review of the Bible's portrait of the Savior, with angles seldom considered and truth carefully examined? If you discover the right Jesus, your life might never be the same.

The Would-Be Woodsman William W. West, 2016-12-28 The Would-Be Woodsman shares the true life tales of the development of a man who desires to be sensitive to God and others while being strong and comfortable with the outdoors life. Every moment of every day is important. The Would-Be Woodsman's look back at his life reminds us all that there are critical moments of decision that need to be survived, remembered, and shared with others. God is always teaching us if we are willing to be taught.

**Elon Musk Biography: How The World Would Look Like in the Next 30 Years?: Tesla Cars, SpaceX, SolarCity and Other Inventions** Chris Dicker, Elon Musk, the TONY STARK of the 21st century! Unlike Tony Stark, this is not a fiction movie. Elon Musk, self-made billionaire, inventor, and entrepreneur has started a quest for advancements in the technology like Tony Stark in the Iron Man movies. Elon's vision of the future is enormously different from 99.7% of the population. 90% of his inventions were initially ideas where most people would dismiss with irony, but he proved them wrong. Elon was surrounded by people who thought he was crazy for what he wanted to achieve, yet he proved them wrong. Elon Musk still achieves the unbelievable, the impossible, one project after another. His pride and work do not solely exist for monetary rewards, but he aims for better and more advanced future of humanity. In this short biography, you'll learn exactly who Elon Musk is and where he came from. You'll discover his true motivations behind his projects and his unbelievable plans of the future. It will be more exiting and interesting future if Elon Musk succeed with even 10% of his projects, but many times he proved critics wrong, especially when it comes to SpaceX, Tesla Cars and other projects. What made Elon Musk successful? You'll learn his secrets to become a billionaire and how he was able to build new industries of demand. You'll get more insights about Elon's life as a person, marriages, family and business ideas. This is truly an exiting time to be alive, especially with people like Elon Musk around. See the world through his eyes! Grab your copy now!

**Oh If You Would Only Listen** Laura Feise-Dork, 2011-10-19 Ahh youth, what a great time in your life. Oh how we change as we grow older. Our hopes, dreams, fears and self-confidence begin to form in our minds as we grow older. Things change. And as they do we learn, we grow and we change. But when you begin to mature and your self-confidence forms in your mind. You learn that it is not necessary to always be in such a hurry. When we are young we think there is just no time to stop and smell the roses. Being older now, I do take the time to stop, and the roses smell so sweet. Now I understand the meaning. Bad things will pass with time. It is up to us to take care of our mind. Marriage is a big change in our life. Now you have to give up some of your privacy, give more than you take, and have a lot more patience. Oh what we learn as we grow. There are so many things going on in our mind. The television used to be entertaining but now it puts all kinds of strange thoughts in your head. Be a careful viewer. It is up to us to keep our mind in order. Our body might shrink as we grow older but our brain continues to grow. Feed it with healthy things.

**Would You Convict?** Paul H. Robinson, 1999-09-01 A police trooper inspects a car during a routine traffic stop and finds a vast cache of weapons, complete with automatic rifles, thousands of rounds of ammunition, and black ski masks-a veritable bank robber's kit. Should the men in the car be charged? If so, with what? A son neglects to care for his

elderly mother, whose emaciated form is discovered shortly before she dies a painful death. Is the son's neglect punishable, and if so how? A career con man writes one bad check too many and is sentenced to life in prison—for a check in the amount of \$129.75. Is this just? A thief steals a backpack, only to find it contains a terrorist bomb. He alerts the police and saves lives, transforming himself from petty criminal to national hero. These are just a few of the many provocative cases that Paul Robinson presents and unravels in *Would You Convict?* Judging crimes and meting out punishment has long been an informal national pasttime. High-profile crimes or particularly brutal ones invariably prompt endless debate, in newspapers, on television, in coffee shops, and on front porches. Our very nature inclines us to be armchair judges, freely waving our metaphorical gavels and opining as to the innocence or guilt—and suitable punishment—of alleged criminals. Confronting this impulse, Paul Robinson here presents a series of unusual episodes that not only challenged the law, but that defy a facile or knee-jerk verdict. Narrating the facts in compelling, but detached detail, Robinson invites readers to sentence the transgressor (or not), before revealing the final outcome of the case. The cases described in *Would You Convict?* engage, shock, even repel. Without a doubt, they will challenge you and your belief system. And the way in which juries and judges have resolved them will almost certainly surprise you.

**The Man Who Would Not Shut Up** Marvin Kitman, 2007-01-09 Publisher description

**What Would Reagan Do?** Chris Christie, 2024-02-06 With the nation badly divided and the two major parties on a bitter collision course, what can we learn from America's last great president? A lot, says New York Times bestselling author and former New Jersey governor Chris Christie. In *What Would Reagan Do?*, Christie takes a fresh look at President Ronald Reagan's character-driven political instincts and deeply impactful relationships across party lines—finding plenty of compelling insights for our current national dysfunction. In each chapter, Christie spells out a lesson from a different point in Reagan's journey, then ties all those lessons to the national challenges of today. When Reagan turned from Hollywood to politics, America was at another breaking point. The economy was battered. Trust in government was at an all-time low. US foreign policy was an embarrassment, and Western ideals were facing enormous challenges in the world, especially from the Russians and the Chinese. Sound familiar? Enter a fading actor who would become the 40th president of the United States. Countless books have been written about President Reagan's strong conservative leadership. But Christie says few people fully appreciate the clarity of vision and subtle human relations skills that Reagan brought to the negotiating table and into the political realm. Reagan had a remarkable ability to find common ground across party lines—as Christie puts it, to “compromise without being compromised.” Building on lessons from his own hardscrabble upbringing, Reagan transformed the Republican Party and the political landscape forever. Two decades after Reagan's death, Christie shows how the life lessons of the beloved president are more alive than ever—and can restore American leadership again.

*Trade Adjustment Assistance: Industry Certification Would Likely Make More Workers Eligible, but Design and Implementation Challenges Exist* United States. Government Accountability Office,

**Would You Baptize an Extraterrestrial?** Guy Consolmagno, SJ, Paul Mueller, SJ, 2014-10-07 Witty and thought provoking, two Vatican astronomers shed provocative light on some of the strange places where religion and science meet. “Imagine if a Martian showed up, all big ears and big nose like a child's drawing, and he asked to be baptized. How would you react?” —Pope Francis, May, 2014 Pope Francis posed that question—without insisting on an answer!—to provoke deeper reflection about inclusiveness and diversity in the Church. But it's not the first time that question has been asked. Brother Guy Consolmagno and Father Paul Mueller hear questions like that all the

time. They're scientists at the Vatican Observatory, the official astronomical research institute of the Catholic Church. In *Would You Baptize an Extraterrestrial?* they explore a variety of questions at the crossroads of faith and reason: How do you reconcile the Big Bang with Genesis? Was the Star of Bethlehem just a pious religious story or an actual description of astronomical events? What really went down between Galileo and the Catholic Church—and why do the effects of that confrontation still reverberate to this day? Will the Universe come to an end? And... could you really baptize an extraterrestrial? With disarming humor, Brother Guy and Father Paul explore these questions and more over the course of six days of dialogue. *Would You Baptize an Extraterrestrial* will make you laugh, make you think, and make you reflect more deeply on science, faith, and the nature of the universe.

**Would that be funny?** Lorin Clarke, 2023-08-29 A family memoir about the beloved comedian John Clarke by his daughter, writer Lorin Clarke. A warm, witty and uplifting book about how our families make us who we are.

*What Would Jesus Write?* Martin Avery, 2014-08-16 *What Would Jesus Write?* looks at the life of Jesus and reports Jesus went to England, India, and Japan, and wonders why Jesus did not write books.
