Xmas E. V. Greenelsh,1962

I Love Xmas! Allan Plenderleith,2006-07-04 Christmas is not all turkey, brussel sprouts and Queen's speeches, it's full of good things too. So when granny's collapsed on the sofa, dad is on the toilet making his own Christmas pud and the whole of the house smells of turkey farts, this book will remind you of the true meaning of Christmas - laughter!

Rated Xmas Louis Brodsky,2013-07-23 Brandishing the caustic wit that is the hallmark of his four previous books of short fictions, L. D. Brodsky gives Xmas an X rating in this latest volume, with his salty-tongued South St. Louis auto-assembly-line rough, who gets way too far into the Christmas spirit(s). At least deserving of an R rating are some of Brodsky's other outrageous characters, such as the guy who disguises himself as a Persian cat or basset hound to escape the scrutiny of his neighbors; the misguided soul who turns into a UFO; experts in fecal matter and the mortuarial arts; the husband who flies home early to avoid a snowstorm, only to surprise his preoccupied wife; the art forger who's so good he becomes more famous than the masters he copies; and men who mate with bears, whales, and themselves. Drop your quarter into Rated Xmas and view the peepshow that's always playing in Brodsky's mind.

Is the Xmas Tree Blocking Our View R. G. Youngmoon,2016-11-15 Is the Xmas Tree Blocking Our View by R. G. Youngmoon The Christmas season can be a chaotic and stressful time of year. The tradition of gift giving often places an overwhelming amount of pressure on the gift giver and gift receiver alike. Over the years, much of the true meaning of Christmas has been lost. Is the Xmas Tree Blocking Our View examines the true meaning of Christmas by remembering the day God gave His Son to the world, not only as a Savior, but as one who taught and demonstrated how life should be lived while travelling the stormy seas of life.

The Xmas Factor Annie Sanders,2007-11 Thank goodness Christmas comes just once a year...! From the bestselling authors of GETTING MAD, GETTING EVEN. Meet two women with two totally different approaches to the festive season. Beth: it's only September, and already she has performance anxiety. Not surprising when she has agreed to lay on the annual Christmas Eve village bash - the piece de resistance of her husband's former wife - not to mention having to host Christmas for his difficult offspring. New to this frenzied build-up to the festivities, Beth begins to lose sight of what it all means. To her the Christmas lights are looking more like the headlamps of an oncoming train. Carol: glamorous magazine editor, who put her aspirational Christmas issue to bed sometime in July and is so involved in finding a scoop to save her ailing magazine that she fails to notice the impending festive rush. Panicked and wracked with guilt, she is determined to make it a picture-perfect time for her little boy and, opting for convenience, books a lovely-sounding cottage in a quaint village. Even the best-laid plans have a habit of unravelling - and no plan at all is a recipe for disaster. So when these two Christmases collide, it looks like it's going to be anything but goodwill towards men...

War on Xmas - The Field Manual Tom Schecker,Barry Nelson,2006-11-01 War On Xmas - The Field Official Manual is a 'phony' manual purportedly followed by secularists and liberals to wage a 'war' on the Christmas holiday. Right Wing commentators and slicked-back evangelical ministers, who contrived the phony war, have pledged to 'fight back' by exposing the warriors. We're helping them by publishing, for the first time, the actual field manual used by those warriors to attack Xmas via the use of phrases such as Happy Holidays and Seasons Greetings. Illustrated with crude drawings and even cruder sophomoric humor, War On Xmas - The Field Manual embodies the right wing's paranoid fantasies and 'straw man' arguments.
