Nobody Knows You Michael Humblet,2020-10-14 The biggest hurdle between you and your plans for growth is this: nobody knows you. This is true if you're a freelancer, an employee, an executive, even a company founder. You may be going all out with your company brand, but you've neglected to hone your own. But the first thing your business needs to grow, is you. If you feel like there is way more potential than you are currently leveraging, this book is for you. It is for those wanting to scale their business. For those sitting on a great idea with nowhere to go next. For those experts looking for ways to share the knowledge. For those corporate execs who need to find the next competitive edge. And for those who simply want to find another career path. It is time your prospects, future customers, investors or employer got to know you. Fix this basic flaw of remaining under the radar. With the insights in this book, you'll set out your strategy and create content. Not just any content, but content that matters. Content that makes you tick and brings you the right contacts. Build your thought leadership and leverage it as a mechanism to scale your business—starting with yourself. À PROPOS DE L'AUTEUR Michael Humblet is obsessed with designing, building, training and scaling sales machines and marketing teams. Twenty years into his sales leadership career, he realised something that stopped him dead in his tracks. Growing a business is not about scaling the sales, it's about scaling you as a person. Today, Humblet shares what he knows. He started a consulting and training business, climbs the stage as a public speaker every week of the year, founded The School of Sales and The House of Spark, and has helped over 1000 businesses to scale

**I Will Not Leave You Comfortless** Jeremy Jackson,2012-10-02 This memoir of “a happy childhood in rural Missouri just before the digital revolution [is] a sweet record of a time and a place that was not Always On.” —St. Louis Post-Dispatch Spanning one year of the author’s life—1984—I Will Not Leave You Comfortless is the intimate memoir of a young boy coming to consciousness in small-town Missouri. The year will bring ten-year-old Jeremy first loves, first losses, and a break from the innocence of boyhood that will never be fully repaired. For Jeremy, the seeming security of his life on the family farm is forever shaken by the life-altering events of that pivotal year. Throughout, he recalls the deeply sensual wonders of his rural Midwestern childhood—bicycle rides in September sunlight; the horizon vanishing behind tall grasses—while stories both heart-wrenching and humorous, tragic and triumphant, Jackson weaves past, present, and future into the rich Missouri landscape. “I could smell the mulberries crushed underfoot and the sweet steam of the cinnamon roll Grandma heated in the toaster oven just for Jeremy, hear the ever-increasing volume of an approaching late-spring storm . . . The year of Jeremy Jackson’s life on which he meditates in I Will Not Leave You Comfortless marked his transition from the perfect happiness of childhood to the much more complex reality of adulthood. It records, as well, the abiding comfort that remains—family, home and love.” —Wichita Eagle “Jackson writes about Missouri as the young Hemingway wrote about Michigan: with a clear eye; with hard-edged nostalgia; and (here’s the thing) with brilliance.” —Darin Strauss, author of Half a Life

**The Life You Long For** Christy Nockels,2022-02-01 A beautiful invitation to discover your place in God's heart and let him set the pace for your life—from a wife and mother, singer-songwriter, and worship leader for Passion Conferences and IF:Gathering “Christy Nockels is a gentle, strong voice shepherding us into a fuller life with Jesus at the very center. This book will restore your weary soul.”—Jennie Allen, New York Times bestselling author of Get Out of Your Head and founder and visionary of IF:Gathering Christy Nockels knows firsthand how easily our desire to serve God—even when using the gifts He has given us—can overshadow our delight in simply being with Him. When God called her to lay down her ministry for a season, Christy was forced to confront how her sense of purpose and worth had become tangled up in her work. God then lovingly invited her to discover true rest in His presence as she learned to live as the Beloved. In The Life You Long For, Christy shows us how to let go of hustle and achievement and instead find our identity in the quiet center of God’s love. As we delight in being with Him, we are filled to overflowing with contentment and love that propel us into an entirely new way of being, one in which every act of service and every encounter with the people around us arise from a heart at rest. With irresistible warmth and grace, this book calls you to step fully into the life you didn’t even realize you’ve been seeking, as you find your highest calling not in a duty to uphold but in a beautiful identity to live out.

**Be.You.Tiful** sunita k. mani,2016-10-14 Wouldnt it be awesome if you could have a conversation with someone about anything no matter how tricky the topic and still not be judged? Growth and conversations go hand in hand. Both represent each other. In a classical conversation, our aspirations, our thoughts, our sense of responsibility can all shift because we begin to perceive life differently after meeting different people. This allows us to arrive at new interpretations and choices that truly make greater sense and impact. As we dwell in a technology-driven era, our conversations are endangered because we have abandoned face-to-face

conversations in the name of mere connections. If you are wanting, struggling, trying to find a place where you can learn and have conversations (even the hard ones), if you are ready to deepen your awareness, develop emotional flexibility, or simply tease your curiosity, this book is for you. In the book Be.you.tiful, author and counselor Sunita K. Mani offers practical guidelines on how to deal with everyday issuesbig or small, addiction, infatuation, career, body image, parents, friendships, and more. It contains chunks of conversations related to different aspects that define the life of a young adult. Divided into short crisp segments of dialogues pertaining to a concerned topic, Sunita journeys through the minds of youngsters. Sunita has helped many young adults search their souls and find their answers to complex problems and a way out of tricky situations. She presents Be.you.tiful to help young people build their self-confidence, dismantle inner obstacles, and find the courage to chase their passion.

*You Love Your Daddy, Don't You?* Sarah Harrison,2008-03 Mama, something terrible is wrong with me. There is blood in my panties! Those were the words of seven-year-old Sarah. Mama told her she must have fallen or something and not to worry. Sarah went away feeling sad; her chance for help was gone! It was Sarah's alter, Susie, who had been sticking pencils and other items in her private place. Susie had come when Sarah was only four years old. Susie had become Daddy's 'special' little girl by sitting on his lap. In return he gave her a dollar for any change she had. Daddy played with Susie's pee pee and it was Susie that slept in the upstairs bedroom with her fourteen-year-old brother. Later in life, two other alters would appear. You Love Your Daddy, Don't You? is told through the memories of Sarah. It reveals a child's determination to survive despite profound emotional, physical, and sexual abuse. This was compounded by constant neglect from both parents. About the Author: Sarah Harrison has written several articles for the Women's Institute for Incorporation Therapy's monthly newsletter as well as articles for spiritual magazines. She also volunteers as a mentor in a local school system, helps with special group activities in an assisted living home, and provides guidance to troubled parents and teens on www.experts.com. After the death of her husband, Sarah Harrison moved from Atlanta, Georgia in 2007 to a suburb near Charlotte, North Carolina to be near her grandchildren. She has joined Harrison United Methodist Church and is active in Youth Group, Emmaus, Epiphany, and Faith Partners.

"If You Lean In, Will Men Just Look Down Your Blouse?" Gina Barreca,2016-03-29 Gina Barreca is fed up with women who lean in, but don't open their mouths. In her latest collection of essays, she turns her attention to subjects like bondage which she notes now seems to come in fifty shades of grey and has been renamed Spanx. She muses on those lessons learned in Kindergarten that every woman must unlearn like not having to hold the hand of the person you're waking next to (especially if he's a bad boyfriend) or needing to have milk, cookies and a nap every day at 3:00 PM (which tends to sap one's energy not to mention what it does to one's waistline). She sounds off about all those things a woman hates to hear from a man like Calm down or Next time, try buying shoes that fit. 'If You Lean In, Will Men Just Look Down Your Blouse?' is about getting loud, getting love, getting ahead and getting the first draw (or the last shot). Here are tips, lessons and bold confessions about bad boyfriends at any age, about friends we love and ones we can't stand anymore, about waist size and wasted time, about panic, placebos, placentas and certain kinds of not-so adorable paternalism attached to certain kinds of politicians. The world is kept lively by loud women talking and 'If You Lean In, Will Men Just Look Down Your Blouse?' cheers and challenges those voices to come together and speak up. You think she's kidding? Oh, boy, do you have another thing coming.
