The Yes Book Clive Rich,2013-03-28 Negotiation is fundamental to our lives; whether it's getting your kids to eat their greens, making your case for a pay rise, or trying to secure a multi-million pound deal for your company. However, negotiation has changed. It's no longer about confrontation where there are winners and losers. Collaboration is now the name of the game. YouGov research commissioned for this book shows UK PLC is losing £9 million per hour from poor negotiating – £17 billion per year. Can you afford to be without a modern framework for deal-making? In *The Yes Book*, Clive Rich provides a method for generating success based on years of experience working for or with major organisations and super brands including Sony, Yahoo, Apple, the BBC, Tesco, and Simon Cowell's Syco, during a negotiating career in which he has brokered more than £10 billion worth of deals. By breaking negotiation into its three key elements of Attitude, Behaviour and Process, he helps you learn how to shape, create and close deals. You will discover what your negotiating style is, and how you can apply it to influence others and give yourself the edge. This is the ultimate guide to using the power of negotiation to get more of what you want, in both business and life outside the office.

The Book of Yes Kevin Ward,2016-01-20 In *The Book of YES*, you will find the most powerful scripts in the real estate industry today. If you're tired of the same old sales scripts or if you've done away with them all together, I know how you feel because I've been there. I was tired of seeing the same B.S.(bad sales) approaches and I wanted something that felt more natural for me. So I started creating my own scripts, for the simple reason that I hated being told, No. For me nothing was worse than that feeling of rejection. I was determined to figure out the perfect thing to say in every situation, and how to say it in a way that would cause sellers and buyers to want to say Yes! to me every time. This book is the result of that quest. And I've broken it in two unique parts so you can spend less time reading it, and more time using the life changing scripts inside. Part 1 will give you the foundation for making the scripts work for you. Not just some of the time, but every time! You'll master how to inspire sellers to say YES to you giving

you the magic key to unlock the success you want as a real estate agent. Part 2 Is the actual scripts that allow you to have smooth, choreographed conversations that lead you down the path to more success and more income. included in this section are... Prospecting scripts for sellers that lead up to the listing appointment. My unique Listing Presentation Scripts with examples of exactly how to deliver them for maximum impact. The Buyer Scripts that I've personally used for years to build my own real estate business from scratch. The Objection scripts that will show you how to overcome any objection with ease and never be scrambling for words when a client throws you a curveball. In all there are 27 scripts in this book that will show you how to handle any situation, conversation, and objection that might come your way. And each script has been tested, tweaked and perfected. How do I know this? Because I've used each and every one of them to close millions of dollars worth of real estate in my nearly 2 decade career. I've also taken the time to include things I've picked up over my career that will help take you beyond the scripts... How to identify resistance and influence triggers so you can naturally use the right words and phrases that gets more clients saying YES to you. My practice techniques for memorizing and using these scripts to their full impact. You won't just be pulling words from your memory, you'll be speaking from the heart so you come across as genuine. The tiny tweaks that turn a regular script into something powerful. These seemingly little differences can have a huge impact in the way a prospect or client responds to what you say. The 9 Keys to more powerful conversations that go way beyond just the words you say to a client. I've mastered all 9 of these techniques and each one has made a huge difference in how I present myself to clients. The Book of YES is an action guide, not a book of theory. Think of it as YOUR PLAY BOOK for the key conversations you have with sellers and buyers. Along with the scripts you will find tactical notes on how to use the script, why it works, and when to modify the script for various situations. This book is not about intimidating your clients to agree with you, it's about inspiring them to say YES. And the more they do, the more abundance and success you will have in your life. The ultimate YES is saying YES to your goals, your dreams and your family so you can create the lifestyle that you want.

Oh yes, oh yes! Carl Cox,2021-08-19 From warm up DJ at the birth of Acid House to global main stage headline artist today, Carl Cox continues to inspire and influence audiences and artists. Carl has been everything from a recording artist and producer to label owner, radio DJ and broadcaster. He is still all these things and much more with his star shining brighter than ever. Oh yes, oh yes! tells the story, in his own words, of the man known as 'The Three Deck Wizard' on the rave scene before evolving into 'The People's Choice' and the King of Ibiza; a DJ and artist who remains at the very top of his game and continues to innovate and thrill music-lovers on the world's biggest stages. Starting off as a shelf-stacker, grass cutter and scaffolder in the south London suburbs, Carl's phenomenal talents as a DJ grew out of a love of music nurtured in his parents' front room. In Oh yes, oh yes! he takes us to the heart of the party, from the UK rave scene to Burning Man and from Ibiza to Melbourne, and a career that in many ways is the story of club culture and an inspiration to all those who choose to follow their dreams turning him into a living legend along the way. Oh yes, oh yes! is a remarkably candid and intimate portrait of an artist who has never lost touch with the people who share the dancefloor with him. 'Carl is one of the few true pioneers of UK club culture internationally. He has opened the door to so many DJs and inspired so many, including me.' Gilles Peterson 'Carl Cox wrote the script of what it means to be a DJ.' David Guetta 'People use the term legend far too easily for my liking but Carl is legend personified.' Grooverider 'Carl has always been my favourite. He is the complete DJ, also the DJs DJ. Records come to life when he plays them, rooms come to life when he rocks them. His enthusiasm is infectious, his commitment complete.' Norman Cook aka Fatboy Slim
