Yes! No!: A First Conversation About Consent Megan Madison, Jessica Ralli, 2022-02-01 A picture book edition of the bestselling board book about consent, offering adults the opportunity to begin important conversations with young children in an informed, safe, and supported way. A board book bestseller – now in picture book! Developed by experts in the fields of early childhood development and activism against injustice, this topic-driven book offers clear, concrete language and imagery to introduce the concept of consent. This book serves to normalize and celebrate the experience of asking for and being asked for permission to do something involving one's body. It centers on respect for bodily autonomy, and reviews the many ways that one can say or indicate No. While young children are avid observers and questioners of their world, adults often shut down or postpone conversations on complicated topics because it's hard to know where to begin. Research shows that talking about issues like race, gender, and our bodies from the age of two not only helps children understand what they see, but also increases self-awareness, self-esteem, and allows them to recognize and confront things that are unfair, like discrimination and prejudice. These books offer a supportive approach that considers both the child and the adult. Illustrative art accompanies the simple and interactive text, and the backmatter offers additional resources and ideas for extending this discussion.

Yesno Dennis Lee, 2007-04-01 A stunning collection of poetry by one of our most beloved and renowned poets, *Yesno* is a companion volume to the much-praised *Un* (Anansi, 2003), and continues Dennis Lee's urgent poetic project, which is to grapple with the question of the earth's and humankind's future. But where the earlier book concentrated on the deadly impasse to which we humans have brought the planet, *Yesno* is lighter and more playful, canvassing the possibility of hope. It explores an ethic of *yesno*, simultaneously embracing pessimism and hope. In the author's own words: Before I began *Yesno*, I thought it would be a pendulum swing from *Un*, moving from bleakness to hope. But the poems kept misfiring, sounding forced. Eventually, I realized the task was more complex. Namely, to articulate a world in which the demolition derby and the possibility of living more constructively in the natural order are both real. And at once. So, not just no; not just yes; but *yesno*.

Yes & No Elisha Cooper, 2021-04-13 From Caldecott Honor author/illustrator Elisha Cooper comes *Yes & No*, a timeless tale of friendship, adjusting your perspective, and the joys (and trials) of siblinghood. Good morning, good morning. It's time to wake up! Join a cat and puppy pair through their day—the ups of being fed and romping through grass, and the downs of days that are too short and things that don't go as planned—as they realize that sometimes the very best thing that can happen is just being together.

The Yes/No Book Mike Clayton, 2013-02-14 How often do you say 'YES' to something, when you know you really wanted to say 'NO'? You have the right and the power to choose. This book will show you how. The *Yes/No Book* is about choice. It empowers you with the ability to know exactly when to say 'YES' and when to say 'NO', showing you how to handle both with no fear, no guilt and with confidence and self-assurance. Empowered with the decision-making skills to know how and when to say 'YES' and 'NO' you will develop increasing control over your life. You will become more focussed, more productive, less stressed, more involved in doing the things you want to do and less in doing time-sapping chores that offer no benefit or joy. The book is structured into two parts. The first examines our addiction to 'YES', the second tells us how to embrace and start using 'NO' and how to choose when each is best for us.

The Acquisition and Use of Yes-no Questions in English Ursula Kania, 2016-08-15 This monograph offers a comprehensive account of the L1-acquisition and use of yes-no questions in English from a usage-based, construction grammar perspective. On the basis of the BNC and a high-density, longitudinal CHILDES corpus, the book explores two issues which have largely been neglected in previous research: 1. the prevalence of non-canonical questions (such as elliptical and declarative questions) in adult-to-adult as well as child(-directed) speech and the L1-acquisition of these structures. 2. The discourse-functional properties of both canonical and non-canonical yes-no questions, especially with regard to their influence on the acquisition process.

Yes! No. (Maybe...) Liz Pichon,2016-02 Tom's mum is madly gathering stuff from around the house to sell off at a boot sale. Tom's worried she might get rid of some of his prized things, but then again he might make a little money selling his stuff to buy a scooter! Meanwhile, Business Day is coming up at school. Tom comes up with a brilliant idea for an item his team can sell for Business Day. But because he was busy doodling, Tom accidentally gets himself switched to another group. And Tom's sister Delia continues to be grumpy, but now she has a key to her bedroom. What is she keeping locked behind that door?

Yes, No, and Maybe Study Guide Wendy Pope,2018-10-01 God created His children for more than a mundane life. With Scripture readings, Bible study prompts, discussion questions, and space for reflection, this study guide is a powerful companion to understanding the practice of saying yes to God, no to self, and maybe to others. Includes leader's guide and a bonus session featuring more background on some of the people who have been part of Wendy's journey.

Yes No Maybe Jessica Sherry,2024-04-30 Teacher and fix-it queen Rowan Mackey avoids attention. Afflicted with serious burns as a teenager, she gets too many unwanted stares already. Consequently, her difficult dating history has taught her to dislike romance, too. So, it's no surprise when her boyfriend's extravagant public proposal goes sideways. Longing for a safe, quiet life with Dean and believing his "independent together" arrangement is her best hope for companionship and a family, Rowan buys the perfect little house to fix things. Problem is... she shares a property line with Jack Graham, a bestselling romance writer and party-centric playboy, who quickly becomes her next door nemesis. He makes it very clear—he doesn't want a new neighbor. But when clashes with Rowan end his year-long writer's block, he must explore his creative fascination with his reluctant muse under atypical constraints: Neighbor. Engaged. Off-limits. These opposites attract, forging a surprise connection. Boundaries vanish as tension rises between them, and they face emotionally charged choices. Will Rowan risk her safe life with Dean for a chance with the grumpy playboy next door? And will Jack change everything to find the inspiration he craves with the one woman he shouldn't?

Yes? No! Maybe... Emilyn Claid,2006-09-27 Covering fifty years of British dance, from Margot Fonteyn to innovative contemporary practitioners such as Wendy Houstoun and Nigel Charnock, *Yes? No! Maybe* is an innovative approach to performing and watching dance. Emilyn Claid brings her life experience and interweaves it with academic theory and historical narrative to create a dynamic approach to dance writing. Using the 1970s revolution of new dance as a hinge, Claid looks back to ballet and forward to British independent dance which is new dance's legacy. She explores the shifts in performer-spectator relationships, and investigates questions of subjectivity, absence and presence, identity, gender, race and desire using psychoanalytical, feminist, postmodern, post-structuralist and queer theoretical perspectives. Artists and practitioners, professional performers, teachers, choreographers and theatre-goers will all find this book an informative and insightful read.

Yes/No Medical Spanish Tina M Kaufman,Ticiano Alegre,2010-01-25 Communicate more effectively with your Spanish-speaking patients! This pocket-sized guide translates A & P and other healthcare scenarios you encounter everyday into questions that require only "Yes" or "No" responses.

Yes, No, Maybe Stefanie Stahl,2020-04-27 Nearly all human beings want a lasting, happy relationship, but in many cases it just doesn't work out. Some people seem always to fall in love with the wrong kind of person. With others, the relationship breaks down just when it is becoming closer. And some live with a partner but still feel lonely and isolated. What is going wrong? 'In the final analysis, fear of commitment is at the bottom of many relationship problems,' says the expert on fear of commitment Stefanie Stahl. In vivid case histories, the German psychotherapist shows the many ways in which fear of commitment manifests itself. She explains the typical behavior patterns of those who fear commitment, introducing the 'hunters', 'princesses' and 'stonewallers'. The famous German psychologist illustrates why fear of commitment is genuine fear, explains possible causes and shows how to overcome it. Anyone who has read this book will know how to recognize people who fear

commitment and how to deal with them. A helpful book for those affected and for their partners.

Yes/No Uwe Albrecht,2012-11-05 Did you know that our bodies can talk? They can say 'yes' and 'no'. Just like your inner voice sometimes warns or supports you, your body does this too by changing its muscle tension. This is the muscular system's reaction to stress, and means that if you are not comfortable with something, your body says 'no' and the length of your arms appears different. This clear and simple book shows you how to use this 'arm test' to access instant answers to absolutely anything from your subconscious. Using it will allow you to know what is best for you in any situation – helping you to maintain balance in all areas of your life, from relationships and health to money and career. And it only takes a few seconds to do, giving you clarity, insight, and peace of mind!

Yes, No, Maybe So Charise Mericle Harper,2004 Two little monkey brothers go through a day of actions that are yes (appropriate), no (inappropriate), or maybe so (okay).
