Zachary Ying and the Dragon Emperor Xiran Jay Zhao,2022-05-10 Percy Jackson meets Tristan Strong in this hilarious middle grade “edge-of-your-seat adventure” (James Ponti, New York Times bestselling author of *City Spies*) that follows a young boy as he journeys across China to seal the underworld shut and save the mortal realm. Zachary Ying never had many opportunities to learn about his Chinese heritage. His single mom was busy enough making sure they got by, and his schools never taught anything except Western history and myths. So Zack is woefully unprepared when he discovers he was born to host the spirit of the First Emperor of China for a vital mission: sealing the leaking portal to the Chinese underworld before the upcoming Ghost Month blows it wide open. The mission takes an immediate wrong turn when the First Emperor botches his attempt to possess Zack’s body and binds to Zack’s AR gaming headset instead, leading to a battle where Zack’s mom’s soul gets taken by demons. Now, with one of history’s most infamous tyrants yapping in his headset, Zack must journey across China to heist magical artifacts and defeat figures from history and myth, all while learning to wield the emperor’s incredible water dragon powers. And if Zack can’t finish the mission in time, the spirits of the underworld will flood into the mortal realm, and he could lose his mom forever.

City of Secrets Victoria Ying,2020-07-28 Read the graphic novel that Caldecott medal-winning illustrator, Dan Santat, calls, An edge-of-your-seat thriller! Ever Barnes is a shy orphan guarding a secret in an amazing puzzle box of a building. Most of the young women who work at the building's Switchboard Operating Facility, which connects the whole city of Oskar, look the other way as Ever roams around in the shadows. But one of them, Lisa, keeps an eye on the boy. So does the head of the Switchboard, Madame Alexander . . . a rather sharp eye. Enter Hannah, the spunky daughter of the building's owner. She thinks Ever needs a friend, even if he doesn't know it yet. Good thing she does! Lisa and Madame Alexander are each clearly up to something. Ever is beset by a menacing band of rogues looking to unlock the secret he holds--at any cost. And whatever is hidden deep in the Switchboard building will determine all of their futures. On a journey that twists and turns as much as the mechanical building Ever Barnes calls home, he and his new friend Hannah have to find out what's really going on in this mysterious city of secrets . . . or else!

Ying Zheng David Johnson,2013-02 In the 3rd century BC, what we now know as China was divided into many states. This was called the Warring States Period. Civil war was rampant, and eventually the number of states was reduced to seven. Of these, the state of Qin on the western border was despised as the most barbaric and weakest of all the states. There, a boy of thirteen became king and his name was Ying Zheng. The young man found men to fight for him, and at the age of twenty, he began a war of conquest defeating all the other states. He completed this by his thirty-eighth year. On his ascension to ruling the country, Ying Zheng adopted the name First Sovereign Emperor of Qin (Qin Sh Huangdi). His vision created the foundation of what we call China. We remember him by his huge unopened tomb, the terra cotta army that he buried, and major sections of the great wall of China that he built. He was also responsible for some of the largest water projects of all time. Qin's dynasty did not last, but his influence remains a part of China to this day. To learn the astonishing story of how one man changed the world, read the extraordinary novel based on his life, Ying Zheng: The First Emperor.

While trying hard to become stronger, he didn't forget to find the Divine General. But who could tell her why this great demon king had suddenly appeared? His Majesty the Infernal King: I've come to chase you! When the ice mountain, Qing Ying, began to soften, the events of that year began to reveal themselves. Conspiracy for truth, design, where should they go? (Absolute Pet!)

Political Changes in Taiwan Under Ma Ying-jeou Jean-Pierre Cabestan,Jacques deLisle,2014-07-17 In 2008 Ma Ying-jeou was elected President of Taiwan, and the Kuomintang (KMT) returned to power after eight years of rule by the Democratic Progressive Party (DPP). Since taking power, the KMT has faced serious difficulties, as economic growth has been sluggish, society has been polarised over issues of identity and policy, and rapprochement between Taipei and Beijing has met with suspicion or reservation among large segments of Taiwanese society. Indeed, while improved relations with the United States have bolstered Taiwan’s security, warming cross-Strait relations have in turn made Taiwan more dependent upon and vulnerable to an increasingly powerful China. This book provides a comprehensive analysis of the return of the Kuomintang (KMT) to power, and examines the significant domestic political, economic, social and international challenges and changes that have characterized Taiwan since 2008. It identifies the major domestic, cross-Strait and foreign policy trends, and addresses key issues such as elections and Taiwan’s party system; the role of the presidency and legislature; economic development; social movements; identity politics; developments in cross-Strait relations; Taiwan’s security environment and national defence policies; relations with the US and Japan. In turn, the contributors look towards the final years of Ma’s presidency and beyond, and the structural realities – both domestic and external – that will shape Taiwan’s future. Political Changes in Taiwan Under Ma Ying-jeou will be of great interest to students and scholars of Taiwan studies, comparative politics, international relations, and economics. It will also appeal to policy makers working in the field.

Assessing the Presidency of Ma Ying-jiu in Taiwan André Beckershoff,Gunter Schubert,2018-05-20 The years of the Ma Ying-jiu presidency in Taiwan were controversial from the beginning. When he came to power in 2008, Ma was considered the strongest and most popular KMT presidential candidate since Lee Teng-hui. However, his rapprochement towards China met with increasing resistance and by the time he stepped down in 2016, he enjoyed the lowest support rates of any incumbent president. What happened in between? This book undertakes a balanced empirical assessment of the achievements and failures of the Ma Ying-jiu era. Renowned Taiwan scholars analyse the changing political environment that shaped the Ma presidency, covering important topics such as Taiwan’s evolving nationalism and rising civil societal activism, cross-strait economic integration and migration, and the factors determining its ‘international space’. As the first comprehensive scholarly work on the Ma Ying-jiu presidency, this books is a must read for students and scholars of Taiwanese politics and society, cross-strait relations and East Asian politics in general.
