The YouTube Formula Derral Eves, 2021-02-24 The Wall Street Journal bestseller! Comes with free online companion course Learn the secrets to getting dramatic results on YouTube Derral Eves has generated over 60 billion views on YouTube and helped 24 channels grow to one million subscribers from zero. In *The YouTube Formula: How Anyone Can Unlock the Algorithm to Drive Views, Build an Audience, and Grow Revenue*, the owner of the largest YouTube how-to channel provides the secrets to getting the results that every YouTube creator and strategist wants. Eves will reveal what readers can't get anywhere else: the inner workings of the YouTube algorithm that's responsible for determining success on the platform, and how creators can use it to their advantage. Full of actionable advice and concrete strategies, this book teaches readers how to: Launch a channel Create life-changing content Drive rapid view and subscriber growth Build a brand and increase engagement Improve searchability Monetize content and audience Replete with case studies and information from successful YouTube creators, *The YouTube Formula* is perfect for any creator, entrepreneur, social media strategist, and brand manager who hopes to see real commercial results from their work on the platform.

**Sorted Books** Nina Katchadourian, 2013-02-08 A witty and thought-provoking collection of visual poems constructed from stacks of books. Delighting in the look and feel of books, conceptual artist Nina Katchadourian's playful photographic series proves that books' covers—or more specifically, their spines—can speak volumes. Over the past two decades, Katchadourian has perused libraries across the globe, selecting, stacking, and photographing groupings of two, three, four, or five books so that their titles can be read as

sentences, creating whimsical narratives from the text found there. Thought-provoking, clever, and at times laugh-out-loud funny (one cluster of titles from the Akron Museum of Art's research library consists of: Primitive Art /Just Imagine/Picasso/Raised by Wolves), Sorted Books is an enthralling collection of visual poems full of wry wit and bookish smarts. Praise for Sorted Books "Katchadourian's project . . . takes on a weight beyond its initial novelty. It's a love letter to books, book collecting and the act of reading." —San Francisco Chronicle "As a longtime fan of [Katchadourian's] long-running Sorted Books project I'm thrilled for the release of Sorted Books—a collection spanning nearly two decades of her witty and wise minimalist mediations on life by way of ingeniously arranged book spines. . . . In an era drowned in periodic death tolls for the future of the physical book, her project stands as a celebration of the spirit embedded in the magnificent materiality of the printed page." —Brain Pickings "Katchadourian's stacks possess an understated sophistication; they are true to the intimate nature of books and yet reveal their dramatic features and unexpected potential." —Publishers Weekly

*The Secrets of Hartwood Hall* Katie Lumsden, 2023-02-28 A gripping and atmospheric debut that is at once a chilling gothic mystery and a love letter to Victorian fiction. Nobody ever goes to Hartwood Hall. Folks say it's cursed... It's 1852 and Margaret Lennox, a young widow, attempts to escape the shadows of her past by taking a position as governess to an only child, Louis, at an isolated country house in the west of England. But Margaret soon starts to feel that something isn't quite right. There are strange figures in the dark, tensions between servants, and an abandoned east wing. Even stranger is the local gossip surrounding Mrs. Eversham, Louis's widowed mother, who is deeply distrusted in the

village. Lonely and unsure whom to trust, Margaret finds distraction in a forbidden relationship with the gardener, Paul. But as Margaret's history threatens to catch up with her, it isn't long before she learns the truth behind the secrets of Hartwood Hall.

**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

*All About Weather* Huda Harajli, 2020-03-24 Welcome to the wonderful world of weather! From the warm, balmy days of summer to the cold, crisp nights of winter,

youngsters will learn all about the four seasons, as well as what the sun is, how clouds form, why it rains, what causes a rainbow, and so much more.

**Don't Forget to Remember** Ellie Holcomb,2020-03-03 Do you ever forget to remember what's true? Sometimes remembering is hard to do! But in this lyrical tale, Ellie Holcomb celebrates creation's reminders of God's love, which surrounds us from sunrise to sunset, even on our most forgetful of days.

Braids! Robert Munsch,2019-11-05 Ashley loves her beautiful hair-- but braiding it takes FOREVER. Maybe Grandma can help?

**The Book of Longings** Sue Monk Kidd,2020-04-21 "An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led

by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

**Dad, How Do I?** Rob Kenney, 2021-05-18 “Like the YouTube channel, this is a touching yet informative guide for those seeking fatherly advice, or even a few good dad jokes.” — Library Journal

Drawn Together Minh Lê, 2018-06-04 The recipient of six starred reviews and the APALA Asian/Pacific American Award for Literature! Named a Best Book of 2018 by the Wall Street Journal, NPR, Smithsonian, Kirkus Reviews, School Library Journal, Booklist, the Bulletin of the Center for Children's Books, BookRiot, the New York Public Library, the Chicago Public Library-and many more! When a young boy visits his grandfather, their lack of a common language leads to confusion, frustration, and silence. But as they sit down to draw together, something magical happens-with a shared love of art and storytelling, the two form a bond that goes beyond words. With spare, direct text by Minh Lê and luminous illustrations by Caldecott Medalist Dan Santat, this stirring picturebook about reaching across barriers will

be cherished for years to come. A Junior Library Guild selection!

**Life's Messy, Live Happy** Cy Wakeman, 2022-03-29 A simple shift in thinking can change everything you believe about your own happiness. By the time we become adults, most of us have joined the religion of suffering, which preaches that unless circumstances are controlled, life will be a mess. We compare ourselves to others and speculate about an impossible-to-know future, holding out hope for an improved life through getting ahead, fulfilling passion, or finding true love. But the idea that happiness comes from putting effort toward altering one's circumstances is harmful and backward. What if we instead learned to understand that circumstances can rarely be controlled, and that life is, and always will be, messy? From that starting point, we could learn to use our minds to create happiness despite life's ever-changing circumstances and events. *Life's Messy, Live Happy* by Cy Wakeman is about dramatically changing the level of happiness you feel in your daily life, by learning to disconnect happiness from external forces, stop worrying about the future, and realize that most of your negative feelings are about things that never even happened. Wakeman is a credible, relatable teacher—a business owner, mother, and community member who has lived her philosophy and achieved profound happiness and success in a crazy, messy life. Filled with concrete daily practices and true stories that are hilarious, painful, and poignant, this book will change everything: your perspective, your focus, and your energy level for everyday life.

I Don't Want to Read This Book Max Greenfield, 2021-11-09 From actor Max Greenfield (from television's *New Girl*) comes a hilarious picture book for every child who thinks they don't like to read books (and all the kids—and grownups—who do). Words, sentences, and

even worse, paragraphs fill up books. Ugh! So what's a reluctant reader to do? Actor Max Greenfield (New Girl) and New York Times bestselling illustrator Mike Lowery bring the energy and laugh-out-loud fun out for every child (and parent) who thinks they don't want to read a book. Joining the ranks of favorites like The Book With No Pictures and The Serious Goose, this clever and playful read-aloud breaks the fourth wall and will have all readers coming back for laughs again and again!

*Only for Me* Michelle Derrig, 2016-06 Only For Me is an amazing picture book, which gently teaches young children that their body is private and that they have a right to protect their privacy. Only For Me instantly engages young children (aged 3 to 8) through its clever use of rhyme and beautiful illustrations by former Disney artist Nicole Mackenzie. It tackles an extremely difficult topic in a sensitive and age appropriate manner, guiding parents through the critical information that they need to impart.

The Bench Meghan, The Duchess of Sussex, 2021-06-08 #1 NEW YORK TIMES BESTSELLER • Meghan, The Duchess of Sussex's first children's book, *The Bench*, beautifully captures the special relationship between father and son, as seen through a mother's eyes. The book's storytelling and illustration give us snapshots of shared moments that evoke a deep sense of warmth, connection, and compassion. This is your bench Where you'll witness great joy. From here you will rest See the growth of our boy. In *The Bench*, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, *The Bench* gives readers a window into shared and enduring

moments between a diverse group of fathers and sons—moments of peace and reflection, trust and belief, discovery and learning, and lasting comfort. Working in watercolor for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father's love through a mother's eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

YouTube: An Insider's Guide to Climbing the Charts Alan Lastufka, Michael W.

Dean, 2008-11-19 Want to make a splash on YouTube? Even go viral? You've come to the right place. This book is written by two veteran 'Tubers who live their art and know what they're talking about -- especially Alan Lastufka, a.k.a. fallofautumndistro, who has over 13,000 YouTube subscribers and over 4 million views. Alan and co-author Michael W. Dean show you how to make a quality video, and how to optimize, encode, upload, and promote it. This book can't promise you'll be rich and famous, but it can tell you how to make great video art, and what you need to do to get your work seen. You'll learn about: Storytelling and directing Shooting, editing, and rendering Creating your very own channel Broadcasting user-generated content Re-broadcasting commercial content Cultivating a devoted audience Fitting into the YouTube community Becoming a success story Join Alan, who makes part of his living from YouTube, and Michael, a successful filmmaker, author, and D.I.Y. art pioneer. They'll take you from the basics of gear to making it big on YouTube, with a focus on networking and interaction. You'll also sit in on informative interviews with YouTube stars LisaNova, Hank Green (vlogbrothers), WhatTheBuckShow, nalts, and liamkylesullivan. Alan and Michael understand viral marketing -- and they know what it

takes to get your work on everyone's YouTube radar. And, once you read this book, so will you.

**The First 20 Hours** Josh Kaufman, 2013-06-13 Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done.

The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

**YouTube For Dummies** Doug Sahlin,Chris Botello,2011-02-10 *YouTube For Dummies* takes the classic *Dummies* tact in helping tech novices get a handle on a popular technology that more tech-savvy audiences consider simple. With so much content on YouTube getting media attention, more first-timers are jumping on the site and they need help. The book also helps the next step audience of users looking to add content to YouTube. Content includes: *Watching the Tube* - includes getting your PC ready for YouTube viewing, finding video, signing up for an account, and creating favorites. *Loading Video to YouTube*—covers the nuts and bolts of shooting video, transferring it to a PC, editing it, and sending it up to YouTube. *Bringing Along YouTube*—covers the various ways you can use YouTube video in places other than on the site. Includes mobile YouTube and adding videos to your MySpace page or another Web site. *I Always Wanted To Direct*—explores how to use YouTube's directors program to upload longer video, use the site for marketing, or launch your own videoblog.

**YouTube** Jean Burgess, Joshua Green, 2013-09-04 YouTube is one of the most well-known and widely discussed sites of participatory media in the contemporary online environment, and it is the first genuinely mass-popular platform for user-created video. In this timely and comprehensive introduction to how YouTube is being used and why it matters, Burgess and Green discuss the ways that it relates to wider transformations in culture, society and the economy. The book critically examines the public debates surrounding the site, demonstrating how it is central to struggles for authority and control in the new media environment. Drawing on a range of theoretical sources and empirical research, the authors discuss how YouTube is being used by the media industries, by audiences and amateur producers, and by particular communities of interest, and the ways in which these uses challenge existing ideas about cultural 'production' and 'consumption'. Rich with both concrete examples and featuring specially commissioned chapters by Henry Jenkins and John Hartley, the book is essential reading for anyone interested in the contemporary and future implications of online media. It will be particularly valuable for students and scholars in media, communication and cultural studies.

**This Boy We Made** Taylor Harris, 2023-01-17 A Black mother bumps up against the limits of everything she thought she believed—about science and medicine, about motherhood, and about her faith—in search of the truth about her son. The memoir dedicates important space to the numbing bureaucracy that often accompanies medical visits, particularly as seen through the eyes of a Black woman in the South. Having moved often within White neighborhoods and educational institutions around her home in Charlottesville, Harris is unflinching about her periodic unease in those quarters. . . Harris also brings humor to bear

in moments of great adversity.—Karen Iris Tucker, Washington Post One morning, Tophs, Taylor Harris's round-cheeked, lively twenty-two-month-old, wakes up listless, only lifting his head to gulp down water. She rushes Tophs to the doctor, ignoring the part of herself, trained by years of therapy for generalized anxiety disorder, that tries to whisper that she's overreacting. But at the hospital, her maternal instincts are confirmed: something is wrong with her boy, and Taylor's life will never be the same. With every question the doctors answer about Tophs's increasingly troubling symptoms, more arise, and Taylor dives into the search for a diagnosis. She spends countless hours trying to navigate health and education systems that can be hostile to Black mothers and children; at night she googles, prays, and interrogates her every action. Some days, her sweet, charismatic boy seems just fine; others, he struggles to answer simple questions. A long-awaited appointment with a geneticist ultimately reveals nothing about what's causing Tophs's drops in blood sugar, his processing delays—but it does reveal something unexpected about Taylor's own health. What if her son's challenges have saved her life? This *Boy We Made* is a stirring and radiantly written examination of the bond between mother and child, full of hard-won insights about fighting for and finding meaning when nothing goes as expected.

**Watching YouTube** Michael Strangelove, 2010-01-01 Michael Strangelove provides a broad overview of the world of amateur online videos and the people who make them. He describes how online digital video is both similar to and different from traditional home-movie-making and argues that we are moving into a post-television era characterized by mass participation. --from publisher description.

Delve into the emotional tapestry woven by in Experience **YouTube** .
