Your Book, Your Brand Dana Kaye, 2016-09-20 “Out-of-the-box PR campaigns” for authors to get their books to legions of readers from “one of the best publicists in the business” (James Rollins, #1 New York Times bestselling author). From the rise of ebooks to the impact of online retail sales to the wide acceptance of self-publishing as a natural path, countless authors are writing books and then wondering what to do with them. Self-published authors need to know how to bring their book to market themselves and reach audiences without a publisher’s marketing or publicity department behind them. Even published authors want to supplement the work of in-house publicity managers and develop a direct relationship with everyone from the media to potential fans. As the head of her own independent PR firm, Kaye Publicity, Dana Kaye has been a driving force behind numerous bestselling authors across all genres, from thriller authors like Gregg Hurwitz and Jamie Freveletti to children’s authors like Liz Climo and Claudia Gray, and now she brings her insights to you. Kaye walks writers through all of their options, taking the anxiety out of the pitching process and teaching them how to be their own best promoters. Sharp, intuitive, and user-friendly, Dana Kaye’s guide is a must-have for all authors with bestselling aspirations. “There’s a reason I didn’t hire an outside publicist through my first ten books. It’s because I hadn’t yet met Dana. Smart, no-nonsense, creative, and to the point, she’s the best in the business.”—Gregg Hurwitz, New York Times bestselling author of Orphan X

The Complete Idiot's Guide to Starting Your Own Restaurant Howard Cannon, 2002 Offers advice on opening a restaurant, including site selection, marketing, staff management, menu pricing, kitchen organization, and cash overages.

Discover Your Purpose Rhys Thomas, 2015-08-25 In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else’s expectations about the type of role you should play—whether in your job, your family, or society—can leave you constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others’ needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader-Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life D.E. Hardesty, 2015-04-25 Learn to find the happiness that is natural to you, and enjoy better relationships, better health, more success and a longer life. The peculiar thing about us humans is, we spend a lot of time working to find people and things that will make us happy. In fact, we seem to spend the majority of our time doing this. However, there is no guarantee that any of this effort will work. There are lots of people who have hordes of people around them, and who have lots of things, but have been unable to make themselves happy. The truth is, happiness can be had with little effort. Have you ever been happy for no reason at all? Of course you have. Without anything changing in life, happiness just appears. We see it in young children all the time. In fact, we expect to see it in children. If you happen to ask a smiling child why he or she is so happy, at best the answer may be, “Because.” For an adult this may be an unsatisfying answer, but for the child it is the truth -- happiness exists “just because.” As we age we seem to lose touch with happiness-for-no-reason-at-all. We see a world where everyone is striving for stuff, striving for popularity, striving, striving, striving. The natural fount of happiness we once enjoyed disappears as we join them. However, that happiness is not gone. All that happened is we lost our connection to it. This book is about recovering that connection. We all grow up believing that if we work hard, and if we are good people, we will enjoy good relationships with others, good health, success and a long life. Obviously this is not true. There are a lot of rich old people who are not happy. What we have, what we do, and the other circumstances of our lives do not provide authentic happiness. Instead, happiness comes from inside of us, and all by itself enables us to have secure relationships, good health, more success and longer lives. So, what is the secret of being happy? Being happy is a little like flipping a switch. When it’s on you are happy and when it’s off you are not. It’s so easy. How else can you explain being happy for no reason. What you need to do is learn to turn it on, and keep it turned on. This book discusses seven practices that help you do that. There is a lot of wisdom available about how to be happy. Most of it is thousands of years old, but some is quite new. The seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life. This kind of happiness does not require changing anything in your life. All you have to do is learn to turn it on.

Lower Your Blood Pressure Naturally Editors of Prevention, Sarí Harrar, 2014-07-01 We are in the midst of a blood pressure crisis. Nearly 70 million Americans have been diagnosed with hypertension and just 56 percent of them have it under control. Another 51 million (30 percent of the population) have prehypertension. Hypertension is responsible for 69 percent of first heart attacks and 77 percent of first strokes. But there is good news: High blood pressure is very responsive to lifestyle changes. And the more changes you make, the greater your results. Lower Your Blood Pressure Naturally by Sari Harrar provides readers with a comprehensive lifestyle plan. Readers will follow the Power Mineral Diet, which centers on 13 delicious powerful blood pressure-lowering foods, along with an easy, doable exercise program that combines the proven effectiveness of cardio, strength training, and yoga on blood pressure. Not only do these methods help lower blood pressure on their own, they promote fast, sustainable weight loss, which has an independent blood pressure-lowering effect. With daily meal plans, flavorful, versatile spice blends, 50 recipes, plus Power Mineral smoothies and desserts, the plan proves that a heart-healthy diet need not be bland or boring. Lower Your Blood Pressure Naturally offers one of the easiest and

most effective ways to conquer hypertension yet.

The Secret Energy of Your Body Dr. Irina Webster, 2015-06-01 In this book Dr Irina Webster reveals that energy is the root of body and mind. We all consist of and surround by an energy field. When energy flows through the body properly, you are in a state of health. When there is an energetic disturbance in the body, a disease state is created. Illnesses manifest in the body's energy field before they manifest in the physical body. And healing occurs in the energy field before it becomes apparent in the physical body. So, how can we heal ourselves and our life? You'll get the answers reading "The Secret Energy of Your Body. An Intuitive Guide to Healing, Health and Wellness." Dr Irina Webster is a medical doctor who is also an intuitive healer. She is the creator of Intuitive Healing Power – an educational program for health professionals and caregivers in regards to intuitive healing and medical intuition. Her on-line classes and seminars "How to Become an Intuitive Healer" are very popular amongst the health oriented community. Dr Irina's teaching helps people to activate their own Intuitive Healing Power. Dr Irina dedicates herself to assisting others to heal and empower their body and soul.

Manage Your Career Vijay Saghe, 2015-05-07 Professor Sathe is a great gift, a passionate teacher who cares deeply about the life arc of each individual student. In his vibrant classroom, he translates strategic management into a personal discipline—and here in these pages, he brings to you and me the benefits of his wise mentorship. —Jim Collins, author of Good to Great This book gives the reader the keys to survival and success as his or her career progresses from one job to the next in the same, or a different, organization—be it for-profit, non-profit, government, or volunteer. It is designed to help the reader avoid the many traps and pitfalls encountered along his or her career path and to help facilitate increased personal effectiveness during all three stages of the job cycle—interviewing, new hire, and long-term employment. Whether preparing to enter the workforce for the first time or in early, middle, or later career stages, this book will show the reader how to avoid jobs and organizations that are not a good fit. It will also go beyond survival and show how to achieve success by doing the job well and making other contributions to the organization in ways that improve job performance, satisfaction, happiness, and personal and professional growth. The keys this book provides will work whether the reader is an independent contributor, a manager responsible for the work of others, or an executive responsible for the enterprise. Organizational leaders, human resource professionals, career coaches, and mentors can also utilize this book to educate and train employees to be more productive at work and happy in their worklife.

Your Professional Experience Handbook Michael Cavanagh, Anne Prescott, 2014-08-01 This Australian handbook presents detailed, practical advice on how preservice teachers can confidently approach professional experience placements and the work they undertake with their mentors. Throughout the text important research-based evidence and theoretical frameworks are highlighted to provide a lens through which professional experiences can be analysed. By providing a strong theoretical foundation, the handbook is designed to help preservice teachers to make sense of their classroom experiences and provide guidance on how to improve their pedagogy.

Don't Let Your Anxiety Run Your Life David H. Klemanski, Joshua E Curtiss, 2016-07-01 Anxiety is an epidemic in our modern world. But studies now show there is a direct link between anxiety and how you respond to emotions. Don't Let Your Anxiety Run Your Life provides a groundbreaking, step-by-step guide for managing the thoughts and feelings that cause anxiety, worry, fear, and panic. Are your emotions causing you anxiety? Emotions can be quite beneficial—they help us communicate with others, and are deeply connected to special and important memories in our lives. But sometimes, emotions can have unwanted consequences, especially when they cause us fear or anxiety. Studies now show a direct link between emotion regulation and anxiety. Based in the latest research from a Yale University psychologist and professor, the simple yet powerful mindfulness tips in this book will help you stay calm, collected, and make significant improvements in your everyday life, whether at work, at home, or in your relationships. This is the first book to present an integrated model of mindfulness and emotion regulation—both clinically proven for reducing anxiety symptoms. Using these easy mindfulness practices, you'll learn to manage your emotions and lessen your anxiety, leading to improvements in your social life, work obligations, and family responsibilities.

Touch Everybody with the Light of Your Heart Ivanna Spencer, 2012-06-08 Ivanna Spencers book is an extraordinary account of the authors spiritual journey and the teaching she received from high-multidimensional beings during meditation and channelling. The book explains how we can all connect with the divine Source, its Angels, the teachers and the knowledge of the universe which is embedded in us. According to Ivanna, our existence is not limited to a third-density reality but we are spiritually connected to the whole creation and the cosmic consciousness. When we allow love and light to enter our life and make them our driving force, a world of great opportunity will open up to us. The book will teach you to collect your tools and recognize your special talents which can set you free from fragmentation and limitation.

Your Beagle Puppy Month by Month Terry Albert, 2017-01-10 Your Beagle Puppy Month by Month, written by a veterinarian, a trainer, and a breeder team, provides readers with everything they need to know and do at each stage of development to make sure their playful, energetic puppy grows into a happy, healthy, and well-adjusted companion. Coverage includes information on what to ask the breeder before bringing your puppy home, the necessary vaccinations your puppy needs and when to get them, and when a trip to the vet is needed. Also included: • Instructions on making potty training as smooth (and quick) as possible. • Discussion on why and how to crate train and what to do when your puppy cries at night. • Knowing when to teach your puppy is ready to learn basic commands and how to go about leash training. • Socialization: why it's necessary, when it should happen, and how to make sure it does. • Exercising and feeding your puppy appropriately to ensure he stays physically and mentally healthy. • When your puppy is ready for obedience training and how to make sure it works. • How and how often to bathe your puppy, brush his coat, clip his nails, and brush his teeth. • What causes problem behaviors, when to expect them, and how to correct them.

Get Wise to Your Advisor Steven D. Lockshin, 2013-09-03 The financial services world is changing. Technology is enabling an automated approach to investing that should bring down the cost of commodity services. No longer do you have to fund the lifestyle of a broker or advisor to have him tell you how to diversify or where to find the next investment that cannot be missed. This book will provide the tools for calculators that tell you most of what you need to know; from how much insurance you need to have to how you should diversify. The book will help readers with the following: Understand what you have Plan your long-term goals Start to save (maximizing your 401k) Reduce debt Run your Monte Carlo Simulation Determine the appropriate asset allocation Set up your auto-rebalancing and periodically (annually, perhaps) re-examining your asset allocation to account for globalization Deploy the asset mix through low cost, tax-efficient strategies Look at it once per year This book will provide a better understanding of your investment decisions. But, we all cannot be do-it-yourselfers. Advisors serve as an important resource for consumers when they are both capable and understand their duty to serve you, the customer, first. To complement their moral station, they must have the skills to deliver appropriate advice. The book, much like the company Steve founded, will simplify standards for consumers and audit advisors to those standards.

Achieving Your Pinnacle: A Career Guide for Actuaries Tom Miller, 2013 Tom Miller recognized the need to write this book a few years ago, after reviewing postings on popular discussion pages frequented by actuaries. He was surprised and troubled by the magnitude of misinformation posted on these websites. Clearly actuaries and actuarial students posting this information are only trying to be helpful to one another, but they frequently lack the necessary experience and expertise to offer sound advice. Tom seeks to provide readers of his career guide with valuable insights regarding the actuarial employment market, covering topics such as choice of product specialization, how to conduct effective job searches, switching successfully from insurance to consulting and inside tips on what clients are really looking for when they interview you. Armed with deep knowledge and a unique perspective on the actuarial profession, Tom expects that this book will be a resource that will help you make better career decisions and Achieve Your Pinnacle.

Getting Your Class to Behave Sue Cowley, 2024-04-25 Sue Cowley's bestselling behaviour guide is back, updated and better than ever. 'Day after day, you arrive at your job, only to face students who simply will not behave. You begin to dread coming into work, knowing that you have to face such a difficult day... What can you do? First, read this book.' In this brand new edition, Sue takes a detailed look at positive behaviour management, considers recent advances in understanding self-regulation, and offers specific advice on tackling behavioural challenges in the post-Covid classroom. *Getting Your Class to Behave* is the positive, practical answer to poor behaviour you've been looking for! The latest and greatest edition of the classic *Getting the Buggers to Behave*, this behaviour management bible has long been a firm favourite with trainees, early career teachers and experienced staff alike. The advice ranges from the basics of behaviour management to how to deal with any tricky class and is applicable whether you are working in the early years, primary, secondary or further education. Sue offers honest, straightforward support with case studies, anecdotes and level-specific examples in every chapter. Sue knows that no matter how much passion and care you have for the job, there's no match for poor behaviour like tried-and-tested techniques. If your two-year-olds are ignoring you, your Year 11s are distracted, or your tutor group is not-so-quietly chaotic then this is the book for you!

I Want to Eat Your Books Karin LeFranc, Tyler Parker, 2015-10-06 He's limping strangely down the hall with outstretched arms and a groaning drawl. A zombie! Could it really be? You race to class, but turn to see he's sitting in the desk right next to you! But odds are you'll probably be okay, because this is no ordinary zombie. This zombie doesn't want to eat your brains—he wants to eat your books! Hide your textbooks and your fairy tales, because the little zombie is hungry and he doesn't discriminate between genres. Will the school library be devoured, or will the children discover something the zombie likes to do with books even more than eating them? This monster book is silly and fun, with a strong message about kindness and friendship. The little zombie teaches kids not to jump to conclusions and to give everyone a chance. And when a real-life mummy shows up, the zombie is the first to step up and offer the mummy his friendship—and to teach her a few things about the joy of books. This is the perfect monster book for little ones who want a thrill but aren't looking for anything too scary. For kids ages 3 to 6, this is not a scary monster book; rather, it's a great introduction to the importance of reading books and all that you can learn from them. This should have a big draw to librarians and booksellers as well as kids who enjoy books about monster. None of the monsters in the book are scary, however, and it's not a book about kids trying overcome the monsters in their house or fight them. Instead, the kids actually are kind to the zombie

and draw him into their friend circle, which is a great lesson for kids to learn. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
