Mitch, Please! Matt Jones, 2020-03-31 NEW YORK TIMES BESTSELLER THE WALL STREET JOURNAL BESTSELLER From the founder of Kentucky Sports Radio and attorney Matt Jones, a withering, humorous look at how Mitch McConnell has been bad for Kentucky—and why he needs to be voted out in 2020. They say all politics is local. In 2020, Mitch McConnell will have served five full terms as a US Senator. Thirty years. The Senate Majority leader's power is as undeniable as it is infuriating, and the people of Kentucky have had enough. Led by Matt Jones, they (and they alone) have the power to oust him from office. How did Jones, a local boy turned attorney turned sports radio host come to shine the brightest light on McConnell's ineptitude? Simple—he knows Kentucky inside and out, and has used the state's love of sports as an entry point for showcasing how McConnell has failed his fellow citizens both economically and socially for three decades. Entertaining, maddening, yet ultimately inspiring, these stories from Kentuckians in each of its 120 counties illustrate the Senate Majority leader's stunning shortcomings. Jones infuses his trademark wit and wisdom throughout, while also offering a beautiful portrait of a state with arguably the most untapped potential in our country. Ultimately, the white-hot hatred for McConnell on the coasts is just white noise. Only the people of Kentucky can remove him from office. Here, Matt Jones demonstrates he has the influence, charisma, and institutional knowledge to lead the charge. He and his fellow Kentuckians

have had enough—and they're ready for a fight.

Please Come Off-Book Kevin Kantor, 2021-03-23 Please Come Off-Book queers the theatrical canon we all grew up with. Kantor critiques the treatment of

queer figures and imagines a braver and bolder future that allows queer voices the agency over their own stories. Drawing upon elements of the Aristotelian dramatic structure and the Hero's Journey, *Please Come Off-Book* is both a love letter to and a scathing critique of American culture and the lenses we choose to see ourselves through.

I'd Like to Play Alone, Please Tom Segura, 2022-06-14 A #2 NEW YORK TIMES BESTSELLER From a massively successful stand-up comedian and co-host of chart-topping podcasts "2 Bears 1 Cave" and "Your Mom's House," hilarious real-life stories of parenting, celebrity encounters, youthful mistakes, misanthropy, and so much more. Tom Segura is known for his twisted takes and irreverent comedic voice. But after a few years of crazy tours and churning out podcasts weekly, all while parenting two young children, he desperately needs a second to himself. It's not that he hates his friends and family – he's not a monster – he's just beat, which is why his son's (ruthless) first full sentence, "I'd like to play alone, please," has since become his mantra. In this collection of stories, Tom combines his signature curmudgeonly humor

with a revealing look at some of the ridiculous situations that shaped him and the ludicrous characters who always seem to seek him out. The stories feature hilarious anecdotes about Tom's time on the road, including some surreal encounters with celebrities at airports; his unfiltered South American family; the trials and tribulations of parenting young children with bizarrely morbid interests; and, perhaps most memorably, experiences with his dad who, like any good Baby Boomer father, loves to talk about his bowel movements and share graphic Vietnam stories at inappropriate moments. All of this is enough to make anyone want some peace and quiet. I'D LIKE TO PLAY ALONE, PLEASE will have readers laughing out loud and nodding in agreement with Segura's message: in a world where everyone is increasingly insane, sometimes you just need to be alone.

Witch Please Ann Aguirre, 2021-09-07 Practical Magic meets Gilmore Girls in this adorable witchy rom-com by New York Times bestselling author Ann Aguirre, with a bisexual cinnamon roll hero, a commitment-averse heroine, and a chemistry between them that causes literal sparks. Danica Waterhouse is a fully modern witch—daughter, granddaughter, cousin, and co-owner of the Fix-It Witches, a magical tech repair shop. After a messy breakup that included way too much family feedback, Danica made a pact with her cousin: they'll keep their hearts protected and have fun, without involving any of the overly opinionated Waterhouse matriarchs. Danica is more than a little exhausted navigating a long-standing family feud where Gram thinks the only good

mundane is a dead one and Danica's mother weaves floral crowns for anyone who crosses her path. Three blocks down from the Fix-It Witches, Titus Winnaker, owner of Sugar Daddy's bakery, has family trouble of his own. After a tragic loss, all he's got left is his sister, the bakery, and a lifetime of terrible luck in love. Sure, business is sweet, but he can't seem to shake the romantic curse that's left him past thirty and still a virgin. He's decided he's doomed to be forever alone. Until he meets Danica Waterhouse. The sparks are instant, their attraction irresistible. For him, she's the one. To her, he's a firebomb thrown in the middle of a family war. Can a modern witch find love with an old-fashioned mundane who refuses to settle for anything less than forever? Praise for Witch Please: The start to Aguirre's Fix-It Witches series is a delightful, laugh-out-loud small-town tale...Ann Aguirre's sexy, sweet, funny, and oh-so-fulfilling witchy love story will leave readers hungry for Clementine's story—Library Journal, starred review Readers will be enchanted.—Publishers Weekly WITCH PLEASE is a lovely breath of fresh, cinnamon-scented air. It's sexy and sweet, and it's the soft, adorable romance we need right now.—Kristen Callihan, New York Times and USA Today bestselling author of the Game On series

From knowing when to say "please" and "thank you" at home, in school or in public places, to covering their nose when sneezing, there's a multitude of good manners to

teach children at an early age. A popular children's book title is included with each activity to enhance the lesson. These engaging, hands-on activities are a great way to introduce students to skills they will use for the rest of their lives.

Please Don't Tell My Parents I'm a Giant Monster Richard Roberts, 2023-04-04
When an evil artifact offers you the power to turn into a monster, agreeing would be stupid. Mirabelle isn't stupid. She also doesn't have much choice. Her friends all have super powers that let them go on exciting adventures. Mirabelle's super power is to be made of glass, and walking across a room is dangerous enough. But the shiny rock won't shut up, and to get rid of it, she has to use its powers against it. She does that carefully, because Mirabelle isn't stupid. Until Mirabelle falls in love, and love makes everyone stupid. Now supervillains and superheroes are fighting over four pieces of the Heart of Vermiel, and a girl who breaks if she runs has to collect them all, or be broken. She has to turn into a monster on the outside without turning into a monster on the inside. Somewhere in this mess there has to be an ending that lets her stay alive, stay a good person, and maybe get a chance to run, and be angry, and break things just once. Besides, how many girls can say their boyfriend is a dragon?

Please Mrs Butler Allan Ahlberg, 2003-03-06 Happy 30th birthday, Please Mrs Butler! This witty collection of school poems by Allan Ahlberg, re-jacketed for its 30th anniversary and for a whole new generation of school children to fall in love with, is full of typical classroom events that will be recognized and enjoyed by everyone. From never-ending projects, reading tests, quarreling, making-up, excuses and 'Please, Sir, it isn't fair.' Fritz Wegner's line drawings beautifully complement the hilarious and poignant verses. Ladies, Please! José Covaco, 2014-07-11 Try as you may, you won't get the answer because we're guys and we come from Mars where it's an alien-eat-alien world. Most of the time we're confused as heck and need a girl to set us straight but all the other times we pretty much know what we want. The same way how we can't figure you lot out and why you need so many pairs of shoes, we too can be hard nuts (all puns intended) to crack. Girls rule. That's a

fact no guy can deny. That said, there are a few things about you that drive us crazy and make us go running across continents and enroll into witness protection programmes to get as far away from you as possible. Here's a book that'll help you if not figure us out, save you from a few nasty dates and know when to run screaming, because at the end of the day boys will be boys.
