**One for All** Lillie Lainoff, 2022-03-08 “There are no limits to the will—and the strength—of this unique female hero.” —Tamora Pierce, writer of the Song of the Lioness and the Protector of the Small quartets One for All is a gender-bent retelling of The Three Musketeers, in which a girl with a chronic illness trains as a Musketeer and uncovers secrets, sisterhood, and self-love. Tania de Batz is most herself with a sword in her hand. Everyone thinks her near-constant dizziness makes her weak, nothing but “a sick girl.” But Tania wants to be strong, independent, a fencer like her father—a former Musketeer and her greatest champion. Then Papa is brutally, mysteriously murdered. His dying wish? For Tania to attend finishing school. But L’Académie des Mariées, Tania realizes, is no finishing school. It’s a secret training ground for new Musketeers: women who are socialites on the surface, but strap daggers under their skirts, seduce men into giving up dangerous secrets, and protect France from downfall. And they don’t shy away from a sword fight. With her newfound sisters at her side, Tania feels that she has a purpose, that she belongs. But then she meets Étienne, her target in uncovering a potential assassination plot. He’s kind, charming—and might have information about what really happened to her father. Torn between duty and dizzying emotion, Tania will have to decide where her loyalties lie...or risk losing everything she’s ever wanted. Lillie Lainoff’s debut novel is a fierce, whirlwind adventure about the depth of found family, the strength that goes beyond the body, and the determination it takes to fight for what you love. Includes an author’s note about her personal experience with Postural Orthostatic Tachycardia Syndrome.

**The Western Mysteries** David Allen Hulse, 2000 The Western Mysteries (previously published as The Key of It All, Book II: The Western Mysteries), by David Allen Hulse, is perhaps the most comprehensive, in-depth description of various aspects of the Western magickal tradition ever published. The uniting factor of this book is language. It begins with a discussion of the mysteries of the Greek alphabet, followed by the different forms of the Runes, and goes on to describe the mystical secrets of Latin. It also explores Enochian, where you will discover, for the first time ever, the correctly constructed Watchtower system. The book also includes the mysteries of the Tarot, a pictorial language, and it describes the development of the esoteric Tarot, how to do readings, and the significance of the symbolism on the Tarot cards. It concludes with the English language and its relationship to the Tarot, Enochian, and more. The introduction to The Western Mysteries serves as a complete introduction to the magickal tradition of the West. You will learn about the evolution of thought concerning the Elements, astrology, magick squares, geomancy, words of power, and more. You will find that each section of this book is a key that unlocks the meaning behind another of the magickal languages that you can relate to your own spiritual system. It is ideal for a beginning student to explore the mysteries of Western magick. It is a necessary tool for more advanced students, as it has collected hundreds of charts and lists which clarify and identify the similarities and differences between various systems. This is a reference book you will study over and over. The volume of information revealed makes The Western Mysteries an instant classic and a

necessity for any spiritual practitioner.

All In Josh Levs, 2015-05-12 When journalist Josh Levs was denied fair parental leave by his employer after his child was born, he fought back—and won. Since then, he’s become an advocate for modern families and working fathers. In *All In*, he explores the changing face of fatherhood and what it means for our individual lives, families, workplaces, and society. Fatherhood today is far different from previous generations. Stay-at-home dads are increasingly common, and growing numbers of men are working part-time or flextime schedules to spend more time with their children. Even the traditional breadwinner-dad is being transformed. Dads today are more emotionally and physically involved on the home front. They are “all in” and—like mothers—they are struggling with work-life balance and doing it all. Journalist and “dad columnist” Josh Levs explains that despite these unprecedented changes, our laws, corporate policies, and gender-based expectations in the workplace remain rigid. They are preventing both women and men from living out the equality we believe in—and hurting businesses in the process. Women have done a great job of speaking out about this, Levs—whose fight for parental leave made front page news across the country—argues. It’s now time for men to join in. Combining Levs’ personal experiences with investigative reporting and frank conversations with fathers about everything from work life to money to sex, *All In* busts popular myths, lays out facts, uncovers the forces holding all of us back, and shows how we can all join together to change them.

Under the Wide and Starry Sky Nancy Horan, 2014-01-21 NEW YORK TIMES BESTSELLER • TODAY SHOW BOOK CLUB PICK • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST. LOUIS POST-DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much-anticipated second novel, which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife, Fanny. At the age of thirty-five, Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium—with her three children and nanny in tow—to study art. It is a chance for this adventurous woman to start over, to make a better life for all of them, and to pursue her own desires. Not long after her arrival, however, tragedy strikes, and Fanny and her children repair to a quiet artists’ colony in France where she can recuperate. Emerging from a deep sorrow, she meets a lively Scot, Robert Louis Stevenson, ten years her junior, who falls instantly in love with the earthy, independent, and opinionated “belle Americaine.” Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing—and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr. Jekyll and Mr. Hyde*. In time, though, she succumbs to Stevenson’s charms, and the two begin a fierce love affair—marked by intense joy and harrowing darkness—that spans the decades and the globe. The shared life of these two strong-willed individuals unfolds into an adventure as impassioned and unpredictable as any of Stevenson’s own unforgettable tales. Praise for *Under the Wide and Starry Sky* “A richly imagined [novel] of love, laughter, pain and sacrifice . . . *Under the Wide and Starry Sky* is a dual portrait, with Louis and Fanny sharing the limelight in the best spirit of teamwork—a romantic partnership.”—USA Today “Powerful . . . flawless . . . a perfect example of what a man and a woman will do for love, and what they can accomplish when it’s meant to be.”—Fort Worth Star-Telegram “Horan’s prose is gorgeous enough to keep a reader transfixed, even if the story itself weren’t so compelling. I kept re-reading passages just to savor the exquisite wordplay. . . . Few writers are as masterful as she is at blending carefully researched history with the novelist’s art.”—The Dallas Morning News “A classic artistic bildungsroman and a retort to the genre, a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance.”—The New York Times Book Review

*All In* Adrian Gostick, Chester Elton, 2012-04-03 To have any hope of succeeding as a manager, you need to get your people all in. Whether you manage the smallest of teams or a multi-continent organization, you are the owner of a work culture—congratulations—and few things will have a bigger impact on your performance than getting your people to buy into your ideas and your cause and to believe what they do matters. Bestselling authors of *The Carrot Principle* and *The Orange Revolution*, Adrian Gostick and Chester Elton return to answer the most overlooked leadership questions of our day: Why are some managers able to get their employees to commit wholeheartedly to their culture and give that extra push that leads to outstanding results? And how can managers at any level build and sustain a profitable, vibrant work-group culture of their own? These leading workplace experts teamed up with research giant Towers Watson to analyze an unprecedented 300,000-person study, and they made a groundbreaking finding: managers of the highest-performing work groups create a “culture of belief.” In these distinctive workplaces, people believe in their leaders and in the company’s vision, values, and goals. Employees are not only engaged but also enabled and energized (termed the three Es), which leads to astonishing results—average annual revenues three times higher than for organizations lacking such a positive culture. And this was true during a period that included this most recent recession. Based on their extensive consulting experience and in-depth interviews with leaders and employees at exceptional companies such as American Express, Cigna, Avis Budget, Pepsi Bottling, and Hard Rock, the authors present a simple seven-step road map for creating a culture of belief: define a burning platform; create a customer focus; develop agility; share everything; partner with your talent; root for each other; and establish clear accountability. Delving into specific how-tos for each step, they share eye-opening stories of exceptional leaders in action, vividly depicting just how these powerful methods can be implemented by any manager. *All In* draws on cutting-edge psychology and all of the creative genius that have made Gostick and Elton a must-read for leaders worldwide. This vital resource will empower managers everywhere to inspire a new level of commitment and performance.

**This Is All** Aidan Chambers, 2010-07-28 Subtitled *The Pillow Book of Cordelia Kenn* this is the story of Cordelia from the time she is 15 until she is 20. She is pregnant and plans to give this account to her daughter on her 16th birthday so that they can share their youth together. She chooses the old and famous Japanese book, 'The Pillow Book' by Sei Shonagon, as a model in order to include all kinds of things she has already written as well as the episodes and thoughts she has now as she compiles her book. She tells of her mother (who died when Cordelia was 5) of her father and her aunt Doris (who marry when she is 16), of her love for William Blacklin, the boy with whom she chooses to have her first sex - and with whom she falls deeply in love. She writes about Julie Martin her teacher who helps her spiritually, describes her love affair with an older married man and her terrifying sexual experience with an unbalanced young man who is obsessed with her. The book includes thoughts on being a woman, on poetry, music, reading and writing, on being pregnant and finally of her marriage to William. *This Is All* is an anthology, written in six 'books' of Cordelia's adolescent life, by turns funny, poignant, sad, exciting, fascinating ironic and truthful about topics that parents often do not tell their children. It is a

richly entertaining and challenging read.

**All In** Mark Batterson, 2013-09-24 Christians who want to take the next step in their faith walk need look no further. It's time to ante up and go all in with God. The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift, which is compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go all in, putting all that we have into God's hands. But why do so many Christians hesitate to do that? And when did we start believing that the Gospel is an insurance plan? We're afraid that if we go all in that we might miss out on what life has to offer. But Jesus did not die to keep us safe. He died to make us dangerous. So, let's step out of spiritual no man's land and kneel at the foot of the cross of Christ and surrender to his lordship. It's time to dethrone yourself and enthrone Christ as king, and Pastor Mark Batterson is here to show you how. Using his customary vivid, contemporary illustrations, as well as biblical characters like Shamgar, Elisha, Jonathan, and even Judas, you will be challenged to trade what Batterson calls inverted Christianity for true discipleship as you strip away your excuses and inhibitions and follow God completely. It's now or never. Are you ready to go all in and all out for God? Also available: All In student edition, video curriculum, and study guide.

**Winners Take All** Anand Giridharadas, 2018-08-28 NEW YORK TIMES BESTSELLER • The groundbreaking investigation of how the global elite's efforts to change the world preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today's news. Impassioned.... Entertaining reading." —The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can—except ways that threaten the social order and their position atop it. They rebrand themselves as saviors of the poor; they lavishly reward “thought leaders” who redefine “change” in ways that preserve the status quo; and they constantly seek to do more good, but never less harm. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? His groundbreaking investigation has already forced a great, sorely needed reckoning among the world's wealthiest and those they hover above, and it points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of building more robust, egalitarian institutions and truly changing the world—a call to action for elites and everyday citizens alike.

**All Or Nothing** Jonathan Steinberg, 2003-09-02 German and Italian fascist armies in the Second World War treated the Jews quite differently. Jews who fell into the hands of the German army ended up in concentration camps; none of those taken by the Italians suffered the same fate. Yet the protectors of the Jews were no philo-Semites, nor were they (often) great respecters of human life. Some of those same officers had sanctioned savage atrocities against Ethiopians and Arabs in the years before the war. Jonathan Steinberg uses this remarkable and poignant story to unravel the motives and forces underpinning both Fascism and Nazism. As a renowned historian of both Germany and Italy, he is uniquely placed to answer the underlying question; why?

**That Is All** John Hodgman, 2012-10-02 John Hodgman—bestselling author, *The Daily Show*'s Resident Expert, minor television celebrity, and deranged millionaire—brings us the third and final installment in his trilogy of *Complete World Knowledge*. In 2005, Dutton published *The Areas of My Expertise*, a handy little book of *Complete World Knowledge*, marked by the distinction that all of the fascinating trivia and amazing true facts were completely made up by its author, John Hodgman. At the time, Hodgman was merely a former literary agent and occasional scribbler of fake trivia. In short: a nobody. But during an interview on *The Daily Show* with Jon Stewart, an incredible transformation occurred. He became a famous minor television personality. You may ask: During his whirlwind tornado ride through the high ether of minor fame and outrageous fortune, did John Hodgman forget how to write books of fake trivia? The answer is: Yes. Briefly. But soon, he remembered! And so he returned, crashing his Kansas farmhouse down upon the wicked witch of ignorance with *More Information Than You Require*, a *New York Times* bestseller containing even more mesmerizing and essential fake trivia, including seven hundred mole-man names (and their occupations). And now, John Hodgman completes his vision with *That Is All*, the last book in a trilogy of *Complete World Knowledge*. Like its predecessors, *That Is All* compiles incredibly handy made-up facts into brief articles, overlong lists, and beguiling narratives on new and familiar themes. It picks up exactly where *More Information* left off—specifically, at page 596—and finally completes *COMPLETE WORLD KNOWLEDGE*. Look out for John Hodgman's latest book, *Vacationland*,

available from Viking in Fall 2017.
