

Baseball

Edward J. Rielly

Baseball Benjamin G. Rader, 2002 In this second edition of his lively, compact history of America's game--widely recognized as the best of its kind-- Benjamin G. Rader expands his scope to include commentary on baseball in the 1990s: the building of retro parks, the return of the Yankees, the dizzying race for new home-run records, and other topics.

Baseball in Action Sarah Dann, John Crossingham, 2000 Introduces the techniques, equipment, rules, and safety requirements of baseball.

Watching Baseball Smarter Zack Hamble, 2007-03-27 Zack Hamble's bestselling, smart, and funny fan's guide to baseball explains the ins and outs of pitching, hitting, running, and fielding, while offering insider trivia and anecdotes that will appeal to anyone—whether you're a major league couch potato, life-long season ticket-holder, or a beginner. • What is the difference between a slider and a curveball? • At which stadium did “The Wave” first make an appearance? • Which positions are never played by lefties? • Why do some players urinate on their hands? Combining the narrative voice and attitude of Michael Lewis with the compulsive brilliance of Schott's *Miscellany*, *Watching Baseball Smarter* will increase your understanding and enjoyment of the sport—no matter what your level of expertise. Featuring a glossary of baseball slang, an appendix of important baseball stats, and an appendix of uniform numbers.

The Church of Baseball Ron Shelton, 2023-06-20 LA TIMES BESTSELLER • From the award-winning screenwriter and director of cult classic *Bull Durham*, the extremely entertaining behind-the-scenes story of the making of the film, and an insightful primer on the art and business of moviemaking. This book tells you how to make a movie—the whole nine innings of it—out of nothing but sheer will.” —Tony Gilroy, writer/director of *Michael Clayton* and *The Bourne Legacy* The only church that truly feeds the soul, day in, day out, is the church of baseball.—Annie in *Bull Durham* *Bull Durham*, the breakthrough 1988 film about a minor league baseball team, is widely revered as the best sports movie of all time. But back in 1987, Ron Shelton was a first-time director and no one was willing to finance a movie about baseball—especially a story set in the minors. The jury was still out on Kevin Costner's leading-man potential, while Susan Sarandon was already a has-been. There were doubts. But something miraculous happened, and *The Church of Baseball* attempts to capture why. From organizing a baseball camp for the actors and rewriting key scenes while on set, to dealing with a short production schedule and overcoming the challenge of filming the sport, Shelton brings to life the making of this beloved American movie. Shelton explains the rarely revealed ins and outs of moviemaking, from a film's inception and financing, screenwriting, casting, the nuts and bolts of directing, the postproduction process, and even through its release. But this is also a book about baseball and its singular romance in the world of sports. Shelton spent six years in the minor leagues before making this film, and his experiences resonate throughout this book. Full of wry humor and insight, *The Church of Baseball* tells the remarkable story behind an iconic film.

Baseball: The Early Years Harold Seymour, Dorothy Seymour Mills, 1960-12-31 These two critically-acclaimed volumes mark the beginning of a monumental multi-volume study of baseball by the man whom *Sports Illustrated* has called the Edward Gibbon of baseball history. Now available in paperback, Harold Seymour's *The Early Years* and *The Golden Age* together recount the true story of how baseball came into being and how it developed into a highly organized business and social institution. The first volume, *The Early Years*, traces the growth of baseball from the time of the first recorded ball game at Valley

Forge during the revolution until the formation of the two present-day major leagues in 1903. By investigating previously unknown sources, Seymour uncovers the real story of how baseball evolved from a gentleman's amateur sport of well-bred play followed by well-laden banquet tables into a professional sport where big leagues operate under their own laws. Offering countless anecdotes and a wealth of new information, Seymour explodes many cherished myths, including the one which claims that Abner Doubleday invented baseball in 1839. He describes the influence of baseball on American business, manners, morals, social institutions, and even show business, as well as depicting the types of men who became the first professional ball players, club owners, and managers, including Spalding, McGraw, Comiskey, and Connie Mack. The second volume, *The Golden Age*, explores the glorious era when the game truly captured the American imagination, with such legendary figures as Babe Ruth and Ty Cobb in the spotlight. Beginning with the formation of the two major leagues in 1903, when baseball officially entered its golden age of popularity, Seymour examines the changes in the organization of professional baseball--from an unwieldy three-man commission to the strong one-man rule of Judge Kenesaw Mountain Landis. He depicts how the play on the field shifted from the low-scoring, pitcher-dominated game of the dead ball era before World War I to the higher scoring of the 1920's lively ball era, with emphasis on home runs, best exemplified by the exploits of Babe Ruth. Taken together, these volumes offer a serious and dramatic study of the game both on the field and in the business offices.

Chasing Baseball Dorothy Seymour Mills, 2010-03-01 For more than five decades, pioneering researcher Dorothy Seymour Mills has studied and written about baseball's past. With this groundbreaking book, she turns her attention to the historians, stat hounds, and many thousands of not-so-casual fans whose fascination with the game and its history, like her own, defies easy explanation. As Mills demonstrates, baseball elicits a passion—and inspires a slightly off-kilter, obsessive behavior—that is only slightly less interesting than the people who indulge it.

Baseball Harold Seymour, Dorothy Seymour Mills, 1971-07-15 In *Baseball: The Golden Age*, Harold Seymour and Dorothy Seymour Mills explore the glorious era when the game truly captured the American imagination, with such legendary figures as Babe Ruth and Ty Cobb in the spotlight. Beginning with the formation of the two major leagues in 1903, when baseball officially entered its golden age of popularity, the authors examine the changes in the organization of professional baseball--from an unwieldy three-man commission to the strong one-man rule of Judge Kenesaw Mountain Landis. They depict how the play on the field shifted from the low-scoring, pitcher-dominated game of the dead ball era before World War I to the higher scoring of the 1920's lively ball era, with emphasis on home runs, best exemplified by the exploits of Babe Ruth. Note: On August 2, 2010, Oxford University Press made public that it would credit Dorothy Seymour Mills as co-author of the three baseball histories previously authored solely by her late husband, Harold Seymour. The Seymours collaborated on *Baseball: The Early Years* (1960), *Baseball: The Golden Age* (1971) and *Baseball: The People's Game* (1991).

Diamonds in the Rough Joel Zoss, John Bowman, John Stewart Bowman, 2004 Pairing their detailed, informative research with a sophisticated anecdotal approach, Joel Zoss and John Bowman have written a fascinating, original, literate, and concise compendium of the history and issues surrounding America's national pastime. Addressed are such diverse topics as the origins of the game, the contributions of minorities and women, the evolution of umpiring, baseball's influence on literature and music, substance abuse, on- and off-field tragedy, and the game's international presence. *Diamonds in the Rough* is an invaluable and stimulating resource both for those who already study the game and for those who would like to learn its revealing history.

In Pursuit of Pennants Mark L. Armour, Daniel R. Levitt, 2015-04 The 1936 Yankees, the 1963 Dodgers, the 1975 Reds, the 2010 Giants--why do some baseball teams win while others don't? General managers and fans alike have pondered this most important of baseball questions. The Moneyball strategy is not the first example of how new ideas and innovative management have transformed the way teams are assembled. In Pursuit of Pennants examines and analyzes a number of compelling, winning baseball teams over the past hundred-plus years, focusing on their decision making and how they assembled their championship teams. Whether through scouting, integration, instruction, expansion, free agency, or modernizing their management structure, each winning team and each era had its own version of Moneyball, where front office decisions often made the difference. Mark L. Armour and Daniel R. Levitt show how these teams succeeded and how they relied on talent both on the field and in the front office. While there is no recipe for guaranteed success in a competitive, ever-changing environment, these teams demonstrate how creatively thinking about one's circumstances can often lead to a competitive advantage. Purchase the audio edition.

Dropping the Ball Dave Winfield, 2007-03-20 **HALL OF FAMER DAVE WINFIELD: THE GAME I LOVE IS HURTING.** Revenue has never been higher, attendance has never been better, and baseball has never had a stronger international presence. Yet, with all of the prosperity, the game has rarely faced more significant problems, both in the headlines and deep within our communities. Steroid scandals, labor strife, self-centered superstars, a dramatic decline in the number of African American players and fans, constraints on Little League facilities and resources, and competition from trendier sports and entertainment options all threaten the foundations of our national pastime. Dave Winfield knows and loves the game and he believes baseball can be rescued and revitalized. In *Dropping the Ball*, Dave presents his compelling plan of action for saving this great game from self-destruction. A respected role model and ambassador of the sport, Winfield outlines his strategy for making baseball the game he knows it can be: inclusive, empowering, and entertaining. He focuses on how to make the game more fan-friendly, and especially how to reach out to the African American community. From the commissioner's office to the kids on the street, Winfield examines the game from every perspective, offering ideas and solutions for diversifying front offices; marketing the game; developing community-based programs; and working out fair, creative, and lucrative parameters for the business of baseball. *Dropping the Ball* inspires readers to get out of the armchair and into the action. Urbane and entertaining, this is a trenchant, thought-provoking, and uplifting analysis of what can be done -- by the baseball giants and by all who play and love the game -- to save America's national pastime for you, your kids, and your community.

Taking in a Game Joseph A. Reaves, 2002-01-01 The author follows the exportation of baseball to Asia, revealing its deepening roots in Korea, the Philippines, mainland China, and Taiwan. Winner of the Jerry Malloy Book Prize.

Baseball in Broome County Marvin A. Cohen, Michael J. McCann, 2003 Throughout the years, scores of players have polished their skills in Broome County with the Crickets, the Bingos, the Triplets, and today's Binghamton Mets. Professional baseball began in the area in 1871, and the highlights came quickly. The early stars included an eighteen-year-old future Hall of Famer, Montgomery Ward; the first known black player in professional baseball, Bud Fowler; and Hall of Famer Wee Willie Keeler. By 1923, the Triplets were playing in Johnson City. They soon became affiliated with the Yankees and sent that franchise some of their best players, including Whitey Ford, Vic Raschi, and Thurman Munson. From 1969 to 1991, professional baseball disappeared from Broome County, but it was back with a bang in 1992, featuring a new stadium and a firm relationship with the New York Mets. *Baseball in Broome County* recounts this great

story with more than one hundred eighty photographs and engaging text.

Baseball Dorothy Seymour Mills, Harold Seymour, 1991-05-30 In *Baseball: The People's Game*, Dorothy Seymour Mills and Harold Seymour produce an authoritative, multi-volume chronicle of America's national pastime. The first two volumes of this study - *The Early Years* and *The Golden Age* - won universal acclaim. The New York Times wrote that they will grip every American who has invested part of his youth and dreams in the sport, while The Boston Globe called them irresistible. Now, in *The People's Game*, the authors offer the first book devoted entirely to the history of the game outside of the professional leagues, revealing how, from its early beginnings up to World War II, baseball truly became the great American pastime. They explore the bond between baseball and boys through the decades, the game's place in institutions from colleges to prisons to the armed forces, the rise of women's baseball that coincided with nineteenth century feminism, and the struggles of black players and clubs from the later years of slavery up to the Second World War. Whether discussing the birth of softball or the origins of the seventh inning stretch, the Seymours enrich their extensive research with fascinating details and entertaining anecdotes as well as a wealth of baseball experience. *The People's Game* brings to life the central role of baseball for generations of Americans. Note: On August 2, 2010, Oxford University Press made public that it would credit Dorothy Seymour Mills as co-author of the three baseball histories previously authored solely by her late husband, Harold Seymour. The Seymours collaborated on *Baseball: The Early Years* (1960), *Baseball: The Golden Age* (1971) and *Baseball: The People's Game* (1991).

The Soul of Baseball Joe Posnanski, 2009-10-13 From the author of *Baseball 100* "A fascinating account of a man who outlasted the ignorance of a nation and persevered to become a beloved figure...One of the best baseball books in years, filled with depth style and clarity. —Cleveland Plain Dealer An award-winning sports columnist and a baseball legend tour the country to recapture the joys and wonders of two of America's greatest pastimes When legendary Negro League player Buck O'Neil asked sports columnist Joe Posnanski how he fell in love with baseball, that simple question eventually led the pair on a cross-country quest to recapture the love that first drew them to the game. *Baseball & Jazz* recounts their emotional quest to find the heart of America's beloved sport that still beats despite the scandal-ridden, steroid-shooting, money hungry athletes who currently seem to define the sport. At its heart is the story of 94-year-old Buck O'Neil—a man that truly played for the love of the game. After an impressive career in the Negro Baseball Leagues in which he earned two hitting titles and one championship, O'Neil made baseball history by becoming the first African-American coach in major league baseball. Posnanski writes about that love and the one thing that O'Neil cherishes almost as much as baseball: jazz. This heartwarming and insightful journey is an endearing step back in time to the days when the crack of a bat and the smokey notes of a midnight jam session were the sounds that brought the most joy to a man's heart.

Ambassadors in Pinstripes Thomas W. Zeiler, 2006-09-22 Inspired and led by sporting magnate Albert Goodwill Spalding, two teams of baseball players circled the globe for six months in 1888-1889 competing in such far away destinations as Australia, Sri Lanka and Egypt. These players, however, represented much more than mere pleasure-seekers. In this lively narrative, Zeiler explores the ways in which the Spalding World Baseball Tour drew on elements of cultural diplomacy to inject American values and power into the international arena. Through his chronicle of baseball history, games, and experiences, Zeiler explores expressions of imperial dreams through globalization's instruments of free enterprise, webs of modern communication and transport, cultural ordering of races and societies, and a strident nationalism that galvanized notions of American uniqueness. Spalding linked baseball to a U.S. presence overseas, viewing

the world as a market ripe for the infusion of American ideas, products and energy. Through globalization during the Gilded Age, he and other Americans penetrated the globe and laid the foundation for an empire formally acquired just a decade after their tour.

The Black Stars Who Made Baseball Whole Rick Swaine,2014-09-24 For major league baseball, the decade following Jackie Robinson's 1947 debut was one of slow yet persistent change. Four other black players made their first, brief big-league appearances that year, followed by only two in 1948 and four in 1949. But by the end of 1959, 122 black ballplayers had made it to the big leagues. Like Robinson, their lives were made difficult off the field, and on it they dodged beanballs and spikes. This book brings attention to the accomplishments of this transitional generation of African American players—made up of men like Luscious Luke Easter, Sam “The Jet” Jethroe, and Sad Sam Jones—many of whom spent years in the minors, the Negro leagues, or both before getting their shot. Chapters on each season from 1947 to 1959 incorporate biographical and career profiles for 25 players who stood out during baseball's integration. A final chapter covers the outstanding minor league players who for various reasons never got a real chance to play major league ball. Appendices include a roster of black major leaguers from 1947 through 1959, a list of black-player firsts and statistics on the year-by-year population of black players in the majors.

Breaking Babe Ruth Edmund F. Wehrle,2018-05-31 Rather than as a Falstaffian figure of limited intellect, Edmund Wehrle reveals Babe Ruth as an ambitious, independent operator, one not afraid to challenge baseball's draconian labor system. To the baseball establishment, Ruth's immense popularity represented opportunity, but his rebelliousness and potential to overturn the status quo presented a threat. After a decades-long campaign waged by baseball to contain and discredit him, the Babe, frustrated and struggling with injuries and illness, grew more acquiescent, but the image of Ruth that baseball perpetuated still informs how many people remember Babe Ruth to this day. This new perspective, approaching Ruth more seriously and placing his life in fuller context, is long overdue.

Baseball Edward J. Rielly,2000 Everything every baseball fan needs to know. Filled with baseball legends, sports facts and firsts, important milestones, and observations about daily life and popular culture. Baseball has brought us great players, great writers, and some really rotten calls. *Baseball: An Encyclopedia of Popular Culture* looks at American society through the prism of its favorite pastime, discussing not only the game but also such issues as race relations, writing, drug abuse, entertainment, gambling, and movies.

Brown University Baseball Rick Harris,2012-03-11 This book will chronicle the history of baseball at Brown University in Providence, Rhode Island. Brown has earned the distinction of being the most influential institution regarding baseball in Rhode Island. Fields, players, coaches are also included. Perhaps the most interesting parts of the book are the stories revolving around students and baseball games. Racial Integration on the ball field at Brown University is also explored, as well as women who played baseball at Pembroke College (Brown's sister college prior to integration of female and male students).

Black Baseball's National Showcase Larry Lester,2001-01-01 A lively illustrated introduction to the Negro League equivalent of the All-Star Game discusses the history of the games, as well as the colorful cast of promoters, gamblers, and hucksters who made it happen. Original.
