*Scot Free II* Kerri Thomas, 2015-10-27 In the fall of 1975, Mikey Thomas, hit man for Tony Martinelli—Toledo's Mafia Crime Boss—moves his family back to his old stomping grounds of Toledo, Ohio after getting into legal trouble in Louisiana. He returns to his old life carrying out contracts for Tony and while doing so, he also finds himself more involved in the seedier side of being a biker. Author Kerri Thomas, Mikey's daughter from a previous marriage, is just ten years old at the time. In *Scot Free II*, the second book in the series, Thomas shares a fictionalized memoir of her father's life and how it affected her and her childhood. Inspired by true events, it offers insight into what Thomas' life was like growing up in an abusive and criminal environment with a father who dedicated his life to crime. Through Mikey's first-person perspective, this story shares his experiences as a biker who was no stranger to rape, murder, arson, bombings, and more. Praise for *Scot Free I* live just outside of Toledo and knew where each of the places were that Kerri referred to in this book. Her father was ingenious in how he committed his crimes and got away with them, but extremely cruel and selfish in how he treated his own family, the people he supposedly loved. Kerri, I could hardly put this book down. You have survived a horrendous childhood and I hope that you continue to heal and write more books. You have a wonderful talent.—Patricia Haupt

Scot Free Kerri Thomas, 2002-10 "I hope no one reads this and expects an apology—they won't get one. I hope no one wants me to feel ashamed of my life—I don't. The best years of my life came while I lived the lifestyle of a biker. The best money I had ever made came from doing contract hits for Tony Martinelli, Toledo's Mafia Crime Boss. What you are about to read is a chronicle of events during my

life of crime and recorded by my daughter. Specific names, dates, and locations have been omitted for obvious reasons.” Mikey Thomas—Hit Man for the Mob

*Free World .01* La Freda C. Kendol would do anything to become a rich and famous rap star. His determination makes him lie, steal, and neglect his family. With K-9 unaware of where Meka met Money, he allows the woman to come stay with them, and Meka swears her ex-con lover to secrecy. Although a nasty man in his own right, K-9 quickly discovers that his wife and her girlfriend are ten times more ruthless than he could ever imagine. Things get out of control when Meka and Money become desperate for cash and decide to rob the CEO of the record label that K-9 is hoping to work with. Destruction is imminent, as secrets will unavoidably be spilled. Greed has always been the motive, as a series of events leads these three people into an emotional battle that ends in grief and chaos.

*Scot Free Iii* Kerri Thomas,2021-05-12 This is the final installment of the Scot Free series. A new Blood Brother comes to town to determine if Mikey is responsible for the deaths of two other bike club members. Is he finally going to be caught at his own game or will he once again slip through getting away with everything Scot Free? The federal government spent more than twenty years pursuing him, wire tapping the phone lines, following him and at one point, through Scot Free II: The Lawless Biker, we know the feds even infiltrated the biker club. How will the new Blood Brother fair

in his quest to solve the disappearances and death of two other faithful members when the FBI can't even catch Mikey doing anything illegal? Many tell me it sounds interesting growing up with a man who is a self-proclaimed hitman for the Mob. I can tell you that it was not. His choices affected our lives and not always for the better. Most of the time, it was for the worst. Please, join me as Toledo's notorious outlaw finishes what he started. Mikey Thomas continues to work under the cloak of invisibility the Mafia and his club brothers afford him. He was a man who had no regrets and in his own words, "I lived my life how I wanted and I will not apologize for anything."

**Turned Out By a Savage 2** Shameka Jones, 2018-01-29 She ain't no track star, but running from problems is something that Danger does all too well. On the run from yet another relationship gone bad, she finds herself in Oklahoma City, where she's decided to start over yet again. Too bad Stranger has other plans for her. With Danger being the first woman to ever leave an imprint on his heart, he's prepared to do whatever it takes to bring her back to Dallas— even beg! There's just one problem: the old Danger is gone, and the new Danger is strong, knows her worth, and is not about to settle for an "almost faithful" dude. Can Stranger win her heart back, or has he lost Danger forever? After confronting Spazz about his infidelity, Free hesitantly gives him another chance. Forgiveness has never come easy for her, but the minute she decides to let her anger go, something beautiful happens: their relationship finally starts to blossom. Things are looking up for Free and Spazz, but things are the complete opposite between Free and her mother. Things are going from bad to worse between the two of them, and Free's not sure how much more she can take. Add an enemy that brings an unexpected fight and an old rival that's back to settle an old debt, and Free is just tired. Tired of fighting, tired

of conflict— tired of not feeling free. She may have the weight of the world on her shoulders, but Free refuses to be taken down or give up, proving that she's just as savage as her love, Spazz. An imperfectly perfect match is what they are, but is the worst yet to come? Has Spazz really changed for the better, or will Free be forced to do something she should have done long ago: choose herself over everyone else? Though Danger seems to occupy his mind day and night, bringing her back to Dallas is the least of Stranger's worries. When Spazz decides to take business matters into his own hands, he doesn't realize he's just started a brutal war behind Stranger's back. Always the big brother, Stranger has to find a way to clean up Spazz's mess. When Sleep makes a surprise appearance in Dallas, Stranger has a full plate of grown man issues. If nothing else, Stranger is a certified boss, a man that never lets the world see him sweat. He'll go to hell and back to protect his business and his family, but little does he know, it just might come down to that. Shots are sent Stranger's way from left to right, forcing him to make a life-changing decision that's been a long time coming. Desperate times call for desperate measures, and just when he thinks he has his business and personal life back on track, Stranger is dealt a shocking truth as he learns the real reason behind Sleep's visit to Dallas. Will Stranger be able to pull the ones he loves out of harm's way, or will someone have to take one for the team? Spazz wouldn't be Spazz without causing chaos wherever he goes, but he soon realizes he's met his match in Free. His plan was to make her want him, but when he realizes he needs her, he decides to do something completely different for a change: learn how to be a gentleman to Free. Finally on the right track, Spazz likes the new direction Free is taking his life in. He's even making smarter business decisions and stepping up to help lighten the load for Stranger— at

least he thinks he is— but it might be too late. Revenge is the one thing Spazz can't let go of, and when he sets out to make his foes pay for disloyalty and disrespect, he digs himself and Stranger even deeper into a savage war that only has room for a single winner. Will Spazz's out of control behavior cost them the war in the end? Despite his name, Sleep is anything but quiet and peaceful, and even with Stranger's retaliation, Sleep finally succeeds at catching up with his biggest money maker: Danger.

Journey to Free the Child Within Ethel L. Goodrich, 2014-04-22 Mental Illness is real and goes undetected every day simply because we focus on the outside, not knowing the demons one may be wrestling with on the inside. It is my belief that the secrets I was

carrying caused my mental illness. I also believe that the secrets other family members were carrying caused theirs as well, even landed a few of them in a mental institution. At one point in my life, I use to suffer from bipolar disorder, manic depression, and paranoid schizophrenic. Which caused me to be emotional detached from my children for fear that something terrible would happen. I was selfish and deliberately set out to harm people, but in the end it cost me and it's a price that I am still paying today. However, God had a master plan and He used what I thought at the time was an unjust; the death of my grandmother to killed me in order to heal me. Now I am a living testimony of His goodness and grace. So much good has come from her death, relationships that I would have never experience merely because I would have never learned how to forgive and that was the key to a life of abundance. For I reckon that the sufferings of this present time are not worth to be compared with the glory which shall be revealed in us (Romans 8:18)

With comical depictions of the various cults they encounter on the way, *Free Radicals* insightfully explores the often-failed attempts at utopia and the day-to-day life of two traveling musicians.
