

Book A Cabrider

Robert Berry

New York Cab Driver and His Fare Charles Vidich,2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

Life of a Girl Cab Driver Shirley Bennett,2011-12 With a keen sense of fun and determination, Bennett educates young and old about the secret life of a taxi driver. With true tales of crime, adventure, and compassion, her autobiography is a literary masterpiece that crosses from crime-scene drama into a psychological study of the unknown hero.

The Cab Driver Iain Levison,2018-02-20

Memoirs of a Winnipeg Cab Driver E Eddy Proulx,2020-09-04 Cab drivers! What a strange lot! Why would anyone want to drive a hack for a living? Other than being capable enough to safely operate a vehicle, you don't need any special skills or training. You don't need a university degree in the humanities, though you may become a qualified human affairs expert after driving a cab for several years. Cabbies must be the most misunderstood creatures in the world! Why else would they do what they do? Without it being said, a cab driver works twelve hour shifts on a routine daily basis. They often get assaulted, and even more often than not, they get ripped off. Society as a whole views cabbies as individuals with the same I.Q. as a lava lamp, who only drive a taxi because they can't get a job anywhere else, and, they probably have a criminal record too! They get screamed at, threatened, spat on, slapped, punched, kicked, stabbed, and tragically, some get murdered. What person in their right mind would want to take on this kind of a life when they could earn a lot more money with a lot less aggravation and abuse by simply donning a pair of dark glasses and selling pencils on any street corner? I drove a taxi in the city of Winnipeg for about twenty years for Red Patch Taxi. These memories are my memories and I am gladly sharing them with you, the reader. My biggest thanks go out to the city of Winnipeg and to all of its citizens whom I found to be the friendliest people anywhere! I hope that these stories of mine will move you emotionally, either with a smile, a laugh or a tear. Winnipeg, thanks for the memories! Savour the stories!

Diary of a Cab Man Jonathan Zissman,2010-04 Diary of a Cab Man is a brief look into the life of a person everyone knows: a cab driver. Driving a taxi is a microcosm of life. There are ups and there are downs. Some people think it is a simple job. It is not. Learning what to do IS easy. But, you are thrown curveball after curveball after curveball. What if your passengers run away from you? Or, maybe you hit a nail in the road. Or lightning interferes with your GPS signal. Or your pick-up address is incorrect. These are among the things that conspire against you, and drivers have no control over any of it. Have fun reading these true stories and learn how crazy this profession can be.

Hack Melissa Plaut,2008-06 In her late 20s, Plaut decided to honor a long-held secret ambition by becoming a New York City taxi driver. With wit and insight, she recreates the crazy parade of humanity that passes through her cab and shows how this grueling work provides her with a greater sense of self.

Need a Cab?! Yarr Wauchabey,2013-06-18 In 'NEED A CAB?!, The Wild Times and Misadventures of a Newbie Cab Driver, ' join Monrovia Wuss (Money, for short), a newcomer to the profession, as he whisks and wafts you along the cab-driving journey of one escapade after another, mostly hilarious but a few precarious moments. The character-driven, quick-paced story involves colorful characters and odd, outlandish situations. At Regal Taxi, Money is tricked by cowboys into riding a wild bronco, transports a cheerleader squad not shy in revealing skin, and escorts an almost-deaf elderly lady with a voice whinier than a two ton rusty door hinge. During his employment with Yellow Taxi, he delivers a plastered air traffic controller to the airport, making him vow he'll never fly again, while on another run he questions his sanity after experiencing the effects of a ventriloquist. American Taxi offers little relief from the abnormal or weird, only this time the deviance isn't pertinent to passengers: a dispatcher calls him 'Toots' and a fellow driver has a manic reaction of clapping once, bending over and bark-laughing over anything the least bit funny. Money eventually forms his own Wild Hare Taxi--one cab, one driver--and survives even zanier characters and events: preventing his cab from being towed by a transplanted Mainer, navigating German-speaking tennis players to their destination and battling trouble-making fellow cabdrivers. Money moves to Alaska intent on driving cab in the winter and building his own wilderness cabin in the summer, wondering whether he can withstand the call of the wild over the demands of making a living in crazier circumstances. Sprinkled and layered throughout are social commentaries concerning designers and their designs, common sense and pragmatism, the fact that we all have our own demons, devils and peccadilloes, and the plain simple truth that things just aren't always as they seem. KEYWORDS - Hilarious, Funny, Cab Driver, Alaska, Taxi, Adventures, Yellow Cab, Yellow Taxi, Misadventures, Newbie

Taxi Cab Stories Egan John,2018

An Awesome Cab Driver Is Hard to Find Difficult to Part with and Impossible to Forget Cab Driver Publishing,2020-01-06 This 120-page Cab Driver Journal features: 120 wide-ruled lined pages 6 x 9 inches in size - big enough for your daily writings and also small enough to take with you smooth white-color paper, perfect for ink, gel pens, pencils or even colored pencils a black matte-finish cover for an elegant, professional look and feel This (An Awesome Cab Driver Is Hard To Find Difficult To Part With And Impossible To Forget) journal can be used for writing poetry, jotting down your brilliant ideas, recording your accomplishments and much more. Black Cab Story Alf Townsend,2012-02-29 In his new book, well-known London cabbie Alf Townsend tells us the complete story of the black cab, from its origins in the seventeenth century to the brand new taxis which now grace the capital’s streets.The history and development of the black cab is explored here in Alf’s straightforward writing style, alongside ninety colour and black and white images.This is a light-hearted romp through the world of ‘the knowledge’, the vehicles, the streets of London and the cabbies themselves, and is full of juicy snippets and fascinating quotes which will be of great interest to anyone who loves this London icon.

Abstracts of Black Cab Lore Sean Farrell,2018-11-04 For four hundred years, London taxi drivers have been serving the capital in one form or another. From hackney coaches to Hansom cabs; from taxicabs to black cabs, the vehicles may have evolved but the driver has remained basically the same. But who were the men who drove those cabs? London's taxi drivers are continually voted the best in the world, each one of them having gone through the hardest test, The Knowledge, but very little is known about those who got us where we are today. This book seeks to remedy that situation. Now, the history of the trade from the driver's perspective is told for the first time. Hundreds of stories, compiled from a variety of sources, give a more intimate point of view than has ever been seen before.Enjoy, but most of all...Be Lucky!

Taxi Tales Lou Solitske,2001
You Are an Incredible Human | You Are the Perfect Cab Driver - Notebook/Journal Gift for a Future Cab Driver Designed for Cab drivers,2021-11-28 This 120 pages Journal/Notebook features: * 120 wide-ruled lined pages. * 6 x 9 size journal - big enough for your writing and small enough for everyday use. * A black cover page. * A great matte finish look.

Miami Taxi Vibes S a Traka,2020-03 You won't want to miss this cab! S. A. Traka's Miami Taxi Vibes takes us on a journey through his seven-year stint as a nighttime cab driver. In no sequential manner, he accounts his recollections of some of his more unexpected experiences and shares some tips and tricks of the trade.

13 Freaky Cab Stories 4. 94* Cab Driver,2020-04-10 Disclaimer: These stories are not for the faint hearted nor the sensitive. They are edgy, almost offensive and full of London's everyday spoken language, whether fair or foul. They depict sexual shenanigans, racial tension, millennial drug abuse as well as aggression and violence. Read at your own discretion. About Me: For the time being, I primarily work as a night shift cab driver in London, and unless I lived the experiences, I wouldn't believe what some people do! I am often thought of as an invisible, deaf and dumb person sitting in the driver's seat, which allows me to see people without their filters. I meet thousands of people, their being for the duration of the cab ride, raw and unrefined. With their mental guard resting from the burden of societal duty towards being an acceptable part to an inescapable whole, in the safe zone of the backseat of my cab where there's no inclination or obligation to impress or fear the cab driver, some delinquents unleash the full force of their inner singularity, which enriches me with some pretty freaky memories to share with you. About The Stories: These are a select few stories from the thousands of journeys I do each year. 70 to 80% of rides are standard hello - hi, and then a bye with a bit of silence or radio in between, and that's fine. Then you really enjoy about 20 to 30% of the jobs which almost feels like sitting in a bar having a blast with random folks, so much so, you feel guilty charging them, coz the fun you're having makes tedious traffic feel like a breeze that whisked by. Then you get 1 to 5% of riders who have an insatiable itch tormenting their souls. Their horrible personalities; a reflection of their deprivation from being loved or appreciated. Their negative energy, an attempt to conceal their insecurities and inabilities. And then from the zero point zero something percent of rides, I present to you these 13 stories, coz they are a whole breed of their own. About You: Go on now, get in on the gossip

The London Cabbie Alf Townsend,2007 Forty years ago Alf Townsend passed The Knowledge - after 14,000 miles on a moped round central London. Since then he has covered millions of miles in his taxi. This book includes a selection of his extraordinary and hilarious tales of everyday life as a cabbie, in which we meet Mr Whippy and Violent Pete, Bread Roll Mick and the Motorway Mouse, Claude the Bastard and the mysterious Mr X. Alf also examines the history of cab-driving in the capital - including the variety of taxis that have been used - and even tries to shed some light on the most ancient and obscure Hackney Carriage laws that are still on the statute book. (Do you know why a taxi is so tall? So a passenger can get on board wearing a top hat: it's true...) Concluding with a look at the seamy side of night work, the rise and rise of the mini-cab, and what the future may hold for the London cabbie, Alf Townsend's book will be entertaining reading for all Londoners, and anyone else who has travelled in the back of a black cab.
Cab Talk Tim Keefe,2007-07-30

Unveiling the Magic of Words: A Review of "Book A Cabrider"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Book A Cabrider Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files

that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Book A Cabrider free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Book A Cabrider free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Book A Cabrider free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Book A Cabrider. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Book A Cabrider any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Book A Cabrider Books

What is a Book A Cabrider PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Book A Cabrider PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Book A Cabrider PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Book A Cabrider PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Book A Cabrider PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
