The Button Boxes Temple Kinyon,2019-09-23 What does a football-loving kid do with a couple of old wooden boxes and a pile of buttons? Andy Howell sure doesn't know, but his Grandma Lois gives him precisely that on his twelfth birthday. They'll change your life and show you spectacular stories about our family's history, Lois tells him. But Andy wonders if she's just trying to coax him toward a future in the family tailoring business and away from his dream of becoming a famous football player. And when she urges him to sleep with the buttons to unlock their magical stories, he begins to think

she's going crazy. He doesn't have time to mess with stupid buttons and boxes. All he can think about right now is how to get a good grade on his family tree project in history so he doesn't get benched by his coach and ridiculed by his teammates, who are also his friends. But when Lois suddenly ends up in the hospital with a mysterious ailment, Andy begins to wonder if the power of the buttons and boxes are the only things that can save her. If he learns the button's secrets and his family history, will it cure Lois? Andy doesn't know but frantically devises a plan to rescue her, risking trouble with his parents, teachers, friends, and worst of all, his coach. But is it too late?

Buttons and Lace Penelope Sky, 2022-04-19 From New York Times Bestselling Author Penelope Sky comes a darkly twisted tale of debt, repayment, and violence. Follow Pearl's story of betrayal, damnation, and redemption, as she struggles to overcome her situation and growing feelings for her captor, Crow. I owe him a debt. A big one. The payment can't be settled with money or favors. He only wants one thing. Me. Every action gets a reward. A button. Once I fill his jar with three hundred and sixty-five buttons, he'll let me go. He'll let me walk away. But I have to earn every single one. By

submitting to the darkest, cruelest, and most beautiful man I've ever known. 5 dark []s! Pearl clearly has gone through hell and more... this story is so breathtaking !!!! I am awed by her defiance, gallantry, and great fortitude! As far as Crow is concerned, under his savageness, there are shreds of compassion and humanity -Goodreads Reviewer Haunting, disturbing, emotionally tormenting and oh so dark! I loved Pearl's strength and bravery. I got lost in Crow's complexity and fell in love with the man behind the mask. Being a fan of the dark, this definitely ticked all the right boxes for me. - Goodreads Reviewer I read A LOT of books and this series will always be my favorite. Crow and Pearl. I fell in love with both of them. Penelope Sky knows how to develop her characters and does it very well. The story never gets boring. This would make a great mini-series for television! -Amazon Reviewer Good golly, Miss Molly! At first, I was apprehensive about reading this book, but ... it is truly a work of art. When I find a book that's this good I end up staying awake till 4 in the morning because I just can't put it away till my hubby makes me. This book makes you a little stronger and gives worth to the reason why you should never stop fighting for yourself. I would recommend it to anyone. -

Amazon Reviewer Trigger Warning: Not for the faint of heart.
