All Gates Open Rob Young, Irmin Schmidt, 2018-05-01
All Gates Open presents the definitive story of arguably the most influential and revered avant-garde band of the late twentieth century: CAN. It consists of two books. In Book One, Rob Young gives us the full biography of a band that emerged at the vanguard of what would come to be called the Krautrock scene in late sixties Cologne. With Irmin Schmidt and Holger Czukay - two classically trained students of Stockhausen - at the heart of the band, CAN's studio and live performances burned an incendiary trail through the decade that followed: and left a legacy that is still reverberating today in hip hop, post rock, ambient, and countless other genres. Rob Young's account draws on unique interviews with all founding members of CAN, as well as their vocalists, friends and music industry associates. And he revisits the music, which is still deliriously innovative and unclassifiable more than four decades on. All Gates Open is a portrait of a group who worked with visionary intensity and belief, outside the system and inside their own inner space. Book Two, Can Kiosk, has been assembled by Irmin Schmidt, founding member and guiding spirit of the band, as a 'collage - a technique long associated with CAN's approach to recording. There is an oral history of the band drawing on interviews that Irmin made with musicians who see CAN as an influence - such as Bobby Gillespie, Geoff Barrow, Daniel Miller, and many others. There are also interviews with artists and filmmakers like Wim Wenders and John Malkovitch, where Schmidt reflects on more personal matters and his work with film. Extracts of Schmidt's

notebook and diaries from 2013-14 are also reproduced as a reflection on the creative process, and the memories, dreams, and epiphanies it entails. Can Kiosk offers further perspectives on a band that have inspired several generations of musicians and filmmakers in the voices of the artists themselves. CAN were unique, and their legacy is articulated in two books in this volume with the depth, rigour, originality, and intensity associated with the band itself. It is illustrated throughout with previously unseen art, photographs, and ephemera from the band's archive.

A Single Shard Linda Sue Park, 2001-04-23 The Newbery Medal-winning tale of an orphan boy whose dream of becoming a master potter leads to unforeseen adventure in ancient Korea. Tree-ear is an orphan boy in a 12th-century Korean village renowned for its ceramics. When he accidentally breaks a delicate piece of pottery, he volunteers to work to pay for the damage. Putting aside his own dreams, Tree-ear resolves to serve the master potter by embarking on a difficult and dangerous journey, little knowing that it will change his life forever. Despite the odds against him, Tree-ear becomes courageous, brave and selfless, a hero as enduring as the porcelain Park so lovingly describes. (New York Times) "Intrigues, danger, and a strong focus on doing what is right turn a simple story into a compelling read. A timeless jewel." (Kirkus starred review) *A broken piece of pottery sets events in motion as an orphan struggles to pay off his debt to a master potter. This finely crafted novel brings 12th-century Korea and these indelible characters to life. (School

Library Journal starred review) Tree-ear's determination and bravery in pursuing his dream of becoming a potter takes readers on a literary journey that demonstrates how courage, honor and perseverance can overcome great odds and bring great happiness. Park effectively conveys 12th century Korea in this masterful piece of historical fiction. (Kathleen Odean, chair of the Newbery Award Selection Committee)

I Can Write the World Joshunda Sanders, 2020-06-15
Lovely and timely. So glad Joshunda is telling our stories. -
Jacqueline Woodson Eight-year-old Ava Murray wants to know why there's a difference between the warm, friendly Bronx neighborhood filled with music and art in which she lives and the Bronx she sees in news stories on TV and on the Internet. When her mother explains that the power of stories lies in the hands of those who write them, Ava decides to become a journalist. *I Can Write the World* follows Ava as she explores her vibrant South Bronx neighborhood - buildings whose walls boast gorgeous murals of historical figures as well as intricate, colorful street art, the dozens of different languages and dialects coming from the mouths of passersby, the many types of music coming out of neighbors' windows and passing cars. In reporting how the music and art and culture of her neighborhood reflect the diversity of the people of New York City, Ava shows the world as she sees it, revealing to children the power of their own voice.

What You Can Change... and What You Can't Martin Seligman, 2011-02-22 If you believe that dieting down to your ideal weight will prolong your life; that reliving

childhood trauma can undo adult personality problems; that alcoholics have addictive personalities, or that psychoanalysis helps cure anxiety, then get ready for a shock. In the climate of self-improvement that has reigned for the last twenty years, misinformation about treatments for everything from alcohol abuse to sexual dysfunction has flourished. Those of us trying to change these conditions are often frustrated by failure, mixed success, or success followed by a relapse. But have you ever asked yourself: can my condition really be changed? And if so, am I going about it in the most effective way? Grounding his conclusions in the most recent and most authoritative scientific studies, Seligman pinpoints the techniques and therapies that work best for each condition, explains why they work, and discusses how you can use them to change your life. Inside, you'll discover: the four natural healing factors for recovering from alcoholism; the vital difference between overeating and being overweight, and why dieters always gain back the pounds they lost; the four therapies that work for depression, and how you can dispute your way to optimistic thinking; the pros and cons of anger, and the steps to take to understand it and much more!

Doing the Best I Can Kathryn Edin, Timothy Jon

Nelson,2013 Across the political spectrum, unwed fatherhood is denounced as one of the leading social problems of today. *Doing the Best I Can* is a strikingly rich, paradigm-shifting look at fatherhood among inner-city men often dismissed as deadbeat dads. Kathryn Edin and Timothy J. Nelson examine how couples in challenging straits come together and get pregnant so quickly--without planning. The authors chronicle the high hopes for forging lasting family bonds that pregnancy inspires, and pinpoint the fatal flaws that often lead to the relationship's demise. They offer keen insight into a radical redefinition of family life where the father-child bond is central and parental ties are peripheral. Drawing on years of fieldwork, *Doing the Best I Can* shows how mammoth economic and cultural changes have transformed the meaning of fatherhood among the urban poor. Intimate interviews with more than 100 fathers make real the significant obstacles faced by low-income men at every step in the familial process: from the difficulties of romantic relationships, to decision-making dilemmas at conception, to the often celebratory moment of birth, and finally to the hardships that accompany the early years of the child's life, and beyond.

All We Can Save Ayana Elizabeth Johnson, Katharine K. Wilkinson, 2021-07-20 NATIONAL BESTSELLER •
Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE
There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it’s clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it’s a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or

our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save.
