**Casino** Nicholas Pileggi,2016-10-18 The true story behind the Martin Scorsese film: A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic Wiseguy—basis for the film Goodfellas—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high-stakes page-turner (Booklist).

Super Casino Pete Earley,2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

**Casino Craps** Frank Scoblete,2010-05 The most comprehensive craps book ever written, this is the book that gives readers everything needed to get a real, verifiable edge at the game of craps. The authors, two of the greatest living dice controllers, share, in words and pictures, their secret Golden Touch technique and give the edge needed to beat the house. Readers will learn several keys to winner craps, including how the game is really played, how to develop a Golden Touch controlled throw, which are the best and worst bets and buy bets, how to reduce the hit of the house edge by using the five count, how to push the casino to give a better game than advertised, how to set the dice to reduce or increase the appearance of different numbers, and how to judge what a real edge means.

**Casino** Nicholas Pileggi,2015-08-13 The Stardust... The Fremont... The Marina. They ran them all. And they lost. Big time. No one knew more about casinos than Frank 'Lefty' Rosenthal, the gambling mastermind who, along with his best friend and partner, Anthony 'the Ant' Spilotro, virtually ran Las Vegas for the mob. For years it was the perfect arrangement - Lefty provided the smarts, while Tony kept the bosses happy with weekly suitcases filled with millions in skimmed cash. It should have lasted forever but Lefty’s obsessions with running the town - and Tony’s obsession with Lefty’s beautiful showgirl wife, Geri - eventually led to betrayals and investigations that exploded into one of the greatest scandals in mob history. Casino is the shattering inside account of how the mob finally lost its stranglehold on Las Vegas, the neon money-making machine it had created.

*Suburban Xanadu* David G. Schwartz,2003 Institution. Remarkably detailed and entertaining, Suburban Xanadu tells us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

**Gambling on the American Dream** James R Karmel,2015-10-06 Provides a historical perspective for understanding the exponential growth of casinos in the United States since 1990, by telling the story of Atlantic City, New Jersey since the 1970s. This work uses oral history to focus on the human stories of the region in addition to the broader story of economic and social impacts.

**The Casino Answer Book** John Grochowski,1998 In casino gambling there's a house advantage built into every game. John Grochowski shows you how to beat that advantage and increase your winning odds in three of the most popular casino games (blackjack, video poker, and roulette).

**Governing Fortune** Ernest P. Goss,Edward A. Morse,2009-12-22 Written by a lawyer and an economist, Governing Fortune summarizes the legal framework supporting the gaming industry and reviews the costs and benefits of casinos by showing how tax base and job growth vary widely with site-specific factors. The book sets forth an innovative proposal for the licensing of gamblers as a means to balance the liberty interests of individuals against the social costs generated from problem gambling behavior. Morse and Goss offer both regional and sector comparisons of the gaming industry and accessible data about every aspect of the gaming environment, including the impact of gambling on economic and social environments. Goss and Morse provide an outstandingly sound economic understanding of the function and place of casinos in American society, including essential heretofore unavailable grounding in the legal issues that the book accomplishes remarkably effectively. Moreover, this wealth of economic and legal information is transmitted in an engaging and readable manner. Scholarly, thoughtfully collected and authoritative, the book is of interest to any learner of the gambling industry, including students, civic activists, legislators, and scholars. — Earl Grinols, Baylor University In this book, Morse and Goss make important contributions to our understanding of the negative outcomes of the expansion of gambling in America. — Jon Bruning, Nebraska Attorney General Edward A. Morse is Professor of Law and holder of the McGrath North Mullin & Kratz Endowed Chair in Business Law at Creighton University School of Law. Ernest P. Goss is Professor of Economics and MacAllister Chair at Creighton University and was a 2004 scholar-in-residence with the Congressional Budget Office.

**Dummy Up And Deal** H. Lee Barnes,2002-08-01 The glitter and excitement that tourists associate with casinos is only a facade. To the gaming industry's front-line employees, its dealers, the casino is a far less glamorous environment, a workplace full of emotional tension, physical and mental

demands, humor and pathos. Author H. Lee Barnes, who spent many years as a dealer in some of Las Vegas's best-known casinos, shows us this world from the point of view of the table-games dealer. Told in the voices of dozens of dealers, male and female, young and old, *Dummy Up and Deal* takes us to the dealer's side of the table. We observe the breaking in that constitutes a dealer's training, where the hands learn the motions of the game while the mind undergoes the requisite hardening to endure long hours of concentration and the demands of often unreasonable and sometimes abusive players. We discover how dealers are hired and assigned to shifts and tables, how they interact with each other and with their supervisors, and how they deal with players—the winners and the losers, the Sweethearts and the Dragon Lady, the tourists looking for a few thrills and the mobsters showing off their juice. We observe cheaters on both sides of the table and witness the exploits of such high-rollers as Frank Sinatra and Colonel Parker, Elvis's manager. And we learn about the dealers' lives after-hours, how some juggle casino work with family responsibilities while others embrace the bohemian lifestyle of the Strip and sometimes lose themselves to drugs, drink, or sex. It's a life that invites cynicism and bitterness, that can erode the soul and deaden the spirit. But the dealer's life can also offer moments of humor, encounters with generous and kindly players, moments of pride or humanity or professional solidarity. Barnes writes with the candor of a keen observer of his profession, someone who has seen it all—many times—but has never lost his capacity to wonder, to sympathize, or to laugh. *Dummy Up and Deal* is a colorful insider's view of the casino industry, a fascinating glimpse behind the glitter into the real world of the casino worker.

**The Global Casino** Nick Middleton, 2013-07-18 The *Global Casino* is an introduction to environmental issues which deals both with the workings of the physical environment and the political, economic and social frameworks in which the issues occur. Using examples from all over the world, the book highlights the underlying causes behind environmental problems, the human actions which have made them issues, and the hopes for solutions. It is a book about the human impact on the environment and the ways in which the natural environment impacts human society. The fifth edition has been fully revised and updated throughout, with new case studies, figures, and online resources such as downloadable figures and tables from the text and multiple choice questions for students, accessible at: [www.routledge.com/cw/middleton](http://www.routledge.com/cw/middleton). New topics covered in extended boxed case studies include payment for environmental services, ocean acidification, biofuels in Brazil, waste reduction through industrial symbiosis, and the long-term impact of natural disasters on vulnerable groups. Other approaches and concepts covered for the first time in this new edition include traditional ecological knowledge, environmental justice, the 'resource curse', and urban biodiversity. Eighteen chapters on key issues follow three initial chapters which outline the background contexts of the physical and human environments and the concept of sustainable development. Each chapter provides historical context for key issues, outlines why they have arisen, and highlights areas of controversy and uncertainty to appraise how issues can be resolved both technically and in political and economic frameworks. Each chapter also contains an updated critical guide to further reading and websites, as well as discussion points and essay questions. The text can be read in its entirety or individual chapters adopted as standalone reading. The *Global Casino* is an essential resource for students of the environment, geography, earth sciences and development studies. It provides comprehensive and inspirational coverage of all the major global environmental issues of the day in a style that is clear and critical.

**The Casino, Card and Betting Game Reader** Mark R. Johnson, 2021-12-30 Casino games and traditional card games have rich and idiosyncratic histories, complex subcultures and player practices, and facilitate the flow of billions of dollars each year through casinos and card rooms, and between professional players and amateurs. They have nevertheless been overlooked by game scholars due to the negative ethical weight of "gambling" - with such games pathologized and labelled as deviance or mental illness, few look beyond to unpick the games, their players, and their communities. The *Casino, Card and Betting Game Reader* offers 25 chapters studying the communities playing these games, the distinctive cultures and practices that have emerged around them, their activities and beliefs and interpersonal relationships, and how these games influence - both positively and negatively - the lives and careers of millions of game players around the world. It is the first of a new series of edited collections, *Play Beyond the Computer*, dedicated to exploring the play of games beyond computers and games consoles.

Casino Introduction

In the digital age, access to information has become easier than ever before. The ability to download Casino has revolutionized the way we

consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Casino has opened up a world of possibilities. Downloading Casino provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Casino has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Casino. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Casino. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Casino, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Casino has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
