Secondhand Dogs Carolyn Crimi,2021-07-06 A heartwarming—and heart-tugging—middle grade novel about love, loyalty, and what it means to be part of a family—from author Carolyn Crimi, with adorable illustrations by Melissa Manwill. Perfect for fans of A Dog’s Life and Because of Winn-Dixie. Miss Lottie’s home was for second chances. When she adopted Gus, Roo, Tank, and Moon Pie, Miss Lottie rescued each member of the pack—including herself, her helper, Quinn, and her reclusive cat, Ghost—and turned them into a family. But when a new dog, Decker, arrives and tries to hoard Miss Lottie’s heart and home for himself, the pack’s future is threatened. At first, Gus, the insecure pack leader, only notices little things, like tiny Moon Pie being kicked out of the bed and Ghost acting spooked (then again...Ghost is a cat). But things soon go from bad to worse as Decker’s presence causes disharmony in the group. When Decker convinces Moon Pie to embark on an impossible journey, it’s up to Gus to gather his courage, rally his splintered pack, and bring the little dog home. And with coyotes and cars on the loose, the pack must push through obstacles and dangers to reunite with Moon Pie before he can get hurt—or, nearly as bad, get his heart broken.

Life with Forty Dogs Joseph Robertia,2017-04-04 Winner of Dog Writer's Association of America Best Book: Rescue or Adoption and Dogwise Best Book Award in 2017. From award-winning writer and photographer Joseph Robertia, Life with Forty Dogs is a collection of the funny, fascinating, and sometimes heartbreaking stories of the life-changing canine commitment he and his family made. When Robertia and his wife, Cole, first entered the world of dog sledding in Alaska, they had never expected to have their household grow up to forty dogs—“primarily rogues, runts, and rejects from other kennels.” But quickly they found their lives inextricably intertwined with each dog they rescued as they learned each one’s unique character and personality and how irreplaceable each was for their team and for their family. This book is an invitation to understand the essence of life with forty dogs in its entirety and, through that comprehension, to truly appreciate what Robertia sees every day. Not everyone can sacrifice their spare time, salaries, and sanity to get to know so many characters—from the well-mannered to the wily—but Life with Forty Dogs will reveal the endless adventures and misadventures that come to those like Robertia and his family who have dedicated themselves to their furry companions.

Through a Dog's Eyes Jennifer Arnold,2010-08-10 A “transformative,”* inspiring book with the power to change the way we understand and communicate with our dogs. Few people are more qualified to speak about the abilities and potential of dogs than Jennifer Arnold, who for twenty years has trained service dogs for people with physical disabilities and special needs. Through her unique understanding of dogs’ intelligence, sensitivity, and extrasensory skills, Arnold has developed an exemplary training method that is based on kindness and encouragement rather than fear and submission, and her results are extraordinary. To Jennifer Arnold, dogs are neither wolves in need of a pack leader nor babies in need of coddling; rather, they are extremely trusting beings attuned to their owners’ needs, and they aim to please. Stories from Arnold’s life and the lives of the dogs who were her greatest teachers provide convincing and compelling testimony to her choice teaching method and make Through a Dog’s Eyes an unforgettable book that will forever change your relationship with your dog. *Publishers Weekly

Certain dogs have improved and advanced the field of health care in myriad ways. This book presents the stories of these pioneer dogs, from the mercy dogs of World War I, to the medicine-toting sled dogs Togo and Balto, to today's therapy dogs. No Buddy Left Behind Terri Crisp,C. J. Hurn,2012-11-06 No Buddy Left Behind unveils the life-altering relationships American troops serving in the Middle East have shared with the stray dogs and cats they've rescued from the brutalities of war. Overcoming monumental obstacles, Operation Baghdad Pups' program manager Terri Crisp makes it her mission to save these wartime “buddies,” get them out of danger, and bring them home to the soldiers who love them. How exactly does someone get animals out of a country at war when normal resources are lacking and every step of a plan to transport animals could get you arrested, kidnapped, or blown apart? As Crisp soon learns, each rescue mission from first to last is a fly-by-the-seat-of-your-pants experience, and no animal is truly safe until its paws touch U.S. soil. Terri and her team have saved the lives of 223 dogs and forty-two cats befriended by military personnel since February 2008—and No Buddy Left Behind finally tells this story.
