*The Worst Team Money Could Buy*, 2005-03-01 Even before the New York Mets began the 1992 season, they had set a critical record: the highest payroll ever for a major-league team, \$45 million. With players Bobby Bonilla, Vince Coleman, Bret Saberhagen, and Howard Johnson, winning another championship seemed a mere formality. The 1992 New York Mets never made it to Cooperstown, however. Veteran newspapermen Bob Klapisch and John Harper reveal the extraordinary inside story of the Mets' decline and fall with the sort of detail and uncensored quotes that never run in a family newspaper. From the sex scandals that plagued the club in Florida to the puritanical, no-booze rules of manager Jeff Torborg, from bad behavior on road trips to the downright ornery practical jokes? that big boys play, *The Worst Team Money Could Buy* is a grand-slam classic.

**The Bronx Zoo** Sparky Lyle, Peter Golenbock, 2005 The former New York Times bestseller is now available in trade paperback a quarter century after Golenbock's detailed examination of the 1979 New York Yankees World Series championship became hailed as one of the best baseball books written.

*Breakout* Ron LeFlore, Jim Hawkins, 1978 Autobiography of Ron LeFlore, who played on a prison baseball team while serving a sentence for armed robbery and later became a star player for the Detroit Tigers.

*The Teammates* David Halberstam, 2003-05-14 More than 6 years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his ground-breaking reporting on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. *The Teammates* is the profoundly moving story of four great baseball players who have made the passage from sports icons--when they were young and seemingly indestructible--to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men--Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams--who remained close for more than sixty years. The book starts out in early October 2001, when Dominic DiMaggio and Johnny Pesky begin a 1,300-mile trip by car to visit their beloved friend Ted Williams, whom they know is dying. Bobby Doerr, the fourth member of this close group--my guys, Williams used to call them--is unable to join them. This is a book--filled with historical details and first-hand accounts--about baseball and about something more: the richness of friendship.

**The Bullpen Gospels** Dirk Hayhurst, 2010 A minor league pitcher deals with both the lighter and darker sides of a life at the edge of the pro ranks where he refuses to quit and eventually finds himself playing for the league championship.

*Behind the Plate* Lawrence "Yogi" Berra, Til Ferdenzi, 2017-07-11 Life had not been kind to young Tommy Riggs—and even though he had all the natural playing ability to become a Major Leaguer, his anger at the world kept him from becoming the great player he could be. How Tommy Riggs learned not only to be a star catcher, but also to live with himself and his teammates, makes a suspenseful story filled with the true-to-life color of baseball from the Minor Leagues through the bitter competition of spring training camp to top flight baseball as it is played in the Major Leagues. It is a story every sports fan will enjoy. LAWRENCE "YOGI" BERRA was probably the one man best able to tell sports fans how to play BEHIND THE PLATE and how it feels to be a catcher. His unequalled career with the New York Yankees won him a place as one of the all-time greats. In the words of Casey Stengel, "Outside of DiMaggio, the man behind the plate, Berra, is the greatest player that I ever had to manage." TIL FERDENZI had a completely rounded sports background that made him the perfect collaborator for "Yogi" on this book. A six-letter varsity baseball and football athlete at Boston College—a former high school coach of baseball and football—and for sportswriter for the New York Journal-American, he helped bring baseball alive for sports fans in BEHIND THE PLATE.
