*The Friend (National Book Award Winner)* Sigrid Nunez, 2019-02-05 WINNER OF THE 2018 NATIONAL BOOK AWARD FOR FICTION SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD NEW YORK TIMES BESTSELLER A beautiful book ... a world of insight into death, grief, art, and love. —Wall Street Journal A penetrating, moving meditation on loss, comfort, memory...Nunez has a wry, withering wit. —NPR Dry, allusive and charming...the comedy here writes itself.” The New York Times A moving story of love, friendship, grief, healing, and the magical bond between a woman and her dog. When a woman unexpectedly loses her lifelong best friend and mentor, she finds herself burdened with the unwanted dog he has left behind. Her own battle against grief is intensified by the mute suffering of the dog, a huge Great Dane traumatized by the inexplicable disappearance of its master, and by the threat of eviction: dogs are prohibited in her apartment building. While others worry that grief has made her a victim of magical thinking, the woman refuses to be separated from the dog except for brief periods of time. Isolated from the rest of the world,

increasingly obsessed with the dog's care, determined to read its mind and fathom its heart, she comes dangerously close to unraveling. But while troubles abound, rich and surprising rewards lie in store for both of them. Elegiac and searching, *The Friend* is both a meditation on loss and a celebration of human-canine devotion.

**Fall in Love with Her Friend's BF , Zhenyinfang,2020-02-05 fall in love with Amity**

Shakespeare's Friends Kate Emery Pogue,2006-01-30 Taking seriously the commonplace that a

man is known by the company he keeps—and particularly by the company he keeps over his lifetime—one can learn more about just about anyone by learning more about his friends. By applying this notion to Shakespeare, this book offers insight into the life of the most famous playwright in history, and one of the most elusive figures in literature. The book consists of sketches of Shakespeare's contact and relationships with the people known to have been close friends or acquaintances, revealing aspects of the poet's life by emphasizing ways in which his life was intertwined with theirs. Though it is difficult to get to know this most famous of playwrights, through this work readers can gain insight into aspects of his life and personality that may otherwise have been hidden. Shakespeare, more than any other writer in the western world, based much of his work on the consequences of friendship. Given the value placed on friends in his writing, many readers have wondered about the role friendship played in his own life. This work gives readers the chance to learn more about Shakespeare's friends, who they were and what they can tell us about Shakespeare and his times. For instance, Richard Field was a boyhood friend with whom Shakespeare went to school in

Stratford. Field became a well-known London printer. The details of Field's life illuminate both the details of Shakespeare's boyhood education and the poet's relationship with the printing, publishing, and book-selling world in London. Francis Collins, a lawyer who represented Shakespeare in a number of legal dealings, drafted both versions of Shakespeare's will. This life-long friend was one of the last men eve to see Shakespeare pick up a pen to write. Through these vivid and animated sketches, readers will come to know about Shakespeare's life and times. While the book has a lively, accessible narrative tone within chapters, its organization and features make it highly useful to the school library market as well as the academic world. It contains cross references, a detailed Table of Contents and a highly organized structure with uniformity across sections and chapters. The writing is accessible and could be easily used by upper-level high school students looking to augment school assignments.
