**Glowing After the Darkness** Hannah Leasure,2016-04-12 This was supposed to be the happiest and most memorable time in a high school student's career. Who could have imagined I would suddenly succumb to one of the cruelest illnesses existing today? Through this deep and dark trial, I found the strength to rise above adversity and to defy the odds. I developed a closer walk with Christ and a desire to teach and to inspire those who are suffering in their own demise to somehow show them that they can also glow even after the darkness.

*The Glowing Stone* Edward Hall,2006-09 This story is told by an old man remembering the days of youth, and how one night he and a glowing blue stone came together, and his life was changed forever. He also tells us of how he meets Gwen, who would one day become his wife. This book is a combination of the real world, where children are limited, and a dream world, where they are unleashed to live any adventure they want by simply reading or looking at a book. The time setting for this book is somewhere during the Depression era. The storyas main action occurs in a make-believe Camelot with knights, damsels, and dragons. Gwen, Edward, and two of their friends become a team and face whatever comes their way. But with good dreams also come nightmares, via the dark stones. (Though in the telling, the violence is kept to a minimum and no dragon is actually harmed.)
