Jack of Hearts (And Other Parts) L. C. Rosen, 2018-10-30 Couldn't get enough of Love, Simon or The Gentleman's Guide to Vice and Virtue? This is the (slightly NSFW) book for you! ----- 'My first time getting it in the butt was kind of weird. I think it's going to be weird for everyone's first time, though.' Meet Jack Rothman. He's seventeen and loves partying, makeup and boys - sometimes all at the same time. His sex life makes him the hot topic for the high school gossip machine. But who cares? Like Jack always says, 'it could be worse'. He doesn't actually expect that to come true. But after Jack starts writing an online sex advice column, the mysterious love letters he's been getting take a turn for the creepy. Jack's secret admirer knows everything: where he's hanging out, who he's sleeping with, who his mum is dating. They claim they love Jack, but not his unashamedly queer lifestyle. They need him to curb his sexuality, or they'll force him. As the pressure mounts, Jack must unmask his stalker before their obsession becomes genuinely dangerous...

heart imagery highlights how a universal symbol can be creatively interpreted and constantly reinvented. It captures the breadth of art and design imagery exploring the meaning and representation of hearts. Although the focus is on the contemporary, it also touches on the history of the symbol – from the Sacred Heart cult to the invention of the Valentine, from heart tattoos to pictograms. The Book of Hearts is an exploration of the meaning and representation of love and emotion through one of the most recognisable signs in the world.

Foolish Hearts Emma Mills, 2017-12-05 A contemporary novel about a girl whose high school production of *A Midsummer Night's Dream* leads her to new friends—and maybe even new love.

Alien Hearts Guy de Maupassant, 2011-06-08 *Alien Hearts* was the last book that Guy de Maupassant finished before his death at the early age of forty-three. It is the most original and psychologically penetrating of his several novels, and the one in which he attains a truly tragic perception of the wounded human heart. André Mariolle is a rich, handsome, gifted young man who cannot settle on what to do with himself. Madame de Burne, a glacially dazzling beauty, wants Mariolle to attend her exclusive salon for artists, composers, writers, and other intellectuals. At first Mariolle keeps his distance, but then he hits on the solution to all his problems: caring for nothing in particular, he will devote himself to being in love; Madame de Burne will be his everything. Soon lover and beloved are equally lost within

a hall of mirrors of their common devising. Richard Howard's new English translation of this complex and brooding novel—the first in more than a hundred years—reveals the final, unexpected flowering of a great French realist's art.

Sweet Hearts Jan Carr, 2003 A young girl celebrates Valentine's Day by making and hiding paper hearts around the house for her family to discover. Includes directions for making hearts and a brief history of Valentine's Day.

Serpentine Thomas Thompson, 2016-12-13 New York Times Bestseller: This in-depth account of Charles Sobhraj, the serial killer portrayed in Netflix miniseries *The Serpent*, is “compulsive reading” (*The Plain Dealer*). There was no pattern to the murders, no common thread other than the fact that the victims were all vacationers, robbed of their possessions and slain in seemingly random crimes. Authorities across three continents and a dozen nations had no idea they were all looking for same man: Charles Sobhraj, aka “The Serpent.” A handsome Frenchman of Vietnamese and Indian origin, Sobhraj targeted backpackers on the “hippie trail” between Europe and South Asia. A master of deception, he used his powerful intellect and considerable sex appeal to lure naïve travelers into a life of crime. When they threatened to turn on him, Sobhraj murdered his acolytes in cold blood. Between late 1975 and early 1976, a dozen corpses were found everywhere from the boulevards of Paris to the slopes of the Himalayas to the back alleys of Bangkok and Hong Kong. Some police experts believe the true number of Sobhraj's victims may be more than twice that amount. *Serpentine* is the “grotesque, baffling, and hypnotic” true story of one of the most bizarre killing sprees in modern history (*San Francisco Chronicle*). Edgar Award–winning author Thomas Thompson's mesmerizing portrait of a notorious

sociopath and his helpless prey “unravels like fiction, but afterwards haunts the reader like the document it is” (The Plain Dealer, Cleveland).

Our Missing Hearts Celeste Ng, 2022-10-04 An instant New York Times bestseller • A New York Times Notable Book of 2022 • Named a Best Book of 2022 by People, TIME Magazine, The Washington Post, USA Today, NPR, Los Angeles Times, and Oprah Daily, and more • A Reese's Book Club Pick • New York Times Paperback Row Selection From the #1 bestselling author of *Little Fires Everywhere*, comes the inspiring new novel about a mother's unshakeable love. "It's impossible not to be moved." —Stephen King, The New York Times Book Review "Riveting, tender, and timely." —People, Book of the Week "Thought-provoking, heart-wrenching . . . I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" —Reese Witherspoon (Reese's Book Club Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn't know what happened to her—only that her books have been banned—and he resents that she cared more about her

work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what the future holds for them both. Our Missing Hearts is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's about the lessons and legacies we pass on to our children, and the power of art to create change.

Black Hearts Jim Frederick, 2010-02-09 "Riveting. . . a testament to a misconceived war, and to the ease with which ordinary men, under certain conditions, can transform into monsters."—New York Times Book Review This is the story of a small group of soldiers from the 101st Airborne Division's fabled 502nd Infantry Regiment—a unit known as "the Black Heart Brigade." Deployed in late 2005 to Iraq's so-called Triangle of Death, a veritable meat grinder just south of Baghdad, the Black Hearts found themselves in arguably the country's most dangerous location at its most dangerous time. Hit by near-daily mortars, gunfire, and roadside bomb attacks, suffering from a particularly heavy death toll, and enduring a chronic breakdown in leadership, members of one Black Heart platoon—1st Platoon, Bravo Company, 1st Battalion—descended, over their year-long tour of duty, into a tailspin of poor discipline, substance abuse, and brutality. Four 1st Platoon soldiers would perpetrate one of the most heinous war crimes U.S. forces have committed during the Iraq War—the rape of a fourteen-year-old Iraqi girl and the cold-blooded execution of her and her family. Three other 1st Platoon soldiers would be overrun at a remote outpost—one killed immediately and two taken from the

scene, their mutilated corpses found days later booby-trapped with explosives. **Black Hearts** is an unflinching account of the epic, tragic deployment of 1st Platoon. Drawing on hundreds of hours of in-depth interviews with Black Heart soldiers and first-hand reporting from the Triangle of Death, **Black Hearts** is a timeless story about men in combat and the fragility of character in the savage crucible of warfare. But it is also a timely warning of new dangers emerging in the way American soldiers are led on the battlefields of the twenty-first century.

Hearts Unbroken Cynthia Leitich Smith, 2018-10-09 New York Times best-selling author Cynthia Leitich Smith turns to realistic

fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school — and first love. When Louise Wolfe's first real boyfriend mocks and disrespects Native people in front of her, she breaks things off and dumps him over e-mail. It's her senior year, anyway, and she'd rather spend her time with her family and friends and working on the school newspaper. The editors pair her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper's staff find themselves with a major story to cover: the school musical director's inclusive approach to casting *The Wizard of Oz* has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students — especially the cast members at the center of the controversy, including Lou's little brother, who's playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey — but as she's learned, “dating while Native” can be difficult. In trying to protect her own heart, will Lou break Joey's?

Paper Hearts Meg Wiviott, 2015-09-01 A forbidden gift helps two teenage girls find hope, friendship, and the will to live in this "beautifully told true story about brave young women who refused to be victims and walked out of Auschwitz with their heads unbowed" (School Library Journal). An act of defiance. A statement of hope. A crime punishable by death. Making a birthday card in Auschwitz was

all of those things. But that is what Zlatka did, in 1944, for her best friend, Fania. She stole and bartered for paper and scissors, secretly creating an origami heart. Then she passed it to every girl at the work tables to sign with their hopes and wishes for happiness, for love, and most of all—for freedom. Fania knew what that heart meant, for herself and all the other girls. And she kept it hidden, through the bitter days in the camp and through the death marches. She kept it always. This novel is based on the true story of Fania and Zlatka, the story of the bond that helped them both to hope for the best in the face of the worst. Their heart is one of the few objects created in Auschwitz, and can be seen today in the Montreal Holocaust Memorial Centre.
