Ellis Bacon, Lionel Birnie

The Cycling Anthology Ellis Bacon, Lionel Birnie, 2014-06-05 Professional cycling is a rich, dynamic and often controversial sport that lends itself to great writing. Some of the most famous and illustrious races were founded by newspapermen and The Cycling Anthology continues this tradition by bringing together the best in the business. Volume Two is a Tour de France special edition and features original and exclusive pieces by leading cycling writers. ITV reporter Ned Boulting looks at how the Tour made it to our living rooms and into our hearts; pro rider Daniel Lloyd lifts the lid on actually riding a Tour in 'A Domestique's Tale'; Jeremy Whittle examines why, despite drug scandal and infamy, the Tour still intoxicates us; and many more. Between them, they've covered hundreds of Tours de France and written dozens of excellent books and some have even ridden the Tour. Here, their work is showcased together.

All accompanied by links to other resources and available free information. Good luck exploring! Lots of love, hugs, ArcDreamer <3

Inclusive Judaism Jonathan Romain, David Mitchell, 2020-01-21 One of the best-kept religious secrets has been the revolution that has been quietly taking place within Judaism over the last two decades, as it has sought to grapple with contemporary issues. These include mixed-faith marriages, gay relationships, women's empowerment, declining numbers, atheism and being trans. It has involved a willingness to abandon biblical laws that conflict with modern values. Most ground-breaking of all, it has meant re-defining what it means to be Jewish in the 21st century. Inclusive Judaism not only uncovers this religion revolution, but presents a challenge to all people of faith on how best to marry tradition and modernity. The book also reflects the soul-searching that has prompted rabbis to chart a new course, both out of principle and as a practical way of rescuing British Jewry from possible collapse if it did not adapt to the new social trends that affect us all.

Harmonicas, Harps and Heavy Breathers Kim Field, 2000-02-16 The harmonica is one of the most important, yet overlooked, instruments in music. This definitive volume celebrates the history of the world's most popular musical device, its impact on various forms of music, folk, country, blues, rock, jazz and classical music. Rebels Aris Roussinos, 2014-07-17 A 21st century take on Dispatches, award-winning VICE News journalist Aris Roussinos tells the real stories behind life in a rebel army. The hidden truth about war is how much fun it is. However they begin, whatever their aims, wars are fought by young men. They fight in burned-out buildings and shelter under thorn trees. They eat their meagre rations, and starve for days cut off from supply lines. They smoke forty cigarettes a day and ride to war stoned, listening to Craig David. But the bombs and bullets are terrifyingly real, and the guys they're killing aren't always faceless enemies: sometimes they're friends. For the last three years, award-winning journalist Aris Roussinos embedded himself with rebel groups across the world. Part travelogue from the world's most dangerous hotspots, part eyewitness testimony to recent, bloody history, this is one man's uncensored, unflinching account of living with the enemy.

A Young Man's Passage Julian Clary, 2011-10-31 This is Julian Clary's story, in his own words - the tale of an awkward schoolboy who became a huge worldwide success on stage and screen. After a sheltered suburban upbringing, Julian was sent to St Benedict's, where beatings from 'holy' men gave him some brutal life lessons, and other 'unholy' boys his first awakenings of sexuality. He had just one true friend and ally, Nick - to his other school peers, Julian's aloof demeanour made him an enigma or simply a figure of ridicule. In school he was just another pained adolescent, but inside Julian was a new Jean Genet or Quentin Crisp bursting to get out. Leaving St Benedict's thankfully behind him, Julian went on to college where he found his true vocation as an entertainer with a peculiar comic brand of smut and glamour. At the same time, he was finding as much sex as he could, sometimes with remarkably less-than-glamorous characters. Periods in community theatre and the singing telegram industry followed before Julian hit the big time with cabaret co-star Fanny the Wonder Dog as The Joan Collins Fan Club. Soon, the world was his oyster. But fame came at a price, as Julian struggled not only with the reality of being a high-profile gay man in the 1980s but also the pain of losing his lover to terminal illness. Far more than just another celebrity autobiography or 'funny book', this is a touching, beautifully written and wryly witty account of a unique progression from shy child to comedy icon.

Cream Teas, Traffic Jams and Sunburn Brian Viner, 2011-05-26 The British on holiday: how can four simple words evoke so many vivid images, images of raw sunburn and relentless rain, of John Bull's Pub (in Lanzarote) and Antonio's Tapas Bar (in Torquay), of endless queues to get through security at Manchester Airport, or Gatwick, or Glasgow, or Luton, and endless tailbacks on the M5, or M6, or M25, but also images of carefree splashing in Portuguese swimming-pools and lazy lunches in the Provencal sun? In this funny, acutely observed and engaging social history, Brian Viner celebrates the holidaying British, with their quirks and their quinine tablets, and their blithe assumption that the elderly man selling oranges at the roadside in Corfu, so photogenic with his walnut face and three teeth, must surely understand just a few, uncomplicated English sentences. He examines the fortnight-long cruise at one end of the holiday spectrum, and a day's rambling in the Lake District at the other. He looks at how the holidaying British evolved into the big-spending, many-headed beast we know today, by recalling not only the holidays that we took as children, but the holidays our grandparents, and their grandparents, took. It is a story that connects Blackpool with Barcelona, Mauritius with Margate. It is a story, indeed, that connects us all.

Gutted Rikki Beadle-Blair, 2013-04-25 Gutted is a fast-paced, powerful new play by Rikki Beadle-Blair. Set in South East London, this is a story about love, family and sordid secrets told through the eyes of four brothers. When the eldest brother comes out of rehab he embarks on a truth-telling mission and triggers an unstoppable family meltdown. In an explosive 24 hours, years of denial are uncovered and life will never be the same again. A thought-provoking and complex drama, Gutted reveals Beadle-Blair at his best. This is daring, shocking and intensely emotional work infused with warmth and humour.
