

Lock)

John Scalzi

The Midnight Lock Jeffery Deaver,2022-10-25 The master of ticking-bomb suspense (People) Jeffery Deaver delivers the latest thriller featuring his beloved protagonists Lincoln Rhyme and Amelia Sachs as they search for a criminal whose fascination with breaking locks terrorizes New York City. A woman awakes in the morning to find that someone has picked her apartment's supposedly impregnable door lock and rearranged personal items, even sitting beside her while she slept. The intrusion, the police learn, is a message to the entire city of carnage to come. Lincoln Rhyme and Amelia Sachs are brought in to investigate and soon learn that the sociopathic intruder, who calls himself the Locksmith," can break through any lock or security system ever devised. With more victims on the horizon, Rhyme, Sachs and their stable of associates must follow the evidence to the man's lair... and discover his true mission. Their hunt is interrupted when an internal investigation in the police force uncovers what seems to be a crucial mistake in one of Rhyme's previous cases. He's fired as a consultant for the NYPD and must risk jail if he investigates the Locksmith case in secret. The Midnight Lock is a roller-coaster read that takes place over just a few days' time, features surprise after surprise and offers a fascinating look at the esoteric world of lockpicking.

Lockdown Sean Black,2019-06-17 An explosive, race-against-time thriller and the first in the action-packed Ryan Lock series. Christmas Eve in New York, but for ex-military bodyguard Ryan Lock it's business as usual. His task: to protect the head of one of America's most powerful corporations. But when a bloody massacre leaves bodies littering the streets of midtown Manhattan, Lock's hunt for the killers turns into an explosive game of cat and mouse. Hold on tight - this one burns like a lit fuse - Gregg Hurwitz, Internationally Bestselling Author of Orphan X An impressive debut novel featuring one of the finest female villains since Ian Fleming's Rosa Klebb...this is a writer, and a hero, to watch - The Daily Mail Sean Black writes with the pace of Lee Child, and the heart of Harlan Coben. Lockdown is a sure-fire winner - Joseph Finder, New York Times Bestselling Author of Buried Secrets Funny, tough, and furiously paced, Lockdown explodes off the page - Jesse Kellerman Supremely slick...An excellent first novel - The Daily Telegraph Other readers of Sean Black's books enjoyed books by: Marc Cameron, Jack Mars, Vince Flynn, Brad Thor, James Patterson, Mark Dawson, Lee Child, Nelson DeMille, Meg Gardiner, David Baldacci, John Sandford, Harlan Coben, Robert Crais, Mark Greaney, Gregg Hurwitz, Simon Kernick, Joseph Finder, David Antoci, Robert Swartwood, Bob Mayer, John Gilstrap, Tom Clancy, Leo J. Maloney, Wilbur Smith, Will Jordan, Stephen Leather, Chris Ryan, Ben Coes, Andrew Gross, Maxine Paetro, Chris Carter and anyone who enjoys an action-packed crime thriller.

High-Security Mechanical Locks Graham Pulford,2007-10-17 High-Security Mechanical Locks comprehensively surveys and explains the highly technical area of high security locks in a way that is accessible to a wide audience. Well over 100 different locks are presented, organized into 6 basic types. Each chapter introduces the necessary concepts in a historical perspective and further categorizes the locks. This is followed by detailed 'how it works' descriptions with many pictures, diagrams and references. The descriptions are based on actual dissections of the real locks. The scope is limited to key operated mechanical locks, thus keyless combination locks and digital locks are not covered. The book does not deal with routine locksmithing topics such as installation and servicing of locks. The sensitive area of picking and bypassing of locks is dealt with only at a high level without giving detailed information that would be unacceptable in the wrong hands. * Comprehensive coverage of over 100 different types of 19th and 20th century key-operated locks, unified in a simple classification scheme * Detailed operating principles - clear 'how it works' descriptions * Manipulation resistance rating for each lock on a scale of 1 to 5

Take the Key and Lock Her Up (Embassy Row, Book 3) Ally Carter,2016-12-27 New York Times bestselling author Ally Carter returns with the third entry in this runaway series. For the past three years, Grace Blakely has been desperate to find out the truth about her mother's murder. She thought it would bring her peace. She thought it would lead her to answers. She thought she could put the past to rest. But the truth has only made her a target. And the past? The only way to put the past to rest is for Grace to kill it once and for all.

The Lock In Series John Scalzi,2019-02-12 This discounted ebundle of the Lock In Series: includes: Lock In, Head On, Unlocked This is the kind of thriller that Michael Crichton, Lincoln Child, and James Rollins do so well. Add John Scalzi to that list. --Douglas Preston A blazingly inventive near-future thriller series from the best-selling, Hugo Award-winning John Scalzi. Not too long from today, a new, highly contagious virus makes its way across the globe. Most who get sick experience nothing worse than flu, fever and headaches. But for the unlucky one percent -- and nearly five million souls in the United States alone -- the disease causes Lock In: Victims fully awake and aware, but unable to move or respond to stimulus. The disease affects young, old, rich, poor, people of every color and creed. The world changes to meet the challenge. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Brain Lock Jeffrey M. Schwartz,2016-12-06 The definitive classic that has helped more than 400,000 people defeat obsessive-compulsive behavior, with all-new material from the author An estimated 5 million Americans suffer from obsessive-compulsive disorder (OCD) and live diminished lives in which they are compelled to obsess about something or to repeat a similar task over and over. Traditionally, OCD has been treated with Prozac or similar drugs. The problem with medication, aside from its cost, is that 30 percent of people treated don't respond to it, and when the pills stop, the symptoms invariably return. In Brain Lock, Jeffrey M. Schwartz, M.D., presents a simple four-step method for overcoming OCD that is so effective, it's now used in academic treatment centers throughout the world. Proven by brain-imaging tests to actually alter the brain's chemistry, this method doesn't rely on psychopharmaceuticals. Instead, patients use cognitive self-therapy and behavior modification to develop new patterns of response to their obsessions. In essence, they use the mind to fix the brain. Using the real-life stories of actual patients, Brain Lock explains this revolutionary method and provides readers with the inspiration and tools to free themselves from their psychic prisons and regain control of their lives.

Lock In John Scalzi,2014-08-26 A blazingly inventive near-future thriller from the best-selling, Hugo Award-winning John Scalzi. Not too long from today, a new, highly contagious virus makes its way across the globe. Most who get sick experience nothing worse than flu, fever and headaches. But for the unlucky one percent - and nearly five million souls in the United States alone - the disease causes Lock In: Victims fully awake and aware, but unable to move or respond to stimulus. The disease affects young, old, rich, poor, people of every color and creed. The world changes to meet the challenge. A quarter of a century later, in a world shaped by what's now known as Haden's syndrome, rookie FBI agent Chris Shane is paired with veteran agent Leslie Vann. The two of them are assigned what appears to be a Haden-related murder at the Watergate Hotel, with a suspect who is an integrator - someone who can let the locked in borrow their bodies for a time. If the Integrator was carrying a Haden client, then naming the suspect for the murder becomes that much more complicated. But complicated doesn't begin to describe it. As Shane and Vann began to unravel the threads of the murder, it becomes clear that the real mystery - and the real crime - is bigger than anyone could have imagined. The world of the locked in is changing, and with the change comes opportunities that the ambitious will seize at any cost. The investigation that began as a murder case takes Shane and Vann from the halls of corporate power to the virtual spaces of the locked in, and to the very heart of an emerging, surprising new human culture. It's nothing you could have expected. Other Tor Books Lock In: Lock In / Head On Old Man's War: Old Man's War / The Ghost Brigades / The Last Colony / Zoe's Tale / The Human Division / The End of All Things The Interdependency: The Collapsing Empire / The Consuming Fire / The Last Emperox The Android's Dream Agent to the Stars Your Hate Mail Will Be Graded Fuzzy Nation Redshirts At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Unlocked John Scalzi,2014-05-07 Discover the history of Haden's Syndrome, the virus that created the world of John Scalzi's inventive near-future thrillers Lock In and Head On, in the prequel novella Unlocked. Not long from now, a virus will sweep the globe. Most will suffer no worse than flu-like symptoms, but an unlucky one percent will be changed forever. Hundreds of millions become locked in, awake, aware, but completely unable to control their bodies. This is the story of the doctors, scientists, engineers, politicians, and heroes who remade the world. It is the story of the chaotic outbreak, the fight for a cure, the changes that followed. It is an oral history, straight from the mouths of those who survived the most dynamic period in human history. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Key-Lock Man (Louis L'Amour Lost Treasures) Louis L'Amour,2021-09-28 The classic Western, now newly repackaged as part of Bantam's Louis L'Amour's Lost Treasures program—with never-before-seen material from Louis and his son, Beau L'Amour. He had led the posse for miles through the desert, but now Matt Keelock was growing desperate. He was worried about Kristina. His trip to the town of Freedom for supplies had ended in a shootout. If caught he would hang. Even though Kris could handle a horse and rifle as well as most men, the possibility of Oskar Neerland's finding her made Matt's blood run cold. He knew the violent and obsessive Neerland, publicly embarrassed when Matt had stepped in and stolen Kris away, would try to kill them both if given half a chance. Matt tried to convince himself that Neerland had returned to the East. But Matt was wrong. Miles away in the town of Freedom, Oskar Neerland was accepting a new job. In his first duty as marshal, he would lead the posse that was tracking down Matt Keelock. Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L'Amour's Lost Treasures: Volume 1 and Volume 2, Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L'Amour's never-before-seen first novel, No Traveller Returns, faithfully completed for this program, is a voyage into danger and violence on the high seas. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.

Lock Every Door Riley Sager,2024-01-02 INSTANT NEW YORK TIMES BESTSELLER “Looking for a suspense novel that will keep you up until way past midnight? Look no further than Lock Every Door, by Riley Sager.”—Stephen King No visitors. No nights spent away from the apartment. No disturbing the other residents, all of whom are rich or famous or both. These are the only rules for Jules Larsen's new job as an apartment sitter at the Bartholomew, one of Manhattan's most high-profile and mysterious buildings. Recently heartbroken and just plain broke, Jules is taken in by the splendor of her surroundings and accepts the terms, ready to leave her past life behind. As she gets to know the residents and staff of the Bartholomew, Jules finds herself drawn to fellow apartment sitter Ingrid, who comfortingly reminds her of the sister she lost eight years ago. When Ingrid confides that the Bartholomew is not what it seems and the dark history hidden beneath its gleaming facade is starting to frighten her, Jules brushes it off as a harmless ghost story...until the next day, when Ingrid disappears. Searching for the truth about Ingrid's disappearance, Jules digs deeper into the Bartholomew's sordid past and into the secrets kept within its walls. What she discovers pits Jules against the clock as she races to unmask a killer, expose the building's hidden past, and escape the Bartholomew before her temporary status becomes permanent.

Head On John Scalzi,2018-04-17 As much as Scalzi has the scientific creativity of a Michael Crichton, he also has the procedural chops of a Stephen J. Canell to craft a whodunit with buddy-cop charm and suspects aplenty—most of them in someone else's body. —USA Today John Scalzi returns with Head On, the standalone follow-up to the New York Times bestselling and critically acclaimed Lock In. Chilling near-future SF with the thrills of a gritty cop procedural, Head On brings Scalzi's trademark snappy dialogue and technological speculation to the future world of sports. Hilketa is a frenetic and violent pastime where players attack each other with swords and hammers. The main goal of the game: obtain your opponent's head and carry it through the goalposts. With flesh and bone bodies, a sport like this would be impossible. But all the players are “threeps,” robot-like bodies controlled by people with Haden's Syndrome, so anything goes. No one gets hurt, but the brutality is real and the crowds love it. Until a star athlete drops dead on the playing field. Is it an accident or murder? FBI Agents and Haden-related crime investigators, Chris Shane and Leslie Vann, are called in to uncover the truth—and in doing so travel to the darker side of the fast-growing sport of Hilketa, where fortunes are made or lost, and where players and owners do whatever it takes to win, on and off the field. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lean Lock Brian Tennyson,2021-07-12 Like many golfers, former PGA Tour Pro Brian Tennyson spent years frustrated with inconsistent putting while trying every new putting method that came along. Exasperated, he set out to understand once and for all what needed to happen for a putt to roll true. That understanding led him to invent a new putter and a new way to putt. In this entertaining and heavily illustrated book, Tennyson shares his secrets and provides a step-by-step guide to learning his game-changing LEAN LOCK putting method that makes striking pure putts simple and easy. This transformative book also outlines the key things every golfer must do to strike pure putts, and includes practice drills, common errors and quick tips that will help any golfer improve and keep their putting on track quickly and easily.
