When Populism Meets Nationalism Alberto Martinelli,2019-03-27 In Europe and beyond, today populism is alive and kicking. Over the past few years, anti-establishment parties have made substantial strides. Some of them have reached the levers of governments, while others are consolidating their gains. Being a “thin” ideology, populism is being contaminated by nationalism. This book offers a number of case studies on those countries whose governments have been labelled “national-populist”. Ranging from Italy to the United States, from the Visegrad countries to Turkey, Russia, and Latin America, this Report aims to single out what all these cases have in common, but also what sets them apart from each other.

Where River Meets Sea Lynne Turner,Dieter Tracey,Jan Tilden,William C. Dennison,2006-03-17 Estuaries are dynamic coastal waterways where salt and fresh water mix. *Where River Meets Sea* describes the value and status of Australia's 974 estuaries and takes readers on a state-by-state tour describing the health, geography, science, management and ecological functions of these unique coastal waterways. It includes profiles of people and their relationships with estuaries. The book's many photographs, maps, case studies and diagrams will help Australians to better understand, appreciate and wisely use these natural areas. Chapters on natural history, coastal science and management give an understanding of our vast network of pristine and heavily modified estuaries – from isolated tide-dominated estuaries in Australia's tropical north to those shaped by waves in southern, temperate waters. Other chapters show how people use and value coastal catchments and waterways, the impacts of human development on natural ecosystems, and how estuaries can be better managed in future. *Where River Meets Sea* aims to provide Australians with a deeper appreciation of our coastal waterways that are both vital for our economy and precious to our quality of life. This is a re-issued version of the original work published by the CRC for Coastal Zone Estuary and Waterway Management in 2004,

STEAM Meets Story Gloria D. Campbell-Whately, Diane Rodriguez, Jugnu Agrawal, 2021-06-11 This innovative STEAM guide will help general and special education teachers to increase effective instruction with adolescents (grades 5-10). The authors show teachers how to link STEM concepts with popular fiction and film selections as a catalyst to launch student interactions, discussions, projects, and investigations. This approach will promote problem solving and reasoning skills by initiating the scientific process, rather than simply presenting established facts. The book includes a wealth of lesson plans that connect abstract STEM ideas to realistic experiences that students encounter. Sample lessons call on students to produce drawings and models that move STEM to STEAM. Grounded in popular film and some of the most-read young adult books, the text includes teaching strategies found to be effective with traditionally underserved students and those with disabilities. Book Features: Standards-based STEM lessons interrelated and

interwoven with writing, reading, speaking, and other skills. Practical ideas and hands-on activities for engaging adolescents in both traditional and virtual environments. Guidance for working with diverse populations, such as students with different abilities, culturally and linguistically diverse students, translingual students, and transnational students. Templates, handouts, and lessons linked to Star Wars, The Giver, The Immortal Life of Henrietta Lacks, Harry Potter, To Kill a Mockingbird, Star Trek, The Matrix, Holes, and more.

Meet Me at the Summit Mandi Lynn,2021-08-31 For most 19-year-olds, a cross-country trip is an offer you can't refuse, but for Marly, it's the last thing she wants after losing both her parents in a car accident. Nine months after their death, Marly would rather stay home working the retail job she hates, than deal with her loss. It isn't until family and friends corner her into driving her mom's renovated 1978 VW bus from Washington to New Hampshire that Marly is forced to face her grief and understand the guilt she feels over her parents' death. Skeptical, Marly goes on the trip, warily exploring the life her parents knew she always wanted-hiking mountains and living out her photography dreams. On the way, she'll discover places and people who'll test her emotions and a guy who pushes at the walls she's so carefully built around herself. Marly must decide: can she face her deepest wounds and reclaim the life she thought was gone forever? *Meet Me at the Summit* is an intimate tale of grief, finding yourself after deep loss, and coming to terms with how life changes when you least expect it. It follows Marly as she both runs from and towards the emotions she has long held back regarding her parents' death. A deep, insightful look into the coming-of-age theme through a heart-breaking narrative.

When Sun Meets Moon Scott Kugle,2016-05-02 The two Muslim poets featured in Scott Kugle's comparative study lived separate lives during the eighteenth and early-nineteenth centuries in the Deccan region of southern India. Here, they meet in the realm of literary imagination, illuminating the complexity of gender, sexuality, and religious practice in South Asian Islamic culture. Shah Siraj Awrangabadi (1715-1763), known as Sun, was a Sunni who, after a youthful homosexual love affair, gave up sexual relationships to follow a path of personal holiness. Mah Laqa Bai Chanda (1768-1820), known as Moon, was a Shi'i and courtesan dancer who transferred her seduction of men to the pursuit of mystical love. Both were poets in the Urdu language of the ghazal, or love lyric, often fusing a spiritual quest with erotic imagery. Kugle argues that Sun and Moon expressed through their poetry exceptions to the general rules of heteronormativity and gender inequality common in their patriarchal societies. Their art provides a lens for a more subtle understanding of both the reach and the limitations of gender roles in Islamic and South Asian culture and underscores how the arts of poetry, music, and dance are integral to Islamic religious life. Integrated throughout are Kugle's translations of Urdu and Persian poetry previously unavailable in English.

The Next Person You Meet in Heaven Mitch Albom,2018-10-09 In this enchanting sequel to the #1 bestseller *The Five People You Meet in Heaven*, Mitch Albom tells the story of Eddie's heavenly reunion with Annie—the little girl he saved on earth—in an unforgettable novel of how our lives and losses intersect. In Mitch Albom's beloved novel, *The Five People You Meet in Heaven*, the world fell in love with Eddie, a grizzled war veteran-turned-amusement park mechanic who died saving the life of a young girl named Annie. Eddie's journey to heaven taught him that every life matters. Now, in this magical sequel, Albom reveals Annie's story. The accident that killed Eddie left an indelible mark on Annie. It took her left hand, which needed to be surgically reattached. Injured, scarred, and unable to remember why, Annie's life is forever changed by a guilt-ravaged mother who whisks her away from the world she knew. Bullied by her peers and haunted by something she cannot recall, Annie struggles to find acceptance as she grows. When, as a young woman, she reconnects with Paulo, her childhood love, she believes she has finally found happiness. As the novel opens, Annie is marrying

Paulo. But when her wedding night day ends in an unimaginable accident, Annie finds herself on her own heavenly journey—and an inevitable reunion with Eddie, one of the five people who will show her how her life mattered in ways she could not have fathomed. Poignant and beautiful, filled with unexpected twists, *The Next Person You Meet in Heaven* reminds us that not only does every life matter, but that every ending is also a beginning—we only need to open our eyes to see it.
