Andrés Manuel López Obrador

*A Brief History of Mexico* Lynn V. Foster,2009 Praise for the previous editions: ...well researched...concise...interesting....--American Reference Books Annual

Mexico and the Spanish Conquest Ross Hassig,2014-08-04 What role did indigenous peoples play in the Spanish conquest of Mexico? Ross Hassig explores this question in Mexico and the Spanish Conquest by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire, the culture and politics of Mesoamerica, and the military dynamics of both sides. He analyzes the weapons, tactics, and strategies employed by both the Indians and the Spaniards, and concludes that the conquest was less a Spanish victory than it was a victory of Indians over other Indians, which the Spaniards were able to exploit to their own advantage. In this second edition of his classic work, Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cortés, Moteuczoma, and other key figures. He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies.

**Notes on Mexico, Made in the Autumn of 1822** Joel Roberts Poinsett,1825

Off We Go to Mexico! Laurie Krebs,2006 We swim in turquoise water and build castles on the beach. We climb up rocks or watch from docks, To see the gray whales breach.

**Mexico** Barbara Saffer,2001-07 An introduction to the geography, history, economy, culture, and people of Mexico.

*Two Nations Indivisible* Shannon O'Neil,Shannon Kathleen O'Neil,2013-05-09 Examines the political, economic, and social transformation Mexico has undergone in recent decades, and argues that the United States' antagonistic policy toward the nation is doing more harm than good.

*Mexico of the Mexicans* Lewis Spence,1917

**Area Handbook for Mexico** Thomas E. Weil,1975

**Mexico in World History** William H. Beezley,2011-04-15 Drawing on materials ranging from archaeological findings to recent studies of migration issues and drug violence, William H. Beezley provides a dramatic narrative of human events as he recounts the story of Mexico in the context of world history. Beginning with the Mayan and Aztec civilizations and their brutal defeat at the hands of the Conquistadors, Beezley highlights the penetrating effect of Spain's three-hundred-year colonial rule, during which Mexico became a multicultural society marked by Roman Catholicism and the Spanish language. Independence, he shows, was likewise marked by foreign invasions and huge territorial losses, this time at the hands of the United States, who annexed a vast land mass--including the states of Texas, New Mexico, and California--and remained a powerful presence along the border. The 1910 revolution propelled land, educational, and public health reforms, but later governments turned to authoritarian rule, personal profits, and marginalization of rural, indigenous, and poor Mexicans. Throughout this eventful chronicle, Beezley highlights the people and international forces that shaped Mexico's rich and tumultuous history.

Lonely Planet Mexico Lonely Planet,Brendan Sainsbury,Kate Armstrong,Ray Bartlett,Celeste Brash,Stuart Butler,Steve Fallon,John Hecht,Anna Kaminski,Tom Masters,2018-09-01 Lonely Planet: The world's number one travel guide publisher\* Lonely Planet's Mexico is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. **CDC Yellow Book 2018: Health Information for International Travel** Centers for Disease Control and Prevention CDC,2017-04-17 THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018 As unprecedented numbers of travelers cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the CDC Yellow Book 2018: Health Information for International Travel is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.

The Human Tradition in Mexico Jeffrey M. Pilcher,2003 Table of contents

**Mexico and Mexicans in the Making of the United States** John Tutino,2012-05-15 Mexico and Mexicans have been involved in every aspect of making the United States from colonial times

until the present. Yet our shared history is a largely untold story, eclipsed by headlines about illegal immigration and the drug war. Placing Mexicans and Mexico in the center of American history, this volume elucidates how economic, social, and cultural legacies grounded in colonial New Spain shaped both Mexico and the United States, as well as how Mexican Americans have constructively participated in North American ways of production, politics, social relations, and cultural understandings. Combining historical, sociological, and cultural perspectives, the contributors to this volume explore the following topics: the Hispanic foundations of North American capitalism; indigenous peoples' actions and adaptations to living between Mexico and the United States; U.S. literary constructions of a Mexican "other" during the U.S.-Mexican War and the Civil War; the Mexican cotton trade, which helped sustain the Confederacy during the Civil War; the transformation of the Arizona borderlands from a multiethnic Mexican frontier into an industrializing place of "whites" and "Mexicans"; the early-twentieth-century roles of indigenous Mexicans in organizing to demand rights for all workers; the rise of Mexican Americans to claim middle-class lives during and after World War II; and the persistence of a Mexican tradition of racial/ethnic mixing—mestizaje—as an alternative to the racial polarities so long at the center of American life.

**Iconic Mexico [2 volumes]** Eric Zolov, 2015-08-26 Going far beyond basic historical information, this two-volume work examines the deep roots of Mexican culture and their meaning to modern Mexico. In this book, readers will find rich, in-depth treatments by renowned as well as up-and-coming scholars on the most iconic people, places, social movements, and cultural manifestations—including food, dress, film, and music—that have given shape and meaning to modern Mexico and its people. Presenting authoritative information written by scholars in a format that is easily accessible to general audiences, this book serves as a useful and thorough reference tool for all readers. This work combines extensive historical treatment accompanied by illuminating and fresh analysis that will appeal to readers of all levels, from those just exploring the concept of Mexico to those already familiar with Mexico and Latin America. Each entry functions as a portal into Mexican history, culture, and politics, while also showing how cultural phenomena have transformed over the years and continue to resonate into today.

**A New Hope for Mexico** Andrés Manuel López Obrador, 2018 The newly elected left-wing President sets out his programme for a new Mexico.

**Two Nations Indivisible** Shannon K. O'Neil, 2013-04-01 Five freshly decapitated human heads are thrown onto a crowded dance floor in western Mexico. A Mexican drug cartel dismembers the body of a rival and then stitches his face onto a soccer ball. These are the sorts of grisly tales that dominate the media, infiltrate movies and TV shows, and ultimately shape Americans' perception of Mexico as a dangerous and scary place, overrun by brutal drug lords. Without a doubt, the drug war is real. In the last six years, over 60,000 people have been murdered in narco-related crimes. But, there is far more to Mexico's story than this gruesome narrative would suggest. While thugs have been grabbing the headlines, Mexico has undergone an unprecedented and under-publicized political, economic, and social transformation. In her groundbreaking book, *Two Nations Indivisible*, Shannon K. O'Neil argues that the United States is making a grave mistake by focusing on the politics of antagonism toward Mexico. Rather, we should wake up to the revolution of prosperity now unfolding there. The news that isn't being reported is that, over the last decade, Mexico has become a real democracy, providing its citizens a greater voice and opportunities to succeed on their own side of the border. Armed with higher levels of education, upwardly-mobile men and women have been working their way out of poverty, building the largest, most stable middle class in Mexico's history. This is the Mexico Americans need to get to know. Now more than ever, the two countries are indivisible. It is past time for the U.S. to forge a new relationship with its southern neighbor. Because in no uncertain terms, our future depends on it.

*The Mexico Reader* Gilbert M. Joseph, Timothy J. Henderson, 2022-08-29 The Mexico Reader is a vivid and comprehensive guide to muchos Méxicos—the many varied histories and cultures of Mexico. Unparalleled in scope, it covers pre-Columbian times to the present, from the extraordinary power and influence of the Roman Catholic Church to Mexico's uneven postrevolutionary modernization, from chronic economic and political instability to its rich cultural heritage. Bringing together over eighty selections that include poetry, folklore, photo essays, songs, political cartoons, memoirs, journalism, and scholarly writing, this volume highlights the voices of everyday Mexicans—indigenous peoples, artists, soldiers, priests, peasants, and workers. It also includes pieces by politicians and foreign diplomats; by literary giants Octavio Paz, Gloria Anzaldúa, and Carlos Fuentes; and by and about revolutionary leaders Pancho Villa and Emiliano Zapata. This revised and updated edition features new selections that address twenty-first-century developments, including the rise of narcopolitics, the economic and personal costs of the United States' mass deportation programs, the political activism of indigenous healers and manufacturing workers, and the impact of the COVID-19 pandemic. The Mexico Reader is an essential resource for travelers, students, and experts alike.

**Fresh Mexico** Marcela Valladolid, 2010-10-13 In her vivacious, fresh voice, Marcela Valladolid invigorates America's taste for real Mexican food—dishes that can be accomplished on any busy weeknight but that still express the authentic flavors of her native cuisine. Growing up in Mexico, Marcela Valladolid rejoiced in the complex moles, dozens of different chiles, and homemade tortillas that graced her family's dinner table. Going to school across the border in San Diego, and later to cooking school in Paris, she found plenty to love in the markets, quickly folding new ingredients into her repertoire. But she also encountered some curious foods masquerading as authentic Mexican: cheddar cheese—stuffed quesadillas, tortilla chips drowning in still more cheese, and the ubiquitous everything-but-the-kitchen-sink overstuffed burritos. Where were the authentic, easy-to-prepare Mexican recipes she grew up with? The brightly flavored seafood ceviches bursting with freshness? The simple, slender burritos filled with nothing more than intensely flavorful braised meat and blistered chiles? The healthy salsas that come together in minutes but can transform a meal? In *Fresh Mexico*, Marcela brings these dishes to life. Her food is much like her, Mexican but influenced by other cultures. You'll find recipes for Tilapia Ceviche; Butternut Squash—Chipotle Bisque; Roasted Pork Loin with Pineapple Glaze; Ancho-Chocolate Braised Short Ribs; and Fresh Guava Layer Cake. Inspired ideas, helpful cooking techniques, and ingredient substitutions make this the most accessible, appealing, and contemporary Mexican cookbook you'll find today. In addition, fast recipes and dishes that are low in fat are called out with easy-to-find symbols. With more than a hundred delicious recipes and beautiful color photography throughout, *Fresh Mexico* introduces a new generation of Americans to the vibrant flavors of modern Mexico.

**Historical Dictionary of Mexico** Marvin Alisky, 2008 Mexico's struggle to become an independent country is chronicled in this second edition of *Historical Dictionary of Mexico*. Marvin Alisky covers the history of Mexico from the great Indian civilizations to the controversial election of Felipe Calderon in 2006 through a detailed chronology, and introduction, a map, a bibliography, and hundreds of cross-referenced dictionary entries on significant people, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.--BOOK JACKET.

**Mexico in Verse** Stephen Neufeld, Michael Matthews, 2015-03-26 *Mexico in Verse*, edited by Stephen Neufeld and Michael Matthews, examines Mexican history through its poetry and music, the spoken and the written word. The book provides a window to the beliefs and aspirations of ordinary people, fresh and vigorous and honest, in Mexico during a period of dynamic and turbulent change.

In some sort of eaten by monitors and the ceaseless chatter of instantaneous transmission, the melodic beauty and emotional symphony developed by the published term usually disappear into the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. But, located within the pages of **Mexico** a charming fictional prize brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that interesting masterpiece conducts visitors on an emotional trip, skillfully unraveling the concealed songs and profound affect resonating within each cautiously constructed phrase. Within the depths with this emotional assessment, we shall investigate the book is central harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
