

# Mine

Ruth Heller

**Mine!** Michael A. Heller, James Salzman, 2021-03-02 "Mine" is one of the first words babies learn, and by the time we grow up, the idea of ownership seems natural, whether we are buying a cup of coffee or a house. But who controls the space behind your airplane seat: you, reclining, or the squished laptop user behind you? Why is plagiarism wrong, but it's okay to knock off a recipe or a dress design? And after a snowstorm, why does a chair in the street hold your parking space in Chicago, while in New York you lose both the space and the chair? In *Mine!*, Michael Heller and James Salzman, two of the world's leading authorities on ownership, explain these puzzles and many more. Remarkably, they reveal, there are just six simple rules that everyone uses to claim everything. Owners choose the rule that steers us to do what they want. But we can pick differently. This is true not just for airplane seats, but also for battles over digital privacy, climate change, and wealth inequality. *Mine!* draws on mind-bending, often infuriating, and always fascinating accounts from business, history, courtrooms, and everyday life to reveal how the rules of ownership control our lives and shape our world.

**Mine** Delilah S. Dawson, 2022-08-02 A twisty, terrifying supernatural mystery about twelve-year-old, her creepy new home in Florida, and the territorial ghost of the young girl who lived there before her. A fiendishly creepy ghost story.--Chuck Wendig, New York Times bestselling author of *Dust & Grim Hide-under-the-covers* terrifying, I loved it."--Katherine Arden, bestselling author of *Small Spaces* Lily Horne is a drama queen. It's helped her rise to stardom in the school play, but it's also landed her in trouble. Her parents warn her that Florida has to be different. It's a fresh start. No theatrics. But this time, the drama is coming for her. Her new house is a real nightmare. . . The pool is full of slime, the dock is rotten, and the swamp creeps closer every day. But worst of all, the house isn't empty . . . it's packed full of trash, memories, and, Lily begins to fear, the ghost of the girl who lived there before her. And whatever is waiting in the shadows wants to come out to play.

**Mine!** Susie Lee Jin, 2016-01-05 Several bunnies compete in an epic battle to claim a single carrot.

**What Was Mine** Helen Klein Ross, 2016-01-05 Simply told but deeply affecting, in the bestselling tradition of Alice McDermott and Tom Perrotta, this urgent novel unravels the heartrending yet unsentimental tale of a woman who kidnaps a baby in a superstore--and gets away with it for twenty-one years. Lucy Wakefield is a seemingly ordinary woman who does something extraordinary in a desperate moment: she takes a baby girl from a shopping cart and raises her as her own. It's a secret she manages to keep for over two decades--from her daughter, the babysitter who helped raise her, family, coworkers, and friends. When Lucy's now-grown daughter Mia discovers the devastating truth of her origins, she is overwhelmed by confusion and anger and determines not to speak again to the mother who raised her. She reaches out to her birth mother for a tearful reunion, and Lucy is forced to flee to China to avoid prosecution. What follows is a ripple effect that alters the lives of many and challenges our understanding of the very meaning of motherhood. Author Helen Klein Ross, whose work has appeared in *The New Yorker*, weaves a powerful story of upheaval and resilience told from the alternating perspectives of Lucy, Mia, Mia's birth mother, and others intimately involved in the kidnapping. *What Was Mine* is a compelling tale of motherhood and loss, of grief and hope, and the life-shattering effects of a single, irrevocable moment.

**Mine** Atlas Rose, 2022-01-30 Family is everything... I always knew my father was a cold, heartless bastard. But the moment he took Elle Castlemaine and her pathetic daughter into our home, barely a month after our mom died, he unleashed something savage inside me. I didn't care they lost their home. Didn't care their father was behind bars. Didn't care he betrayed the notorious Stidda Mafia boss, Benjamin Rossi, and now their lives were in

danger. All I cared about was her. Ryth. I wanted to hurt her. Wanted to make her squirm. I wanted to make her pay for the moans coming from my father's bedroom. When he slipped a ring onto her mother's finger, Ryth became mine. Mine to bully. Mine to break. And I'll use my brothers to do it. She'll become our favorite obsession. Our sick, tormented game. She'll become the only thing I think about, until not thinking about her tears me apart. I'll hate her. I'll hate her so much it hurts...

**Mine!** Shutta Crum, 2011 A young child does not want to share his toys with his baby sibling, but an encounter with the family dog teaches everyone the importance of sharing. On board pages.

**I, Me, Mine** George Harrison, 2007-03-08 Offers a rare inside view of the Beatles and the cultural revolution of which they were a part, with a personal recollection of Harrison's evolution as a musician and composer.

**Mine** James Russell, 2023-07-21 Murder and madness in the tropics. A back-packer's nightmare. Twenty-six-year-old Jimmy Brennan's life has taken a turn for the worse, and he's desperate to numb the pain. When his mother dies and his girlfriend betrays him, it's the final straw; he leaves Australia behind, bound for Bali. But Jimmy's demons chase him. Sickened by the filth and the rapacious tourists swarming the Indonesian holiday island, Jimmy escapes north up the archipelago, driven by a desire to be alone, and haunted by a self-destructive impulse. When he's offered the opportunity to surf the outer reefs of the forbidden island of North Sentinel, home of a forgotten tribe which has violently rejected outside contact for centuries, Jimmy is reckless enough to take it. He finds his paradise, but it's a decision that will have deadly consequences. "Exceptional!" - Ray Bisschop, publishing director, Surfing Life "Kicks along at a freight-train pace!" - Luke Kennedy, editor, Tracks magazine They don't write them like this any more. - North and South magazine Addictive and highly recommended! - Otago Daily Times Captivating and fast-paced! - NZ Booklovers One hell of a ride! - The New Zealand Herald Fast-paced and utterly immersive, with passages that will have your heart leaping into your throat. This is 'Breath' meets 'The Beach', but also a unique tale in its own right that will stay with the reader long after they read the last page. Eileen Merriman, best-selling author of Violet Black and The Silence of Snow. Reader reviews: You'll find yourself on the edge of your seat for the duration. - Tom Marr Thoroughly absorbing from start to finish... if you have an ounce of adventure left in your soul, then this book may be for you. - Simon Hurley A future classic.- Justin Moor Dark escapism from our toxic matrix. - Andrew Briggs Readers of Tim Winton and Evie Wyld will find a direct descendant in James Russell.- Robin Taylor Couldn't put it down - Ken Nicolson Gripping - Shayne William Intense - Marco Milardi Visceral - Caleb Clarke Sure to become a classic - Steve Brecht Electrifying! - Justin Brown

**The Story of a Mine** Bret Harte, 2022-11-24 Reproduction of the original.

**Mine** Katy Evans, 2013-11-05 I will do anything to make her MINE. -Remington Tate In the international bestseller REAL, the unstoppable bad boy of the Underground fighting circuit finally met his match. Hired to keep him in prime condition, Brooke Dumas unleashed a primal desire in Remington "Remy" Tate as vital as the air he breathes...and now he can't live without her. Brooke never imagined she would end up with the man who is every woman's dream, but not all dreams end happily ever after, and just when they need each other the most, Brooke is torn away from the ringside. Now with distance and darkness between them, the only thing left is to fight for the love of the man she calls MINE.

**Planetary Mine** Martin Arboleda, 2020-01-14 A clarion call to rethink natural resource extraction beyond the extractive industries Planetary Mine rethinks the politics and territoriality of resource extraction, especially as the mining industry becomes reorganized in the form of logistical networks, and East Asian economies emerge as the new pivot of the capitalist world-system. Through an exploration of the ways in which mines in the Atacama Desert of

Chile—the driest in the world—have become intermingled with an expanding constellation of megacities, ports, banks, and factories across East Asia, the book rethinks uneven geographical development in the era of supply chain capitalism. Arguing that extraction entails much more than the mere spatiality of mine shafts and pits, Planetary Mine points towards the expanding webs of infrastructure, of labor, of finance, and of struggle, that drive resource-based industries in the twenty-first century.

*“The” Story of a Mine* Bret Harte, 1877

Mine J. L. Butler, 2018-06-26 In this riveting tale of psychological suspense, a divorce lawyer risks her career, her sanity, and her life when she falls into an illicit, all-consuming affair with her client—who becomes the primary suspect in his estranged wife’s sudden disappearance. Young divorce lawyer Francine Day has methodically built her career doing everything right. She’s one big case away from securing her place among London’s legal elite. But when she meets her new client, Martin Joy, the natural caution that has protected Francine and fueled her rise melts away. Powerless to fight the irresistible magnetism between them, client and counsel tumble into a blistering affair that breaks every rule. Though Martin insists his marriage is over, Francine doesn’t believe him. Certain details he’s told her don’t quite add up. Consumed with a passion she cannot control and increasingly obsessed with Martin’s relationship with his wife, Donna, Francine follows the woman one night . . . and discovers her having dinner with her supposedly soon-to-be-ex-husband. The next morning, Francine awakens in her neighbor’s apartment with blood on her clothes and no recollection of what transpired after she spied Donna and Martin together. Then Francine receives more devastating news: Martin’s wife has vanished. That dinner was the last place anyone has seen Donna Joy alive. Suddenly, Francine finds herself caught in a dangerous labyrinth of deception, lies, and secrets, in which one false move could lead to her undoing. What happened that night and why can’t Francine remember? Where is Donna and who is responsible for her disappearance? The further Francine goes to find answers, the tighter the net seems to draw—around her lover, herself, and the life she’s meticulously built.

Mine Jenny Clendenen, 2020-05-10 María Zacarías Bernal was born in 1791 at the presidio of San Francisco, and was married at fourteen to leatherjacket soldier José de los Reyes Berreyesa. As a mother of thirteen, she lived on Rancho San Vicente, a cattle ranch in the foothills of south San José; her parents lived next door on the vast Rancho Santa Teresa. In fact, the Bernal and Berreyesas owned most of the Bay Area in the mid-1800s. They were among the many Californios who suffered great losses after the Gold Rush, when those who held land grants were forced to prove their claims, though they did not speak the language of the courts, and their papers were often inaccessible to them. Like most Californios, Zacarías spent over a decade defending her claim, and ended up losing her land to pay lawyers’ fees. But she lost far more than a ranch. She lost ten of eleven beloved men, seven of them violently; the first was murdered by one American hero on the orders of another. Because her land held the New Almaden quicksilver mine—increasingly valuable because mercury helped refine gold—her battle over boundaries went all the way to the United States Supreme Court. The case made national news for a year, despite the competing news of the Civil War. President Lincoln even sent men to her land to take over the mine, though they were thwarted by sharpshooting miners. Zacarías’s tragic tale of murder, betrayal, and theft is told through the author’s shared experiences of place, most often on the still-wild Rancho San Vicente near her home. MINE’s lyrical blend of in situ nature writing and biography is a journey across landscapes that unite two women born centuries and cultures apart. It brings untaught history to light, and it restores a voice to María Zacarías, who deserves to be heard.

Mine, All Mine! Ruth Heller, 1999-10 Colorful illustrations and lyrical verse help young readers learn about the important language of pronouns.

Mine! Mine! Mine! Shelly Becker, 2007 Grumpy Gail refuses to allow her visiting cousin Claire to play with her toys or sit in her favorite chair, until her mother teaches Gail about sharing.

*The Shadow of the Mine* Huw Beynon, Ray Hudson, 2024-03-19 No one personified the age of industry more than the miners. The Shadow of the Mine tells the story of King Coal in its heyday – and what happened to mining communities after the last pits closed. The Shadow of the Mine tells the story of King Coal in its heyday, the heroics and betrayals of the Miners' Strike, and what happened to mining communities after the last pits closed. No one personified the age of industry more than the miners. Coal was central to the British economy, powering its factories and railways. It carried political weight, too. In the eighties the miners risked everything in a year-long strike against Thatcher's shutdowns. Their defeat doomed a way of life. The lingering sense of abandonment in former mining communities would be difficult to overstate. Yet recent electoral politics has revolved around the coalfield constituencies in Labour's Red Wall. Huw Beynon and Ray Hudson draw on decades of research to chronicle these momentous changes through the words of the people who lived through them. This edition includes a new postscript on why Thatcher's war on the miners wasn't good for green politics.

Mine! Natalie Hyde, 2017-09 A hilarious, high-stakes quest to redeem a family name! Bonus: there may be gold. Chris Dearing comes from a long line of losers and a history of bad luck that's plagued the Dearing family for generations. His only hope runs through the wild rivers of the forbidding North. What is up there other than moose snot and mosquitos the size of bats, you ask? Gold. More specifically, a gold claim won and then lost by Chris's grandfather, Wally Dearing. Reclaiming the old family gold stake looks to Chris like his only chance to a) get his family back on the straight and narrow, b) get Social Services off his back and c) turn the Dearing family luck around once and for all. Will he strike out, like the rest of his family, or strike gold and finally get a chance to rewrite Dearing history? Well it all depends on whether that giant, slobbering moose lets him down from that huge pine tree. The stakes are high and the hi-jinx even higher in this laugh-out-loud novel from acclaimed author Natalie Hyde!
