*One* Richard Bach, 1989-10-02 I gave my life to become the person I am right now. Was it worth it? Would we change if we knew what waits beyond space and time? "With *One*, the ninth novel from the ever spiritual and imaginative author of Jonathan Livingston Seagull, [Richard] Bach continues his quest for a deeper understanding of human nature. . . . Although the elements of a great science fiction novel are present, the plot is secondary to the novel's theme of humanity's ability to control destiny"—The Boston Herald "If you have ever tried to judge a book by its cover . . . *One* lives up to this question [in the headline] . . . and more . . . Bach gives the reader much to ponder, so much so in some chapters that the thoughtful may be tempted to read no more than a page at a sitting. Not because it's cumbersome reading, but because the ideas are worth savoring."—USA Today "*One* is a provocative book . . . it gives beautiful, hope-filled answers."—Indianapolis News "Uplifting . . . Each of the inspirational set pieces preaches the same message: of the power of each individual to choose the ways of peace, brotherhood and love, to live with a reverence for nature and at harmony with the universe. Back again displays an inventive imagination and inspirational zeal."—Publishers Weekly "*One* presents a number of provocative speculations: What would it be like to meet yourself when you were older or younger? How would your life turn out if you had made different choices, split up with your spouse, been born in a different time and place? . . . With love and hope

as their guides and ‘what matters most’ as their destination, the Bachs touch down in different times and places, where they commune with some of their alternative selves.”—The New York Times Book Review “This is a strange and though-provoking fantasy from the man who gave us Jonathan Livingston Seagull and Illusions, one that is imaginative, playful, and, in places, startling in concept.”—The Anniston Star “Instead of soaring and diving through space, passengers on this flight must be prepared to cruise slowly, making several stops to look at their motivation and lifestyles as the Bachs look at their own.”—Detroit Free Press

**The Story of More** Hope Jahren, 2020-03-03 The essential pocket primer on climate change that will leave an indelible impact on everyone who reads it. “Hope Jahren asks the central question of our time: how can we learn to live on a finite planet? (Elizabeth Kolbert, author of *The Sixth Extinction*). “Hope Jahren is the voice that science has been waiting for.” —Nature Hope Jahren is an award-winning scientist, a brilliant writer, a passionate teacher, and one of the seven billion people with whom we share this earth. In *The Story of More*, she illuminates the link between human habits and our imperiled planet. In concise, highly readable chapters, she takes us through the science behind the key inventions—from electric power to large-scale farming to automobiles—that, even as they help us, release greenhouse gases into the atmosphere like never before. She explains the current and projected consequences of global warming—from superstorms to rising sea

levels—and the actions that we all can take to fight back. At once an explainer on the mechanisms of global change and a lively, personal narrative given to us in Jahren's inimitable voice, *The Story of More* is "a superb account of the deadly struggle between humanity and what may prove the only life-bearing planet within ten light years (E. O. Wilson).

A Dream Called Home Reyna Grande, 2019-07-02 From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. "Here is a life story so unbelievable, it could only be true" (Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to "a

fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure.

**One for the Books** Joe Queenan, 2012-10-25 One of America's leading humorists and author of the bestseller *Closing Time* examines his own obsession with books Joe Queenan became a voracious reader as a means of escape from a joyless childhood in a Philadelphia housing project. In the years since then he has dedicated himself to an assortment of idiosyncratic reading challenges: spending a year reading only short books, spending a year reading books he always suspected he would hate, spending a year reading books he picked with his eyes closed. In *One for the Books*, Queenan tries to come to terms with his own eccentric reading style—how many more books will he have time to read in his lifetime? Why does he refuse to read books hailed by reviewers as "astonishing"? Why does he refuse to lend out books? Will he ever buy an e-book? Why does he habitually read thirty to forty books simultaneously? Why are there so many people to whom the above questions do not even matter—and what do they read? Acerbically funny yet passionate and oddly affectionate, *One for the Books* is a reading experience that true book

lovers will find unforgettable.

**The Sun Does Shine** Anthony Ray Hinton, Lara Love Hardin, 2019-06-04 A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit. An amazing and heartwarming story, it restores our faith in the inherent goodness of humanity. - Archbishop Desmond Tutu In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only twenty-nine years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with no money and a different system of justice for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in agonizing silence--full of despair and anger toward all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon--transforming not only his own spirit, but those of his fellow inmates, fifty-four of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of *Just Mercy*, Bryan Stevenson, Hinton won his release in 2015. With a foreword by Stevenson, *The Sun Does Shine* is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton's memoir

tells his dramatic thirty-year journey and shows how you can take away a man's freedom, but you can't take away his imagination, humor, or joy.

**We are One** Ysaye M. Barnwell, 2008 Illustrated text of the Sweet Honey in the Rock song celebrating the unity of humankind.

**The Bones of Paradise** Jonis Agee, 2016-08-02 The award-winning author of *The River Wife* returns with a multigenerational family saga set in the unforgiving Nebraska Sand Hills in the years following the massacre at Wounded Knee—an ambitious tale of history, vengeance, race, guilt, betrayal, family, and belonging, filled with a vivid cast of characters shaped by violence, love, and a desperate loyalty to the land. Ten years after the Seventh Cavalry massacred more than two hundred Lakota men, women, and children at Wounded Knee, J.B. Bennett, a white rancher, and Star, a young Native American woman, are murdered in a remote meadow on J.B.'s land. The deaths bring together the scattered members of the Bennett family: J.B.'s cunning and hard father, Drum; his estranged wife, Dulcinea; and his teenage sons, Cullen and Hayward. As the mystery of these twin deaths unfolds, the history of the dysfunctional Bennetts and their damning secrets is revealed, exposing the conflicted heart of a nation caught between past and future. At the center of *The Bones of Paradise* are two remarkable women. Dulcinea, returned after bitter years of self-exile, yearns for redemption and the courage to mend her broken family and reclaim the land that is rightfully hers. Rose, scarred by the terrible slaughters that have decimated and dislocated her

people, struggles to accept the death of her sister, Star, and refuses to rest until she is avenged. A kaleidoscopic portrait of misfits, schemers, chancers, and dreamers, Jonis Agee's bold novel is a panorama of America at the dawn of a new century. A beautiful evocation of this magnificent, blood-soaked land—its sweeping prairies, seas of golden grass, and sandy hills, all at the mercy of two unpredictable and terrifying forces, weather and lawlessness—and the durable men and women who dared to tame it. Intimate and epic, *The Bones of Paradise* is a remarkable achievement: a mystery, a tragedy, a romance, and an unflagging exploration of the beauty and brutality, tenderness and cruelty that defined the settling of the American West.

**One on One** Tabitha King, 1993 In this modern-day *Catcher in the Rye*, two mismatched high school basketball stars face the stark realities of growing up in an imperfect world. King's writing is stunning and her portrait of pent-up teenage emotions is brutally honest and searingly vivid. ton.

Bedrock Faith Eric Charles May, 2014-02-10 An ex-convict returns to his Chicago community a changed man—but maybe not for the better—in this “vivid, suspenseful, funny, and compassionate novel” (Booklist). One of Booklist’s Top 10 First Novels of the Year One of Roxane Gay’s Top 10 Books of the Year After fourteen years in prison, Gerald “Stew Pot” Reeves, age thirty-one, returns home to live with his mom in Parkland, a black middle-class neighborhood on Chicago’s South Side. The residents are in a tailspin, dreading the arrival of the man they remember as a frightening delinquent. The anxiety only grows when Stew Pot announces that he experienced a religious awakening in prison. Most folks are skeptical, with one notable exception: Mrs. Motley, a widowed retired librarian and the Reeves’ next-door neighbor, who loans Stew Pot a Bible, which is seen by him and many in the community as a friendly gesture. With uncompromising fervor (and with a new pit bull named John the Baptist), Stew Pot soon appoints himself the moral judge of

Parkland—and starts wreaking havoc on people's lives. Before long, tension and suspicion reign, and this close-knit community must reckon with questions of faith, fear, and forgiveness . . .

"[A] novel of epiphanies, tragedies, and transformations . . . perfect for book clubs."

—Booklist, starred review "May slowly builds suspense as he persuasively unfolds the narrative in this work that reads like an Agatha Christie mystery." —Library Journal "A wonderful urban novel full of vitality and pathos and grit."

All We Can Save Ayana Elizabeth

Johnson, Katharine K. Wilkinson, 2021-07-20 NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. "A powerful read that fills one with, dare I say . . . hope?"—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. All We Can Save illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers,

lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. The Absent One Jussi Adler-Olsen, 2013-05-07

Detective Carl Morck investigates the twenty-year-old murders of a brother and sister whose confessed killer may actually be innocent, a case with ties to a homeless woman and powerful adversaries.

*One Flesh* Joe Fogle, 2007-05-05 On the sixth day of creation, God formed Adam from the dust of the earth. God then formed Eve from Adam's side. From this day forward man was to leave his father and mother and cleave to his wife. The two are joined together by God in a permanent one-flesh relationship. After man fell, the sins of adultery, fornication, polygamy, and divorce altered God's intention for marriage. This was true of those both outside and inside God's covenant community. By the time the Lord Jesus Christ came in the flesh, the traditions of Judaism had either changed or nullified God's command for marriage. The Lord Jesus Christ came and stated God's original intent for marriage: 1. Permanence. The husband and wife are one flesh. They are permanently joined in a covenant relationship for life. No person has the legal or moral authority to end what God has joined together. No sin or legal document can dissolve the one-flesh bond. 2. Forgiveness. This is Christ's emphasis in dealing with sin. When one spouse fails, the love of Christ compels the other

to forgive. Hardness of heart is the cause of unforgiveness and results in divorce. Because of the biblical teachings of Jesus and Paul, the early church held to the permanence of marriage. Over the centuries, Christ's commands on the permanence of marriage have been either changed or nullified. They have been replaced with the traditions of men. In theory, Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them. In practice, many evangelical Christians are divorcing and remarrying for almost any reason. The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce. The Word of God has not changed. What God has joined together, let no man separate (Mark 10:9).
