Forever Summer Nigella Lawson,2013-02-05 It's sensuous summer all year long with Nigella -- in a fabulous new cookbook that draws on the best from all over the world: to tie in with her new 8-part television series. Summer food doesn't have to be eaten just in summer. Even on our coldest days, indeed especially then, we need to summon up a little warmth on our plate. Summer cooking is relaxed cooking that conjures up a mood of sunny expansiveness: easy cooking, easy eating. No one wants to slave over a hot stove for hours: the keynote, as ever with Nigella, is simplicity. The ideal is of lazy abundance. The food of Italy and Spain, the fragrant mezze of the Eastern Mediterranean, the traditional strawberries-and-cream feel of an English summer afternoon: all these notes and flavours are reflected in Forever Summer. The uniting force is attitude as well as palate so the food is far-reaching but personalised, and fresh so that it fits in with the way we live. It's a way of celebrating summer while it lasts, and extending it into the months beyond. Forever Summer has the practical appeal of a cookbook as

well as the aspirational lure of a travel book, the sort one might flick through longingly in winter, dreaming of much-needed sunshine.

Spring Rolls Recipes Ann Sullivan, 2017-05-11 I am a huge fan of Spring Rolls. I try them at every restaurant that has them on the menu when I go out to eat. I had no idea how many different ways there were to make Spring Rolls. Would you happen to have any recipes I could try at home? Spring Rolls are one of my favorite things to make. They may be a little time consuming to make from scratch, but they're a great way to get the family together for meal prep, and it allows everyone to spend a bit of time reconnecting. Spring Rolls also make a great appetizer, so if you're having a family get-together, or hosting friends over the weekend, they may be something you want to put on your menu. A few of my favorite Spring Roll recipes include the Mango Spring Rolls, Lumpia in Spring Roll Wrappers, Japanese Spring Rolls, Cha Gio Chay, Phenom Pehn Spring Rolls, and Greek Spring Rolls, just to name a few. The Peanut Dipping Sauce for Vietnamese Spring Rolls goes well with several of these recipes too. Enjoy, and don't forget to write in and let me know what you thought of these recipes. I'd also like to hear what you would like to see in the near future. Bon Appetit, Ann Sullivan

Vietnamese Home Cooking Charles Phan, 2012-09-25 In his eagerly awaited first cookbook, award-winning chef Charles Phan from San Francisco's Slanted Door restaurant introduces traditional Vietnamese cooking to home cooks by focusing on fundamental techniques and ingredients. When Charles Phan opened his now-legendary restaurant, The Slanted Door, in 1995, he introduced American diners to a new world of Vietnamese food: robustly flavored, subtly nuanced, authentic yet influenced by local ingredients, and, ultimately, entirely approachable. In this same spirit of tradition and innovation, Phan presents a landmark collection based on the premise that with an understanding of its central techniques and fundamental ingredients, Vietnamese home cooking can be as attainable

and understandable as American, French, or Italian. With solid instruction and encouraging guidance, perfectly crispy imperial rolls, tender steamed dumplings, delicately flavored whole fish, and meaty lemongrass beef stew are all deliciously close at hand. Abundant photography detailing techniques and equipment, and vibrant shots taken on location in Vietnam, make for equal parts elucidation and inspiration. And with master recipes for stocks and sauces, a photographic guide to ingredients, and tips on choosing a wok and seasoning a clay pot, this definitive reference will finally secure Vietnamese food in the home cook's repertoire. The FULL Diet Michael A. Snyder, M.D./F.A.C.S., 2012-05-01 Rarely a day goes by that the average American doesn't think about weight. We cut calories. We cut fat. We cut carbs. We join the gym. We count our steps. We try to change our lives. Yet the weight epidemic continues to grow. So what's wrong? In *The Full Diet*, weight-loss doctor Michael Snyder offers an insider's perspective on shedding pounds, teaching you to reject the traditional diet mentality that thrives on restrictions, deprivations, and total reversals of lifestyle. Structured as a seven-day guide, Snyder shows you that losing weight isn't nearly as complex as people make it out to be—in fact, you can learn everything you need to know in just one week. Using the science of fullness and introducing a new definition of healthy, Snyder brings us powerful weight-control tools that are rooted in our physiology and proves that the undeniable feeling of fullness is the ultimate secret in the quest for weight loss—and you can reach it without breaking the calorie bank or fighting your emotions. Insider tips, techniques, and information will help you: • Employ a variety of practical strategies to achieve sustainable weight loss no matter what kind of foods you like to eat. • End the confusion over portion control by synching visual and physiological cues of fullness. • Be full with less food but equally as satisfied (if not more so!). • Apply cheat prescriptions so you can still say yes to indulgences and temptations without feeling like a failure. • Find fulfillment in a physical activity that is inexpensive, easy, and convenient. With these new strategies and definitions, you will move from self-hatred to self-understanding, from persistent dieting to living true to yourself, and from being unhappily overweight to being a healthy individual who knows a happy weight better than a scale does.
