**Not Tonight, Honey: Wait 'til I'm A Size 6** Susan  
Reinhardt, 2005-05-01 Susan Reinhardt takes the  
naked, honest truth and sets it on fire in a blaze  
of laughter. Boldly, brazenly, and hilariously,  
she says what only the brave dare to think. --  
Laurie Notaro Like an edgier, naughtier, southern-  
bred Erma Bombeck, award-winning columnist Susan  
Reinhardt has made diehard fans of fellow writers  
and newspaper readers across the country with her  
wickedly skewed reports from the trenches of  
American family life. In this collection of never-  
before-published essays and stories, she takes her  
uncensored trademark wit just a little further  
than ever before--with hilarious and poignant  
results. From telling off a too-perfect sorority  
sister twenty years later to going public with her  
grumpy vagina; from facing down those who would  
judge her in a mall ladies' room to eulogizing her

beloved smokin' granny, Reinhardt cuts straight to the heart of the sublime, the ridiculous--and the saggy--realities of being a working wife, mother, and certified slave to a culture that worships women who sport thighs the size of her upper arms. Susan Reinhardt takes the naked, honest truth and sets it on fire in a blaze of laughter. Boldly, brazenly, and hilariously, she says what only the brave dare to think. --Laurie Notaro Surgical patients should forgo reading this book until all sutures are completely healed. Susan Reinhardt is a riot!--Jill Conner Browne Funny, wise, and warm. . .from sidesplitting to aching tender. --Celia Riverbank Hilarious, captivating. . .no one is more accomplished at the fine Southern art of storytelling than Susan Reinhardt.--Ronda Rich Susan Reinhardt is a syndicated columnist and feature writer whose work has appeared all over the world in major newspapers such as the Washington Post, London Daily Mirror, Newsday, and other Tribune Media and Gannett publications. Reinhardt has won dozens of awards for her writing, including several Best of Gannett honors and a Pulitzer nomination. A long-time volunteer fundraiser for Hospice, the United Way, the American Lymphoma and Leukemia society, the PTO and other worthwhile and not so worthwhile causes, Reinhardt is also a proud member of the Not Quite Write Book Club, a group of ten women who drink wine and pretend to act literary. A true Daughter of the South, Susan Reinhardt was born in South Carolina, was raised in Georgia and currently makes her home in Asheville, North Carolina, the jewel city of the Blue Ridge Mountains. Pitchers of Beer Dan Raley, 2011-04-01 In 1937, when local beer baron Emil Sick stepped in, the Seattle Indians were a struggling minor-league baseball team teetering on collapse. Moved to mix baseball and beer by his good friend and fellow brewer, New York Yankees owner Jacob Ruppert, Sick built a new stadium and turned the team into a civic treasure. The Rainiers (newly named after the beer) set attendance records and won Pacific Coast League titles in 1939, '40, '41, '51, and '55. The story of the Rainiers spans the end of the Great Depression, World War II, the rise of the airline industry, and the incursion of Major League Baseball into the West Coast (which ultimately spelled doom for the club). It features well-known personalities such as Babe Ruth, who made an unsuccessful bid to manage the team; Hall of Famer Rogers Hornsby, who did manage the Rainiers; and Ron Santo, a batboy who went on to a storied career with the Chicago Cubs. Mixing traditional baseball lore with tales of mischief, *Pitchers of Beer* relates the twenty-seven-year history of the Rainiers, a history that captures the timeless appeal of baseball, along with the local moments and minutiae that bring the game home to each and every one of us. *Pitchers of Beer* showcases fifty-two photographs of players and memorabilia from noted Northwest baseball collector David Eskenazi.

**A Woman's Place Is in the Brewhouse** Tara

Nurin, Teri Fahrendorf, 2021-09-21 • North American Guild of Beer Writers Best Book 2022 Dismiss the stereotype of the bearded brewer. It's women, not men, who've brewed beer throughout most of human history. Their role as family and village brewer lasted for hundreds of thousands of years—through the earliest days of Mesopotamian civilization, the reign of Cleopatra, the witch trials of early modern Europe, and the settling of colonial America. *A Woman's Place Is in the Brewhouse* celebrates the contributions and influence of female brewers and explores the forces that have erased them from the brewing world. It's a history that's simultaneously inspiring and demeaning. Wherever and whenever the cottage brewing industry has grown profitable, politics, religion, and capitalism have grown greedy. On a macro scale, men have repeatedly seized control and forced women out of the business. Other times, women have simply lost the minimal independence, respect, and economic power brewing brought them. But there are more breweries now than at any time in American history and today women serve as founder, CEO, or head brewer at more than one thousand of them. As women continue to work hard for equal treatment and recognition in the industry, author Tara Nurin shows readers that women have been—and are once again becoming—relevant in the brewing world.

All Is Grace Brennan Manning, John

Blase, 2011-10-04 It has been over twenty years since the publication of *The Ragamuffin Gospel*, a book many claim as the shattering of God's grace into their lives. Since that time, Brennan Manning has been dazzlingly faithful in preaching and

writing variations on that singular theme – “Yes, Abba is very fond of you!” But today the crowds are gone and the lights are dim, the patches on his knees have faded. If he ever was a ragamuffin, truly it is now. In this his final book, Brennan roves back his past, honoring the lives of the people closest to him, family and friends who’ve known the saint and the sinner, the boy and the man. Far from some chronological timeline, these memories are witness to the truth of life by one who has lived it – All Is Grace.

Git-R-Done Larry the Cable Guy, 2006-06-06 Chock-Full of Straight Talk About America. . . And Some Jokes, Too! Larry the Cable Guy on . . . NASCAR: It’s a lotta good old-fashioned fun started by a buncha moonshiners. Just seein’ all the ZZ Top–lookin’ folks drinkin’ beer, havin’ a good time, and not givin’ a darn is awesome. And that’s just the women! Dieting: I once went on the “liquid diet.” I was supposed to drink nothin’ but liquids for a week. But I got so drunk and sick of that Jim Beam and Coke, I’ll never drink it again. Why his catchphrase “git-r-done” is better than other catchphrases: Ya can’t be at a ball game with two outs in the ninth inning and yell to the pitcher “Bounty is the quicker picker-upper!!” It makes no sense. But you could yell “Git-r-done” and everyone would know what you meant. The red state–blue state divide: Is Dr. Seuss runnin’ the government? Larry’s mom on Larry’s book: “There’s really not much I can say here except for I apologize to everyone ahead of time for the crap you are about to read.” –Larry’s mom Also available as an eBook.
