**For Everyone to Share** Gillian Lobel,2017-04-06

**The Lion's Share** Matthew McElligott,2012-07-03 Ant is honored to receive an invitation to lion's annual dinner party, but is shocked when the other guests behave rudely and then accuse her of thinking only of herself.

**I Can Share!** Karen Katz,2011-07-07 You can't have my bike! But maybe I'll let you take it for a ride! Learning to share is one of the harder social rules for little ones to follow, but with this sweet book, it will be a little easier. This 8x8 book has sturdy pages for little hands! It also includes a sheet of stickers.

**The Lion's Share** John Man,1982-01-01 Banker Sir Charles Cormer hires a team to kill Ethiopian emperor Haile Selassie to prevent the transfer of Selassie's wealth from his bank to the new Marxist government

**B Is for Baby** Atinuke,2020-11-03 "A circular tale of family love with visual rewards. . . . There's no denying the joy in this book." —Kirkus Reviews (starred review) B is for Baby. B is for Brother. B is for going to see Baba! One morning after breakfast, Baby's big brother is getting ready to take the basket of bananas all the way to Baba's bungalow in the next village. He'll have to go along the bumpy road, past the baobab trees, birds, and butterflies, and all the way over the bridge. But what he doesn't realize is that his very cute, very curious baby sibling has stowed away on his bicycle! Little ones learning about language will love sounding out the words in this playful, vibrantly illustrated story set in West Africa.

**There's a Bear on My Chair** Ross Collins,2022-03 Poor Mouse! A bear has settled in his favorite chair, and that chair just isn't big enough for two. Mouse tries all kinds of tactics to move pesky Bear, but nothing works. Once Mouse has gone, Bear gets up and walks home. But what's that? Is that a mouse in Bear's house?

**Martha doesn't share!** Samantha Berger,2011-02-11 Martha has a new favorite word. And that word is MINE! Martha has officially mastered apologizing. Unfortunately, she still has a lot to work on when it comes to sharing. And while she doesn't learn to love it, she does discover that having her toys to herself means having to play with them all by herself, too. Not so fun! This hilarious follow-up to Martha doesn't say sorry! shows readers that sharing isn't all that bad when you take it one (small) toy at a time--like Martha does. It gets easier every day. Well, almost every day.

**Will Bear Share?** Hilary Leung,2018 In his new series of animal question stories, creative talent Leung presents the first two books featuring stories about friendship, compromise, sharing, and bedtime routines. Full color.

**Fair Shares** Pippa Goodheart,2020-06 Explores what fair really means - it's not as simple as it seems; hilarious and accessible; easy to relate to and understand; and beautifully simple. When Bear and Hare try to reach some juicy pears, they realize they need some help. Hare finds three chairs, but is it fair that Hare has two chairs and Bear only one? But when they each use one chair, Hare still can't reach the pears! So a little friend teaches them that fair isn't always everyone getting the same thing ... with hilarious results! A beautifully simple picture book that considers, what is fair? The answer is not always as simple as you'd think!

**Share and Take Turns/Comparte y turna** Cheri J. Meiners,2014-09-15 Sharing is a social skill all children need to learn. This book presents sharing as a positive choice and offers concrete examples to help children practice taking turns and realize the benefits of sharing. The English-Spanish editions from the popular Learning to Get Along series help children learn, understand, and practice basic social and emotional skills. Real-life situations and lots of diversity make these read-aloud books appropriate for homes, childcare settings, and primary and special education classrooms. Presented in a social story format, each bilingual book includes a special section for adults, with discussion questions, games, activities, and tips that reinforce improving social skills.

**The Citizen's Share** Joseph R. Blasi,Richard B. Freeman,Douglas L. Kruse,2013-11-26 The idea of workers owning the businesses where they work is not new. In America's early years, Washington, Adams, Jefferson, and Madison believed that the best economic plan for the Republic was for citizens to have some ownership stake in the land, which was the main form of productive capital. This book traces the development of that share idea in American history and brings its message to today's economy, where business capital has replaced land as the source of wealth creation.

/DIVdivBased on a ten-year study of profit sharing and employee ownership at small and large corporations, this important and insightful work makes the case that the Founders' original vision of sharing ownership and profits offers a viable path toward restoring the middle class. Blasi, Freeman, and Kruse show that an ownership stake in a corporation inspires and increases worker loyalty, productivity, and innovation. Their book offers history-, economics-, and evidence-based policy ideas at their best./DIV

**It's OK Not to Share and Other Renegade Rules for Raising Competent and Compassionate Kids** Heather Shumaker,2012-08-02 Parenting can be such an overwhelming job that it's easy to lose track of where you stand on some of the more controversial subjects at the playground (What if my kid likes to rough house—isn't this ok as long as no one gets hurt? And what if my kid just doesn't feel like sharing?). In this inspiring and enlightening book, Heather Shumaker describes her quest to nail down "the rules" to raising smart, sensitive, and self-sufficient kids. Drawing on her own experiences as the mother of two small children, as well as on the work of child psychologists, pediatricians, educators and so on, in this book Shumaker gets to the heart of the matter on a host of important questions. Hint: many of the rules aren't what you think they are! The "rules" in this book focus on the toddler and preschool years—an important time for laying the foundation for competent and compassionate older kids and then adults. Here are a few of the rules: • It's OK if it's not hurting people or property • Bombs, guns and bad guys allowed. • Boys can wear tutus. • Pictures don't have to be pretty. • Paint off the paper! • Sex ed starts in preschool • Kids don't have to say "Sorry." • Love your kid's lies. IT'S OK NOT TO SHARE is an essential resource for any parent hoping to avoid PLAYDATEGATE (i.e. your child's behavior in a social interaction with another child clearly doesn't meet with another parent's approval)!

**Our Rightful Share** Aline Helg,2018-08-25 In Our Rightful Share, Aline Helg examines the issue of race in Cuban society, politics, and ideology during the island's transition from a Spanish colony to an independent state. She challenges Cuba's well-established myth of racial equality and shows that racism is deeply rooted in Cuban creole society. Helg argues that despite Cuba's abolition of slavery in 1886 and its winning of independence in 1902, Afro-Cubans remained marginalized in all aspects of society. After the wars for independence, in which they fought en masse, Afro-Cubans demanded change politically by forming the first national black party in the Western Hemisphere. This challenge met with strong opposition from the white Cuban elite, culminating in the massacre of thousands of Afro-Cubans in 1912. The event effectively ended Afro-Cubans' political organization along racial lines, and Helg stresses that although some cultural elements of African origin were integrated into official Cuban culture, true racial equality has remained elusive.

**Not Fair, Won't Share** Sue Graves,Desideria Guicciardini,2011 Miss Clover has made a space station. Posy, Ben and Alfie must take turns to play with it. But Posy doesn't want to share, and everyone gets cross. Can the children learn to enjoy it together? This series introduces young children to different aspects of our emotions and behaviour.

**Bike Share** Elliot Fishman,2019-07-15 There are now over 2,000 cities with a bike share program. Bike Share examines all the major developments in the 50-year history of bike share. The book provides a detailed focus on contemporary bike share programs, including many of the most prominent systems, such as those in Paris, London, and New York, as well as the rapidly emerging dockless bike share sector. This book also addresses how rapid technological innovation, particularly in terms of mobile internet devices and electric assist bicycles may change the face of not just cycling, but urban mobility more generally. By the end of 2018 it was estimated that there are more than 20 million bicycles in the global bike share fleet, with most of these dockless, coming online only in the last three years.

Consequently, research examining bike share has not kept pace with the rapid deployment of this new form of urban mobility. Bike Share addresses a number of key themes such as: The urban age, contextualising bike share within a wider urbanism movement and how it sits within the growing sharing economy. The impact of bike share, looking at systems in China, Europe, North America and Australia to see how these programs have changed travel patterns and consequent impact on car use, emissions, congestion, public health and safety. The bike share business model, including how ride sourcing services like Uber and Lyft are beginning to integrate their business with bike share service providers. Public reaction to bike share. Bike share gone wrong, looking at systems that have failed to achieve their ridership estimates. And the future of bike share including public transport smart card integration, mobile payments, and electric assist bicycles. The book provides scholars, city planners, transportation practitioners and students with a resource that captures the most pertinent scientific findings and practical lessons that have been from bike share programs around the world.

- The Bear Who Would Not Share Oakley Graham,2018 When Bear bakes some yummy cupcakes, his friends
- Care and Share** Rita Golden Gelman,1986 With its humorous rhymes and colorful artwork, this unique book about manners helps children learn their do's and don'ts in a delightful, fun-filled way.
- I Share Cheri J. Meiners,2018 Introduces the concept of sharing, explaining that sharing is a choice, why readers might choose to share, and how sharing can be good for everyone.
- Share this Book** Ramia Mazé,Lisa Olausson,Matilda Plöjel,Johan Redström,Christina Zetterlund,2013 This is a critical time in design. Concepts and practices of design are changing in response to historical developments in the modes of industrial design production and consumption. Indeed, the imperative of more sustainable development requires profound reconsideration of design today. Theoretical foundations and professional definitions are at stake, with consequences for institutions such as museums and universities as well as for future practitioners. This is critical on many levels, from the urgent need to address societal and environmental issues to the reflexivity required to think and do design differently.

Reviewing **Share**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Share**," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
