**S.E.C.R.E.T.S. of the First Ladies**, 2010-02 S.E.C.R.E.T.S.

Of the First Ladies graphically chronicles the true and heart-wrenching stories of numerous First Ladies who are forced to keep shocking secrets of their husband's incest, infidelity, homosexuality, pedophilia, alcoholism, pornography addiction, mental cruelty and physical abuse. Sadly, these situations are occurring in the one place thought to be a safe haven and a place free of these offenses - the CHURCH! Christian men, who are leaders in the church and community, have perpetuated the abuse suffered by these women. Men who hold titles, such as Bishop, Apostle, Pastor, Elder, Reverend and Minister, are committing these human injustices. The courageous First Ladies chronicled in these pages are Spirit-filled women who love the Lord and who are suffering in silence. Their silence is the greatest sin of all! First Ladies must understand their silence will not make their spouse's transgressions right, nor will it lessen the severity. First Ladies, you must understand that YOUR SILENCE WILL MAKE YOU WRONG! By remaining silent, you are, in essence, giving your consent and approval to the misguided actions of your spouse.

**Identity Technologies** Anna Poletti, Julie Rak, 2014-01-31

Identity Technologies is a substantial contribution to the fields of autobiography studies, digital studies, and new media studies, exploring the many new modes of self-expression and self-fashioning that have arisen in conjunction with Web 2.0, social networking, and the increasing saturation of wireless communication devices in everyday life. This volume explores the various ways that individuals construct their identities on the Internet and offers historical perspectives on ways that technologies intersect with identity creation. Bringing together scholarship about the construction of the self by new and established authors from the fields of digital media and auto/biography studies, Identity Technologies presents new case studies and fresh theoretical questions emphasizing the

methodological challenges inherent in scholarly attempts to account for and analyze the rise of identity technologies. The collection also includes an interview with Lauren Berlant on her use of blogs as research and writing tools.

**Crazy Relationships** Alan Elangovan, 2019-05-21 When one partner is unfaithful to the other, it can seem nearly impossible to repair the damage that has been done. He makes it to the next block before an enormous explosion destroys his entire building. Without his Manhattan office, Wren finds himself forced to accept a strange mission to the tiny central European nation of Saint Sebastian. /divDIV /divDIV Saint Sebastian is unlike any country Wren has ever seen, and as his stay there continues, its oddities merely multiply: blond-haired citizens are consigned to the underclass; rudeness is a capital crime; and the Ministry of Clams is the go-to for any problem that can't be solved by the Ministries of Hoaxes, Disaffection, Irony, or Allergies. No matter where Wren finds himself, he stumbles upon something puzzling, hilarious, and extraordinary—all leading up to a stunning turn of events./divDIV /divDIV This ebook features an illustrated biography of Thomas Berger including rare images and never-before-seen documents from the author's personal collection./div

**The Politics of Truth** Joseph Wilson,2007-08-11 With a new investigative epilogue by a prominent Washington journalist and a new foreword by the author. Ambassador Joseph Wilson recounts more than two decades of foreign service to our country in this unprecedented look at the life of an American diplomat and an unabashed account of policies that sometimes succeeded and sometimes failed. As the last American official to meet with Saddam before Desert Storm, Wilson successfully parried the dictator's threats to use American hostages as human shields against U.S. bombing. Yet today he finds himself battling threats from his own government because he called a lie a lie. When President Bush alleged that Iraq had pursued uranium from Africa for its nuclear weapons program, Wilson could not stand silent. He had traveled to Niger the previous year and found no evidence to support the president's claim. To intimidate Wilson, senior administration officials disclosed the undercover status of Wilson's wife, CIA operative Valerie Plame, to the press, putting

her life in danger. Rather than backing down, Wilson persistently criticized the way the administration misled the nation into war. Now he continues his fight in this groundbreaking book by revealing the perils bred by the war-hungry regime in the White House.
