Sweety Andrea Zuill,2019-03-26 An Indie Next List Top 10 Pick! From the author of WOLF CAMP comes the story of a charming, mushroom-loving, headgear-wearing, totally awkward naked mole rat who is looking for like-minded peeps. Sweety is awkward, even for a naked mole rat. She has protruding front teeth, thick glasses, and some very unusual hobbies, including interpretive dance and fungus identification. She's intense and passionate--and her peers don't always get her. But surely there are other mushroom lovers out there? As Sweety sets out to find them, she comes to realize--with a little help from her cool Aunt Ruth-- that being Sweety is actually pretty awesome. With heart and humor and a whole lot of charm, Andrea Zuill delivers a story about learning to embrace everything that makes you you--and that's something many kids are going to relate to.

**The Life and Adventures of a Dog Named Sweety** Doreen D. Diana,2019-08-19 Pit bulls always seem to get a bad name. But Sweety the pit bull is a good dog who is friendly and loving. When author Doreen D. Diana and her family adopt her, they find she is a very special dog. It takes some time and effort for Sweety to get used to her new home and to new ways of doing things. She has to figure out how to go up and down steps and how to go potty outside. When Sweety visits the dog park, she soon gets to know other dogs, but she also discovers the importance of walking away from bullies. She meets Bunny, a wild rabbit who lives in the backyard of her house, and has an encounter with an orange-and-white kitten who comes to visit. All the while, Sweety and her family learn important and valuable lessons. This true story for children describes the first few weeks that Sweety the pit bull spends with her new family and outlines the efforts it takes to adopt a new dog.

**The Story of Spoon, Sweetie, and the Four Miracles** Demetria Risper, 2011-10-31 The day that a person gets married is supposed to be one of the happiest days. We promise to love, honor, and cherish each other for the rest of our lives. Every marriage can be fun in the beginning; the wedding and the honeymoon are all part of the glamour and excitement. But what happens six months later, when the gifts stop coming and routine starts to set in? How do couples in a contemporary world, where careers and children demand so much of their time, manage to keep the sparks of love flying? Do you ever wonder how people stay married for fifty years, and yet still have that same spark they did on their wedding day? Yes, there are going to be problems in every marriage, but a couple whose marriage is based on Jesus Christ and true love will be able to survive. Read about the experiences of Spoon and Sweetie's twelve-year marriage that juggles the life of a wife who is a school teacher, a husband who is a high school head football coach, and four children whose ages are ten and under. Laugh about a puppy love that started between two kids in the fourth grade and resulted in an "I do" at the church altar fifteen years later. Some of the advice could save relationships that are in trouble or help a new marriage remain filled with love. Whether you are skeptical about getting involved in relationships, have been hurt from previous relationships, are trying to figure out what to look for in that "special" person, or just trying to decide if that other

person really loves you, this book, inspired by the Holy Spirit, will hopefully inspire some positive, healthy relationships.

**Arjun: Without A Doubt** Dr.Shinde Sweety,2015-01-28 I knew there was nothing poetic about death. I knew not that the most horrific battles are fought off the battlefield. Arjun: The idealist in a non-ideal world; the warrior whose deadliest opponent was his conscience. History forgot his voice,

but misquoted his silence. My self-esteem originates from me and ends in me. Why does your honor depend on me? Find your own. Draupadi: The untamed tigress, the fragrant flame, the unbridled spirit. Power does not justify sin. Power is not virtue. Virtue is that which lasts in spite of power. Krishn: The enigma whose unique ideology churned the battlefield into a quest for Truth. The Missile ...The Trajectory ... The Vision. The trio that makes for the core of The Mahabharata (Indian Epic). This is their saga. Insightful, visceral and candid. Find 'other' famous Arjuns; compare Arjun vis-a-vis Achilles and Alexander; Explore Myths of Mahabharata. All this and much more in 'Arjun: Without A Doubt'. *Wolf Camp* Andrea Zuill,2016-05-03 Meet Homer, a dog who heads to camp to live like a wolf! Here's the perfect book for the legions of kids out there who love dogs and funny books. Homer is a dog . . . but he also secretly fancies himself part wolf. So when an invitation to attend WOLF CAMP ("Where every dog can live as a wolf for a week") falls out of his kibble bag one morning, he's determined to go. After his people finally agree, Homer boards the bus bound for Wolf Camp, along with fellow campers Trixie and Rex. They're greeted on the other end by wolf counselors Fang and Grrr ("they seem nice"), and what follows is an array of wolf activities, including learning to howl, mark, and hunt. Of course, Homer's a little homesick at times, and the food isn't very good, but that just makes heading home all the sweeter. Perfect for all those kids anticipating camp themselves,

Zuill's debut introduces a charmer of a dog and puts him in some laugh-out-loud scenarios.

**My Sweety - The Heartache of Loving a Deer** Karen R. Hurd,2012-03-01 She had always had a special connection with the animals that entered her life - dogs, cats, marmots, wildlife in general, but especially Colorado's beautiful mule deer. It was a mutual camaraderie, perhaps stemming from her childhood where nurturing was not the norm and love and security were mostly fleeting treasures. In the summer of 1994, Karen Hurd met Sweety, a soon-to-be orphaned, baby buck, and their lives - complete with laughter, tears, joy, fear, lessons taught, and lessons learned - would meld for almost eleven years into a sweet saga of unconditional love. However, My Sweety is much more than a tale about one of Lake City's renowned Riverside Bucks and the woman he befriended. It is a story that also deals with day-to-day social and environmental issues, conflicts that result when well-intentioned laws clash with well-intentioned humanity, and the underlying compromises that continuously affect the lives of each and every one of us. The innocence, emotional honesty, and down-to-earth feelings expressed in My Sweety cannot help but pull at the heartstrings of its readers.
