**The Texanist** David Courtney, Jack Unruh, 2017-04-25 A collection of Courtney's columns from the Texas Monthly, curing the curious, exorcizing bedevilment, and orienting the disoriented, advising on such things as: Is it wrong to wear your football team's jersey to church? When out at a dancehall, do you need to stick with the one that brung ya? Is it real Tex-Mex if it's served with a side of black beans? Can one have too many Texas-themed tattoos?--Amazon.com.

Swing Your Sword Mike Leach, 2011-07-07 Newly-minted Mississippi State head coach Mike Leach tells his captivating story--from rural Wyoming to law school to the upper echelons of the SEC. SWING YOUR SWORD is the first ever book by one of the most fascinating and successful coaches in sports today. A maverick who took an unlikely path to coaching through law school, Mike Leach talks about his unorthodox approach to coaching and the choices that have brought him success throughout his career. A lover of the game who started creating formations and drawing his own plays as a kid, Leach took his Texas Tech Red Raiders to numerous bowl games, achieving the #2 slot in national rankings and being voted 2008 Coach of the Year before being unceremoniously fired at the end of the 2009 season. The scandalous nature of his dismissal

created a media frenzy and began a personal battle between Leach and his accusers that remains unresolved.

Larry Gets Lost in Texas John Skewes, Michael Mullin, 2010-11-09 Larry's latest tale begins in the family's car with a trailer hitched to the back-they're off on a road trip to the Lone Star State! Follow Larry as he gets separated from his best friend Pete and searches for him all over Texas. Larry journeys through the major cities-Houston, Dallas, San Antonio, Fort Worth, El Paso, Amarillo, and Corpus Christi-where he meets armadillos and snakes and even hitches a ride from a horse in a trailer. He also visits the Cadillac Ranch sculpture, the NASA space station, and a rodeo before passing by pump jacks and the famous aircraft carrier, Saturn V. After stopping by the USS Lexington, Larry finally ends up at the Texas State Fair. But will he ever find Pete?

Coach Royal Darrell Royal, John Wheat, 2010-01-01 Many legendary men have been associated with University of Texas football, but for most fans one man will always be Coach-Darrell K Royal. One of the most successful coaches in college football, Royal led the Longhorns to three national championships and eleven Southwest Conference titles during his twenty years (1956-1976) as UT's head coach. He coached some of the Horns' best players, including future Heisman Trophy winner Earl Campbell, and was named NCAA Coach of the Year three times. In 1969, an ABC-TV poll of sportswriters called Royal the Coach of the Decade. In 1996 UT recognized his unrivalled contribution to Longhorn football when it designated Memorial Stadium the Darrell K Royal-Texas Memorial Stadium in his honor. Now, for the first time, Darrell Royal tells his life story in his own words. He remembers growing up poor in Hollis, Oklahoma, during the Great Depression, and describes playing college football

for the University of Oklahoma and then coaching a succession of college teams and one pro team before settling in at UT for the rest of his career. He gives a fascinating, behind-the-scenes look at Longhorn football during his time-recruiting strategies, coaching techniques, the famous wishbone offense, unforgettable wins and losses, and his impressions of rival teams and coaches, including Bear Bryant of Texas A&M and Alabama and Frank Broyles of Arkansas. Proving that he's still the same straight shooter as always, Darrell Royal even discusses some of the controversies he's dealt with, including early charges of racism in the UT football program, the impact of Title IX on college athletics, his association with Jim Bob Moffett and the Freeport-MacMoRan Corporation, his longtime friendship with Willie Nelson, and his decision to retire from coaching. But whether he's describing the tough times he's faced professionally and personally or the rewards of being UT's most beloved coach and goodwill ambassador, Royal maintains the same plainspoken honesty and sense of honor that—as much as the winning seasons—have made him a legend to so many people.

**The Die-Hard Fan's Guide to Longhorn Football** Geoff Ketchum, 2008-07-22 The indispensable guide that all Texas fans must have, this guide features never-before-published stories about some of the greats of Longhorn football.

DKR Jenna Hays McEachern, 2012-09-01 Decades after his last game in 1976, Darrell K Royal remains The Coach, the winningest football coach in University of Texas history. The driving force behind eleven Southwest Conference and three national championships, winner of Coach of the Year and Coach of the Decade awards, and honored namesake of the Darrell K Royal-Texas Memorial Stadium, Royal is still revered as a coach who would rather lose a game than engage in unsportsmanlike tactics; who would neither make excuses

for losing nor brag about winning; and who by his own example contributes to the building of stalwart character in men, in the words of the City of Austin's Darrell Royal Day proclamation. DKR offers an intimate, insider's view of the private life of the man behind the legend through an extraordinary collection of never-before-published photographs, letters, newspaper clippings, football ephemera, recollections, and Royalisms lovingly preserved by Royal's wife of more than sixty-five years, Edith. This irreplaceable family archive offers revealing snapshots of Royal's entire life, from his impoverished youth in Oklahoma, through his courtship of Edith and his glory days as a player at Oklahoma and a coach at Texas, to his retirement career as a goodwill ambassador for the university. Accompanying the images are moving recollections from fellow coaches and former players, family members, and friends who testify to Royal's honesty and integrity and the transformative effect that his character has had on the legions of people whose lives he has touched.

The LH7 Ranch, in Houston's Shadow Deborah Lightfoot Sizemore, 1991-12 The story of Emil Henry Marks and the LH7 Ranch he founded records not only the history of a unique family but also tells something of the cattle business on the coastal prairies of Texas when ranching was the principal industry of the region, before Houston became a major metropolitan center and industry became king. It also chronicles the beginning of the Salt Grass Trail, one of Houston's most enduring traditions. Marks registered the LH7 brand in Harris County in 1898 and started the ranch with 63 acres of grass west of Houston and a few Longhorn cattle. By the early 1930s the LH7 was running 6,670 head on 36,000 acres. The city's shadow loomed over the LH7 in the 1940s and 1950s, and eventually a big bite of the ranch was condemned to protect

booming Houston from flooding along Buffalo Bayou. At age seventy, Marks made the first Salt Grass Trail ride in January, 1952, which is reenacted each February to kick off the Houston Livestock Show and Rodeo.

Watch My Smoke Eric Dickerson,Greg Hanlon,2022-01-18 His style was iconic, and vintage '80s: aviator goggles, Jheri curls, neck roll, boxy pads. Eric Dickerson is the greatest player in Los Angeles Rams history and the NFL's single season record holder for most rushing yards. In 2019, Dickerson was named to the National Football League's 100th Anniversary All-Time Team. With an elegant upright running style that produced some of football's most-watched highlights, it was said he was so smooth you couldn't hear his pads clack as he glided past you. But during his Hall of Fame career, his greatness was often overshadowed by his contentious disputes with Rams management about his contract. In the pre-free agency era, tensions over his exploitative contract often overshadowed his accomplishments. What's his problem? went the familiar refrain from the media. Can't he just shut up and run? It's time to reexamine how Eric Dickerson was portrayed. For the first time, he's telling his story. And he's not holding anything back.

Within these pages, Texas fans will finally get the chance to step into the game and onto the grass with their favorite Longhorns

**Greenlights** Matthew McConaughey, 2021-12-21 The Academy Award®-winning actor, father of three, and bestselling author of *Greenlights* distills more than three decades of journaling experience to help you reflect, seek clarity, and forge your own path with this life-changing practice. *Greenlights: Your Journal, Your Journey* is a guided companion to the #1 New York Times bestselling memoir *Greenlights*, filled with prompts, pithy quotes, adages, outlaw wisdom, and advice on how to live with greater satisfaction from Matthew McConaughey. Matthew has been writing in journals since he was fifteen years old. His adventures have taken him from Texas to Australia, from Mali to Peru—and he has chronicled them all. In this authentic, unconventional journal, the prompts encourage going inside: remembering, reflecting, and musing, and also going outside: adventuring, taking risks, and dreaming big. Who could be a better guide for seekers setting out on the road to understanding their lives inside and out, past, present, and future?

Greenlights Matthew McConaughey, 2023-07-06 From the Academy Award®-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for

forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmity, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck.

**Judgmental Maps** Trent Gillaspie,2016-11-08 Your City. Judged A sharp tongued and fierce witted full-color collection of maps of America's greatest cities in all their brutally honest glory. When you move to a new city you

look at a map to get you where you need to be, but a Google Map of San Francisco won't tell you where you can get "Real Dim Sum" or where "The Worst Trader Joes Ever" is. Or if you're visiting Chicago, you might want to see the Magnificent Mile, but not know it's right next to where "Suburbanites Buy Drugs" and "Retired Mafioso." This is where Judgmental Maps comes in - a no holds barred look at city life that is at once a love letter and hate mail from the very people who live there. What started as a joke between comedian Trent Gillaspie and his friends in Denver, quickly grew into a viral sensation with a rabid and enthusiastic community labeling maps of their cities with names and descriptions we all think of, but are a bit too shy to say out loud. Collected here in a full color, beautifully packaged book with all new, never before published material, Judgmental Maps is laugh out loud funny from New York to Los Angeles, Minneapolis to Atlanta and offending everyone else in between.
