Gina Bari Kolata

The Book of Times Lesley Alderman,2013-02-12 An endlessly fascinating, beautifully designed survey of time—how long things take, how long things last, and how we spend our days Our relationship to time is complex and paradoxical: Time stands still. Time also flies. Tomorrow is another day. Yet there's no time like the present. We want to do more in less time, but wish we could slow the clock. And despite all our time-saving devices—iPhones, DVRs, high-speed trains—Americans feel that they have less leisure time than ever. In an era when our time feels fractured and imperiled, The Book of Times encourages readers to ponder time used and time spent. How long does it take to find a new mate, digest a hamburger, or compose a symphony? How much time do we spend daydreaming, texting, and getting ready for work? The book challenges our beliefs and urges us to consider how, and why, some things get faster, some things slow down, and some things never change (the need for seven to eight hours of sleep). Packed with compelling charts, lists, and quizzes, as well as new and intriguing research, The Book of Times is an addictive, browsable, and provocative look at the idea of time from every direction.

*The New York Times Book of the Dead* William McDonald,2016-10-18 The obituary page of The New York Times is a celebration of extraordinary lives. This groundbreaking book includes 300 of the most important and fascinating obituaries the Times has ever published. The obituary page is the section many readers first turn to not only see who died, but to read some of the most inspiring, insightful, often funny, and elegantly written stories celebrating the lives of the men and women who have influenced on our world. William McDonald, The Times' obituary editor who was recently featured in the award-winning documentary *Obit*, selected 320 of the most important and influential obits from the newspaper's archives. In chapters like Stage and Screen, Titans of Business, The Notorious, Scientists and Healers, Athletes, and American Leaders, the entries include a wide variety of newsmakers from the last century and a half, including Annie Oakley, Theodore Roosevelt, Joseph Stalin, Marilyn Monroe, Coco Chanel, Malcolm X, Jackie Robinson and Prince.

**The New York Times Book of Broadway** Ben Brantley,2001-11-14 This volume, essential for anyone who loves Broadway, includes a full introduction by Ben Brantley, chief theater critic of The Times, his selection of 25 of the influential Broadway plays that defined the twentieth century, and his choice of 100 other, memorable plays - right up through plays currently running on Broadway..

**The New York Times Book of Physics and Astronomy** Cornelia Dean,2013 A treasury of 125 archival articles covers more than a century of scientific breakthroughs, setbacks and mysteries and includes pieces by Pulitzer Prize-winning writers, includes Malcolm W. Browne on antimatter, James Glanz on string theory and George Johnson on quantum physics.

**Exciting Times** Naoise Dolan,2020-06-02 “This debut novel about an Irish expat millennial teaching English and finding romance in Hong Kong is half Sally Rooney love triangle, half glitzy Crazy Rich Asians high living—and guaranteed to please.” –Vogue A RECOMMENDED BOOK FROM: The New York Times Book Review \* Vogue \* TIME \* Marie Claire \* Elle \* O, the Oprah Magazine \* The Washington Post \* Esquire \* Harper's Bazaar \* Bustle \* PopSugar \* Refinery 29 \* LitHub \* Debutiful An intimate, bracingly intelligent debut novel about a millennial Irish expat who becomes entangled in a love triangle with a male banker and a female lawyer Ava, newly arrived in Hong Kong from Dublin, spends her days teaching English to rich children. Julian is a banker. A banker who likes to spend money on Ava, to have sex and discuss fluctuating currencies with her. But when she asks whether he loves her, he cannot say more than I like you a great deal. Enter Edith. A Hong Kong-born lawyer, striking and ambitious, Edith takes Ava to the theater and leaves her tulips in the hallway. Ava wants to be her—and wants her. And then Julian writes to tell Ava he is coming back to Hong Kong... Should Ava return to the easy compatibility of her life with Julian or take a leap into the unknown with Edith? Politically alert, heartbreakingly raw, and dryly funny, *Exciting Times* is thrillingly attuned to the great freedoms and greater uncertainties of modern love. In stylish, uncluttered prose, Naoise Dolan dissects the personal and financial transactions that make up a life—and announces herself as a singular new voice.

*The Capital Times* John Nichols,Dave Zweifel,2017-11-29 As Madison's Capital Times marks its 100th anniversary in 2017, editors Dave Zweifel and John Nichols recall the remarkable history of a newspaper that served as the tribune of Robert M. La Follette and the progressive movement, earned the praise of Franklin Delano Roosevelt for its stalwart opposition to fascism, battled Joe McCarthy during the Red Scare, championed civil rights, women's rights, and LGBTQ rights, opposed the Vietnam War and the invasion of Iraq, and stood with Russ Feingold when he cast the only US Senate vote against the Patriot Act. The Capital Times did not do this from New York or Washington but from the middle of America, with a readership of farmers, factory workers, teachers, and shopkeepers who stood by The Cap Times when the newspaper was boycotted, investigated, and attacked for its determination. At a point when journalism is under assault, when newspapers struggle to survive, and old media struggles to find its way in a digital age, The Capital Times remains unbowed—still living up to the description Lord Francis Williams, the British newspaper editor, wrote 50 years ago: The vast majority of American papers are as dull as weed-covered ditch-water; vast Saharas of cheap advertising with occasional oases of editorial matter written to bring happiness to the Chamber of Commerce and pain and irritation to none; the bland leading the bland.... Just here and there are a few relics of the old fighting muckraking tradition of American journalism, like The Capital Times of Madison.

The New York Times Book of Science David Corcoran,2015 Collects over 150 years of science articles from the New York Times, including stories on Einstein, the AIDS crisis, and the Curiosity rover.

**Tight Times** Barbara Shook Hazen,1983-07 A small boy, not allowed to have a dog because times are tight, finds a starving kitten in a trash can on the same day his father loses his job.

*Anxious Times* Amelia Bonea,Melissa Dickson,Sally Shuttleworth,Jennifer Wallis,2019-04-09 Much like the Information Age of the twenty-first century, the Industrial Age was a period of great social changes brought about by rapid industrialization and urbanization, speed of travel, and global communications. The literature, medicine, science, and popular journalism of the nineteenth century attempted to diagnose problems of the mind and body that such drastic transformations were thought to generate: a range of conditions or “diseases of modernity” resulting from specific changes in the social and physical environment. The alarmist rhetoric of newspapers and popular periodicals, advertising various “neurotic remedies,” in turn inspired a new class of physicians and quack medical practices devoted to the

treatment and perpetuation of such conditions. *Anxious Times* examines perceptions of the pressures of modern life and their impact on bodily and mental health in nineteenth-century Britain. The authors explore anxieties stemming from the potentially harmful impact of new technologies, changing work and leisure practices, and evolving cultural pressures and expectations within rapidly changing external environments. Their work reveals how an earlier age confronted the challenges of seemingly unprecedented change, and diagnosed transformations in both the culture of the era and the life of the mind.

**The New York Times Supersized Book of Sunday Crosswords** The New York Times,2006-09-19 The biggest, best collection of Sunday crosswords ever published!

Liquid Times Zygmunt Bauman,2013-04-17 The passage from 'solid' to 'liquid' modernity has created a new and unprecedented setting for individual life pursuits, confronting individuals with a series of challenges never before encountered. Social forms and institutions no longer have enough time to solidify and cannot serve as frames of reference for human actions and long-term life plans, so individuals have to find other ways to organise their lives. They have to splice together an unending series of short-term projects and episodes that don't add up to the kind of sequence to which concepts like 'career' and 'progress' could meaningfully be applied. Such fragmented lives require individuals to be flexible and adaptable – to be constantly ready and willing to change tactics at short notice, to abandon commitments and loyalties without regret and to pursue opportunities according to their current availability. In liquid modernity the individual must act, plan actions and calculate the likely gains and losses of acting (or failing to act) under conditions of endemic uncertainty. Zygmunt Bauman's brilliant writings on liquid modernity have altered the way we think about the contemporary world. In this short book he explores the sources of the endemic uncertainty which shapes our lives today and, in so doing, he provides the reader with a brief and accessible introduction to his highly original account, developed at greater length in his previous books, of life in our liquid modern times.

The Stranger Times C. K. McDonnell,2021-01-07 'Wonderfully dark, extremely funny' proclaimed ADAM KAY, author of the No.1 bestselling *This is Going to Hurt* 'A filmic romp with great characters, a jet-propelled plot, and a winning premise' said the GUARDIAN JASON MANFORD thinks it's 'Hilarious. You'll never look at Manchester the same way again.' The Chronicles of St Mary's series author JODI TAYLOR declared 'I loved this . . . great premise - great story - great characters . . . hugely enjoyable.' And THE TIMES called it 'ripping entertainment from start to finish.' There are dark forces at work in our world (and in Manchester in particular), so thank God The Stranger Times is on hand to report them . . . A weekly newspaper dedicated to the weird and the wonderful (but mostly the weird), it is the go-to publication for the unexplained and inexplicable. At least that's their pitch. The reality is rather less auspicious. Their editor is a drunken, foul-tempered and foul-mouthed husk of a man who thinks little of the publication he edits. His staff are a ragtag group of misfits. And as for the assistant editor . . . well, that job is a revolving door - and it has just revolved to reveal Hannah Willis, who's got problems of her own. When tragedy strikes in her first week on the job The Stranger Times is forced to do some serious investigating. What they discover leads to a shocking realisation: some of the stories they'd previously dismissed as nonsense are in fact terrifyingly real. Soon they come face-to-face with darker forces than they could ever have imagined. The Stranger Times is the first novel from C.K. McDonnell, the pen name of Caimh McDonnell. It combines his distinctive dark wit with his love of the weird and wonderful to deliver a joyous celebration of how truth really can be stranger than fiction. Readers love The Stranger Times: \*\*\*\*\* 'A delight from start to finish - laugh out loud funny yet with plenty of thrills.' \*\*\*\*\* 'Full of wit and humour, and knows how to keep the reader hooked.' \*\*\*\*\* 'You'll soon fall in love . . . fans of Pratchett, Gaiman, Aaronovich will be blown away.'

*The New York Times Garden Party Crossword Puzzles* The New York Times,2010-03-16 There's no better way to calm your mind and body than by solving a crossword while enjoying the peace and serenity of a beautiful garden. This volume of 200 New York Times crosswords is perfect for fans to enjoy in the hammock, in the garden, or curled up indoors. Includes: \* Big omnibus with hundreds of hours of solving fun \* Puzzles of all difficulty levels, perfect for any solver \* Edited by the #1 man in American crosswords, Will Shortz.

**The New York Times Book Review** The New York Times,2021-11-02 A "delightful" (Vanity Fair) collection from the longest-running, most influential book review in America, featuring its best, funniest, strangest, and most memorable coverage over the past 125 years. Since its first issue on October 10, 1896, The New York Times Book Review has brought the world of ideas to the reading public. It is the publication where authors have been made, and where readers first encountered the classics that have enriched their lives. Now the editors have curated the Book Review's dynamic 125-year history, which is essentially the story of modern American letters. Brimming with remarkable reportage and photography, this beautiful book collects interesting reviews, never-before-heard anecdotes about famous writers, and spicy letter exchanges. Here are the first takes on novels we now consider masterpieces, including a long-forgotten pan of *Anne of Green Gables* and a rave of *Mrs. Dalloway*, along with reviews and essays by Langston Hughes, Eudora Welty, James Baldwin, Nora Ephron, and more. With scores of stunning vintage photographs, many of them sourced from the Times's own archive, readers will discover how literary tastes have shifted through the years—and how the Book Review's coverage has shaped so much of what we read today.

**Stories from Quarantine** The New York Times,2022-03-22 Previously published as *The decameron* project.

**The New York Times Book of Medicine** Gina Bari Kolata,2015 Features 120 articles on medicine selected from The New York Times' archives.

**Running Times** ,2007-09 Running Times magazine explores training, from the perspective of top athletes, coaches and scientists; rates and profiles elite runners; and provides stories and commentary reflecting the dedicated runner's worldview.

Happy Times Lee Radziwill,2012 Through a wealth of private photo albums and personal archives, Lee Radziwill offers a unique perspective of happy times. She brings alive, with humor and feeling, privileged moments with family and friends including her sister Jackie Kennedy. 250 photos.

*Jesus and His Times* Reader's Digest Association,1987 The life of Jesus the Messiah with a description of the land, social conditions, religious environment, and historical context in which he lived.

Official Index to the Times ,1914 Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Times educational

supplement Scotland, and the Times higher education supplement.

## Times Introduction

In todays digital age, the availability of Times books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Times books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Times books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Times versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Times books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an

efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Times books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Times books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Times books and manuals for download have transformed the way we

access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Times books and manuals for download and embark on your journey of knowledge?

### FAQs About Times Books

1. Where can I buy Times books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Times book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Times books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps

for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Times audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Times books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
