Hibernate Tips Thorben Janssen,2018-01-09 When you use Hibernate in your projects, you quickly recognize that you need to do more than just add @Entity annotations to your domain model classes. Real-world applications often require advanced mappings, complex queries, custom data types and caching. Hibernate can do all of that. You just have to know which annotations and APIs you need to use. Hibernate Tips - More than 70 solutions to common Hibernate problems shows you how to efficiently implement your persistence layer with Hibernate's basic and advanced features. Each Hibernate Tip consists of one or more code samples and an easy to follow step-by-step explanation. You can also download an example project with executable test cases for each Hibernate Tip. Throughout this book, you will get more than 70 ready-to-use solutions that show you how to:

- Define standard mappings for basic attributes and entity associations.
- Implement your own attribute mappings and support custom data types.
- Use Hibernate's Java 8 support and other proprietary features.
- Read data from the database with JPQL, Criteria API, and native SQL queries.
- Call stored procedures and

database functions. This book is for developers who are already working with Hibernate and who are looking for solutions for their current development tasks. It's not a book for beginners who are looking for extensive descriptions of Hibernate's general concepts. The tips are designed as self-contained recipes which provide a specific solution and can be accessed when needed. Most of them contain links to related tips which you can follow if you want to dive deeper into a topic or need a slightly different solution. There is no need to read the tips in a specific order. Feel free to read the book from cover to cover or to just pick the tips that help you in your current project.

Wilderness Tips Margaret Atwood, 2011-06-08 From the #1 New York Times bestselling author of *The Handmaid's Tale* In each of these tales Margaret Atwood deftly illuminates the shape of a whole life: in a few brief pages we watch as characters progress from the vulnerabilities of adolescence through the passions of youth into the precarious complexities of middle age. The past resurfaces in the

present in ways both subtle and dramatic: the body of a lost Arctic explorer emerges from the ice, a 2,000-year-old bog man turns up in an archeological dig, a man with dark secrets marries his lover's sister, a girl who disappears on a canoe trip haunts her friend many decades later. The richly layered stories in *Wilderness Tips* map interior landscapes shaped by time, regret, and lost chances, endowing even the most unassuming of lives with a disquieting intensity.

Tips for Living Renée Shafransky, 2018 On the day Nora discovered that her husband, Hugh, had gotten another woman pregnant, she made a vow: I will come back to life no matter how long it takes... It's taken Nora three years. With the help of her best friend, she fled New York City for a small resort town, snagged a job as the advice columnist for the local paper, and is cautiously letting a new man into her life. But when Hugh and his perfect new family move into a house nearby, Nora backslides. Coping with jealousy, humiliation, and resentment again is as hard as she feared. It's harder still when Hugh and his wife are shot to death in their home. If only Nora could account for the night of the murders. Unfortunately, her memories have gone as dark as her fantasies of revenge. But Nora's not the only one with a reason to kill--and as prime suspect in the crime, she'd better be able to prove it.

Presentation Skills - 101 Tips Richard Hallson,

365 Daily Advocacy Tips Leslie Cuthbert,2015-07-02 “This book is a good idea...What I like is there will be one idea every day – and only one. Your mind will not get jumbled. Think on what you read.... Some ideas you will like. Others may not work for you. With advocacy, this is always the way. But the point is to try things out – one day at a time.” Iain Morley QC, author of *The Devil's Advocate*, from the Foreword to *365 Daily Advocacy Tips* *365 Daily Advocacy Tips* is packed with pithy, serious, amusing, and thought-provoking tips for each day of the year, from a refreshingly diverse range of sources. Providing a fascinating insight into the principles of good

advocacy, it also contains essential knowledge of related topics such as how people make decisions, indicators of credibility and the 'rules' of argument and rhetoric. Unlike most texts on advocacy 365 Daily Advocacy Tips provides an insight to psychology and how to break down the rules of argument and rhetoric. It also covers acronyms to help remember techniques, useful quotes from history and literature that can be used in cases and references to other texts both legal and non-legal. Lengthy and studious volumes of advocacy have their place, but sometimes just one morsel of advice is needed to change an entire day's work. This calendar of tips and tales from the world of advocacy will prove an able companion for every advocate serious about continuous and incremental improvement in their knowledge, skill and practice.
