*Washington's Farewell Address to the People of the United States* George Washington,2000

Washington's Farewell Address to the People of the United States. This compact volume contains the official text of George Washington's historic Farewell Address, which he wrote in September 1796 after he decided not to seek a third term as President of the United States. Two-thirds of the Address is devoted to domestic matters and the rise of political parties, and Washington set out his vision of what would make the United States a truly great nation. He called for men to put aside party and unite for the common good, an American character wholly free of foreign attachments. The United States must concentrate only on American interests, and while the country ought to be friendly and open its commerce to all nations, it should avoid becoming involved in foreign wars.

Washington Ron Chernow,2010-12-02 The celebrated Ron Chernow provides a richly nuanced portrait of the father of America. With a breadth and depth matched by no other one-volume life, he carries the reader through Washington's troubled boyhood, his precocious feats in the French and Indian Wars, his creation of Mount Vernon, his heroic exploits with the Continental Army, his presiding over the Constitutional Convention and his magnificent performance as America's first president. Despite the reverence his name inspires Washington remains a waxwork to many readers, worthy but dull, a laconic man of remarkable self-control. But in this groundbreaking work Chernow revises forever the uninspiring stereotype. He portrays Washington as a strapping, celebrated horseman, elegant dancer and tireless hunter, who guarded his emotional life with intriguing ferocity. Not only did Washington gather around himself the foremost figures of the age, including James Madison, Alexander Hamilton, John Adams, and Thomas Jefferson, he orchestrated their

actions to help realise his vision for the new federal government, define the separation of powers, and establish the office of the presidency. Ron Chernow takes us on a page-turning journey through all the formative events of America's founding. This is a magisterial work from one of America's foremost writers and historians.

**Washington Territory** Robert E. Ficken, 2002 Established in 1853, Washington remained a Territory until admitted into the Union thirty-six years later in 1889. Few other territories in the American West languished longer in dependent status. Because of a dividing geographical barrier (the Cascade Range) and the lack of an adequate internal transportation system, Washington Territory made little practical sense as a social and economic entity. Western Washington actually was a satellite of San Francisco and Eastern Washington of Portland, until railroads were completed along the Columbia River and, especially, over the Cascades in the mid-1880s. Essentially, Washington was not qualified for statehood until very late in its territorial period when railway tracks finally unified the region. Washington Territory is the first comprehensive one-volume history of its type to appear since 1890. It will long serve as the definitive economic and political history of territorial Washington.--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The Life of General Washington George Washington, 1852

**George Washington** William Barclay Allen, 2008 Washington's political philosophy - radical for his time - was a commitment to the belief that law can never make just what is in its nature unjust. Before the close of the Revolutionary War, he had conceived of a union based on the progressive principle that the American people would qualify for self-government in the sense of free institutions in proportion to their moral capacity to govern themselves by the light of reason. Washington

managed the conflicts over the spoils of victory that threatened to fracture the union. Containing this discord within the walls of the Constitution may be considered his single greatest achievement.

Washington Meg Greenfield, 2009-02-18 With Washington, the illustrious longtime editorial page editor of The Washington Post wrote an instant classic, a sociology of Washington, D.C., that is as wise as it is wry. Greenfield, a recipient of the Pulitzer Prize for commentary, wrote the book secretly in the final two years of her life. She told her literary executor, presidential historian Michael Beschloss, of her work and he has written an afterword telling the story of how the book came into being. Greenfield's close friend and employer, the late Katharine Graham, contributed a moving and personal foreword. Greenfield came to Washington in 1961, at the beginning of the Kennedy administration and joined The Washington Post in 1968. Her editorials at the Post and her columns in Newsweek, were universally admired in Washington for their insight and style. In this, her first book, Greenfield provides a portrait of the U.S. capital at the end of the American century. It is an eccentric, tribal, provincial place where the primary currency is power. For all the scandal and politics of Washington, its real culture is surprisingly little known. Meg Greenfield explains the place with an insider's knowledge and an observer's cool perspective.

The Writings of George Washington from the Original Manuscript Sources, 1745-1799 George Washington, 1931

George Washington William E. Woodward, 1926

**WASHINGTONS FAREWELL ADDRESS** T George 1732-1799 Washington, 2016-08-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references,

library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**George Washington Day by Day** Elizabeth Bryant Johnston,1895 Brief extracts from Washington's writings and other sources and accounts of events in his life, arranged in the form of a calendar.

*A Picture Book of George Washington* David A. Adler,2018-01-01 A lively fife and drum playing Yankee-Doodle-Dandy welcome the listener...A narrative tone that is sincere and respectful and a slow, even pace afford the young listener time to absorb facts. - AudioFile Magazine

*Report of the Governor of Washington Territory, Made to the Secretary of the Interior, for the Year 1878[June 30, 1889]* Washington (State). Governor,1885

**George Washington** Woodrow Wilson,2018-06-05 George Washington (1732-1799) was the first U.S. president and a leader during the Revolutionary War. Time Inc. presents a biographical sketch of Washington and offers links to related sites as part of the LIFE magazine Hero of the Week Profile.

*Weird Washington* Jeff Davis,Al Eufrazio,2008 Each fun and intriguing volume offers more than

250 illustrated pages of places where tourists usually don't venture. These unique travel guides are chock-full of information about oddball curiosities, ghostly places, local legends, and peculiar roadside attractions.

*Washington* Tom Lewis, 2015-10-13 Breathing life into the men and women who struggled to help the city realize its full potential, he introduces us to the mercurial French artist who created an ornate plan for the city 'en grande'; members of the nearly forgotten anti-Catholic political party who halted construction of the Washington monument for a quarter century; and the cadre of congressmen who maintained segregation and blocked the city's progress for decades. In the twentieth century Washington's Mall and streets would witness a Ku Klux Klan march, the violent end to the encampment of World War I 'Bonus Army' veterans, the 1963 March on Washington for Jobs and Freedom, and the painful rebuilding of the city in the wake of Martin Luther King, Jr.'s assassination.

**Life of George Washington** Washington Irving, 1857

*Records of the Columbia Historical Society, Washington, D.C.* Columbia Historical Society (Washington, D.C.), 1922

**George Washington: Collected State of the Union Addresses 1790 - 1796** George Washington, 2016-12-03 George Washington (1732-1799) was the senior military leader in the United States Army during the American War of Independence, a delegate to the First and Second Continental Congress, and the 1st President of the United States. This work brings together the eight State of the Union Addresses which President Washington delivered to Congress between 1790 and 1796.
