*Hidden Bodies* Caroline Kepnes,2016-02-23 Joe Goldberg is no stranger to hiding bodies-- in the past ten years, he's buried four of them, collateral damage in his quest for love. He's determined to put his past behind him by moving to Los Angeles. He doesn't want to hurt his new girlfriend... he wants to be with her forever. But if she finds out what he's done....

*Far From You* Tess Sharpe,2014-04-08 Don't miss Tess Sharpe's new novel, *6 Times We Almost Kissed (and One Time We Did)*. The truth won't let her go. Sophie Winters nearly died. Twice. The first time, she's fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that'll take years to kick. The second time, she's seventeen, and it's no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina's murder a drug deal gone wrong, casting partial blame on Sophie, no one will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing all: about herself, about Mina---and about the secret they shared.

*Nobody Knows You* Michael Humblet,2020-10-14 The biggest hurdle between you and your plans for growth is this: nobody knows you. This is true if you're a freelancer, an employee, an executive, even a company founder. You may be going all out with your company brand, but you've neglected to hone your own. But the first thing your business needs to grow, is you. If you feel like

there is way more potential than you are currently leveraging, this book is for you. It is for those wanting to scale their business. For those sitting on a great idea with nowhere to go next. For those experts looking for ways to share the knowledge. For those corporate execs who need to find the next competitive edge. And for those who simply want to find another career path. It is time your prospects, future customers, investors or employer got to know you. Fix this basic flaw of remaining under the radar. With the insights in this book, you'll set out your strategy and create content. Not just any content, but content that matters. Content that makes you tick and brings you the right contacts. Build your thought leadership and leverage it as a mechanism to scale your business—starting with yourself. À PROPOS DE L'AUTEUR Michael Humblet is obsessed with designing, building, training and scaling sales machines and marketing teams. Twenty years into his sales leadership career, he realised something that stopped him dead in his tracks. Growing a business is not about scaling the sales, it's about scaling you as a person. Today, Humblet shares what he knows. He started a consulting and training business, climbs the stage as a public speaker every week of the year, founded The School of Sales and The House of Spark, and has helped over 1000 businesses to scale

**The I LOVE YOU Book** Todd Parr,2009-11-16 I love you when you give me kisses. I love you when you need hugs... Most of all, I love you just the way you are. In his newest picture book, Todd Parr explores the meaning of unconditional love in a heartfelt, playful way. Featuring a heart-shaped die-cut and sparkling silver foil on the cover, this is the perfect way to say, I love you! Parents and caregivers are sure to be inspired by Todd's vibrant illustrations and tender sentiments, and will enjoy sharing this very special book with the little ones they love.

**I Am You** Refiloe Moahloli,2022-02 We may be different, but our hearts beat the same. In southern Africa, there is a belief called ubuntu--the idea that we are all connected. No matter

where we're from or who we are, a person is a person through their connections to other people. With simple, lyrical text and charming artwork, this lively picture book first published in South Africa is the perfect introduction to the concept of ubuntu for young kids. A celebration of friendship and kindness, the book shows children the many ways that we are all one.

*Super Duper You* Sophy Henn,2019-05-02 I've known you since you started. I've seen a thing or two . . . . . or three or four or five or six! In fact, I've seen a few . . . Sometimes we are loud, sometimes we are quite, sometimes bold and clanky, sometimes soft and cuddly. Sophy Henn celebrates all the different, extraordinary and sometimes contradictory things we are in this joyful and colourful rhyming picture book. Perfect to read aloud - and then read again, and again!

**The Book Of You** Claire Kendal,2014-04-29 Like the bestselling novels of Gillian Flynn and S. J. Watson, *The Book of You*—an utterly original fiction debut—is a sophisticated psychological thriller that will haunt you long after it reaches its terrifying, breathtaking conclusion. Most people dread the prospect of jury duty, but university administrator Clarissa wants nothing more than to be selected for a trial. Every day she serves means a day away from her job and, more important, the unwanted attentions of her colleague Rafe. An academic expert on the darker side of folk tales, he has always unnerved Clarissa. She spent one drunken night with him while mourning the demise of a previous relationship, an inexplicable decision she can only attribute to her break-up. Rafe, however, sees things differently. The encounter, which may not have been as consensual as Clarissa originally believes, only serves to fuel his growing obsession with her—and he is not about to let her slip away. *The Book of You* is a visceral, riveting portrait of a woman terrorized—emotionally and physically—by a man bent on possessing her completely. It is a chilling saga of predator and prey; as a disturbingly violent crime unfolds in front of her in court,

Clarissa finds herself experiencing a different, but equally harrowing, nightmare in real life. Rafe's taunts become more sinister by the day, but each carefully calibrated assault is designed to devastate her without ever crossing the line of the law. Realizing that she bears the burden of proof, Clarissa knows she is powerless unless she can hold out long enough to amass sufficient evidence against him. Piece by piece, she uncovers the twisted, macabre fairytale Rafe has spun around them both, discovering that the happy ending he envisions is more awful than she could have ever imagined. Deftly constructed around an achingly convincing narrative, *The Book of You* explores the darkest corners of the human heart, where the lines between love and suffocation, fantasy and reality, can become dangerously blurred. A riveting story about Clarissa's desperate attempts to escape the nightmare in which Rafe traps her, it is also a profoundly moving story about one woman's will to survive.

**This Book Loves You** PewDiePie, 2015-10-20 *This Book Loves You* by PewDiePie is a collection of beautifully illustrated inspirational sayings by which you should live your life. If you follow each and every one, your life will become easier, more fabulous, more rewarding. Imagine what a chilled-out and wonderful human being people would think you were if you lived by the simple principle You can never fail if you never try. Your wasted life would be an inspiration to others. Think of all the pointless, unhappy striving you could simply give up. Throw away that guitar! Give up on your dreams! Embrace your astounding mediocrity. *This Book Loves You* has something for everyone--or at least everyone willing to give up and stop caring. If all else fails, remember: Don't be yourself. Be a pizza. Everyone loves pizza.

**You Love Me** Caroline Kepnes, 2021-04-06 NEW YORK TIMES BESTSELLER • Can't get enough of Joe Goldberg? Don't miss the latest thriller in Caroline Kepnes's compulsively readable *You* series, with an all-new plot not seen in the blockbuster Netflix show. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE

CLAIRE • “Fiendish, fast-paced, and very funny.”—Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* Joe Goldberg is done with the cities. He’s done with the muck and the posers, done with Love. Now he’s saying hello to nature, to simple pleasures on a cozy island in the Pacific Northwest. For the first time in a long time, he can just breathe. He gets a job at the local library—he does know a thing or two about books—and that’s where he meets her: Mary Kay DiMarco. Librarian. Joe won’t meddle, he will not obsess. He’ll win her the old-fashioned way . . . by providing a shoulder to cry on, a helping hand. Over time, they’ll both heal their wounds and begin their happily ever after in this sleepy town. The trouble is . . . Mary Kay already has a life. She’s a mother. She’s a friend. She’s . . . busy. True love can only triumph if both people are willing to make room for the real thing. Joe cleared his decks. He’s ready. And hopefully, with his encouragement and undying support, Mary Kay will do the right thing and make room for him.

*I Love You, However!* Andy Bethea,

**Be.You.Tiful** sunita k. mani, 2016-10-14 Wouldn't it be awesome if you could have a conversation with someone about anything no matter how tricky the topic and still not be judged? Growth and conversations go hand in hand. Both represent each other. In a classical conversation, our aspirations, our thoughts, our sense of responsibility can all shift because we begin to perceive life differently after meeting different people. This allows us to arrive at new interpretations and choices that truly make greater sense and impact. As we dwell in a technology-driven era, our conversations are endangered because we have abandoned face-to-face conversations in the name of mere connections. If you are wanting, struggling, trying to find a place where you can learn and have conversations (even the hard ones), if you are ready to deepen your awareness, develop emotional flexibility, or simply tease your curiosity, this book is for you. In the book *Be.you.tiful*, author and counselor Sunita K. Mani offers practical guidelines on how to deal with everyday issues big or small, addiction, infatuation, career, body image, parents, friendships, and more. It contains chunks of conversations related to different aspects that define the life of a young adult. Divided into short crisp segments of dialogues pertaining to a concerned topic, Sunita journeys through the minds of youngsters. Sunita has helped many young adults search their souls and find their answers to complex problems and a way out of tricky situations. She presents *Be.you.tiful* to help young people build their self-confidence, dismantle inner obstacles, and find the courage to chase their passion.

*I Will Not Leave You Comfortless* Jeremy Jackson, 2012-10-02

This memoir of "a happy childhood in rural Missouri just before the digital revolution [is] a sweet record of a time and a place that was not Always On." —St. Louis Post-Dispatch Spanning one year of the author's life—1984—I Will Not Leave You Comfortless is the intimate memoir of a young boy coming to consciousness in small-

town Missouri. The year will bring ten-year-old Jeremy first loves, first losses, and a break from the innocence of boyhood that will never be fully repaired. For Jeremy, the seeming security of his life on the family farm is forever shaken by the life-altering events of that pivotal year. Throughout, he recalls the deeply sensual wonders of his rural Midwestern childhood—bicycle rides in September sunlight; the horizon vanishing behind tall grasses—while stories both heart-wrenching and humorous, tragic and triumphant, Jackson weaves past, present, and future into the rich Missouri landscape. “I could smell the mulberries crushed underfoot and the sweet steam of the cinnamon roll Grandma heated in the toaster oven just for Jeremy, hear the ever-increasing volume of an approaching late-spring storm . . . The year of Jeremy Jackson’s life on which he meditates in *I Will Not Leave You Comfortless* marked his transition from the perfect happiness of childhood to the much more complex reality of adulthood. It records, as well, the abiding comfort that remains—family, home and love.” —Wichita Eagle “Jackson writes about Missouri as the young Hemingway wrote about Michigan: with a clear eye; with hard-edged nostalgia; and (here’s the thing) with brilliance.” —Darin Strauss, author of *Half a Life*

**Jesus Did It for You** Greg Texada, 2012-10-04 Everything Jesus did and accomplished through His death, burial, and resurrection was done for you. Many live and die never grasping the significance or experiencing the full blessing and benefits of what Jesus did for them when He died on the cross and was raised from the dead. In Jesus Did It For You, Greg Texada clearly identifies what Jesus did for you personally. Jesus was made sin so you could have right standing with God. Jesus was made a curse so the blessing of Abraham would be yours. Jesus became poor so you could be free from poverty and live the abundant life. Jesus was beaten so you could be healed, healthy, and strong. Jesus carried your sorrows so you could have fullness of joy and peace. Jesus died for you so you could have eternal, everlasting,

abundant life. These and many other blessings and benefits are freely given to you by the Lord and available for you to receive and enjoy now. Learn how to receive and enjoy the inheritance of blessings that have been freely given to you by the Lord.

It's Who You Know Janine Garner, 2017-05-03 Meet the twelve people that can accelerate your success – in business and in life. It's Who You Know is the long-awaited handbook to effective, productive and influential networking. Having the right relationships is more important than ever before, but digital connectivity and social media has changed the landscape. Social media has made networking easy, but has it made it better? In an age of digital disconnect, having the right relationships is more important than ever before with more and more of us reporting we feel disconnected from social media. Networking is no longer about collecting business cards and meeting thousands of people online or offline; it's about knowing the right people, and nurturing those relationships. You only need 12 – or even just four. Approached strategically, this comparatively small network will provide the strength, diversity and opportunities to help you achieve your personal and professional goals. This book shows you who you need to know, how to get to know them and how to make value a two-way street. Action plans, checklists and an online diagnostic tool help you start taking steps right away, and the emphasis on doing over endless planning gives you the motivation you need to get up and go. The old adage It's not what you know; it's who you know has never been more applicable than it is today. The problem is that many of us know thousands of people across social networks, but how many of those people truly know you and how many of them are truly connected to you? It's time to clear out the network clutter and identify those who actually add value to your professional and personal development. Master the art of real and influential strategic networking in a noisy and disconnected online world. Learn who you need in your circle, and how to find them. Nurture and maintain your professional

relationships Leverage your power network to accelerate your career Today, jobs are filled before they're advertised and previously unthought-of collaborations appear out of nowhere. Networking has become a critical factor for success. It's Who You Know brings networking into the modern era, and shows you a strategic approach to making it work for you.

*I Could Be Killing You* Jeremy L Main Sr.,2014-02 Take a journey through a life being put to death. Ride along with a serial killer as he tells all.
