The Book of Awesome Neil Pasricha, 2011-03-01 Based on the award-winning 10-million-plus-hit blog 1000 Awesome Things, The Book of Awesome is an international bestselling high five for humanity and a big celebration of life's little moments. Sometimes it's easy to forget the things that make us smile. With a 24/7 news cycle reporting that the polar ice caps are melting, hurricanes are swirling in the seas, wars are heating up around the world, and the job market is in a deep freeze, it's tempting to feel that the world is falling apart. But awesome things are all around us, like: • Popping Bubble Wrap • Wearing underwear just out of the dryer • Fixing electronics by smacking them • Getting called up to the dinner buffet first at a wedding • Watching The Price Is Right when you're home sick • Hitting a bunch of green lights in a row • Waking up and realizing it's Saturday The Book of Awesome reminds us that the best things in life are free (yes, your grandma was right). With laugh-out-loud observations from award-winning comedy writer Neil Pasricha, The Book of Awesome is filled with smile-inducing moments on every page that make you feel like a kid looking at the world for the first time. Read it and you'll remember all the things there are to feel good about. A New York Times Bestseller • USA Today Bestseller • Globe and Mail Bestseller • Toronto Star Bestseller • Vancouver Sun Bestseller • Macleans Bestseller • Winner of the Forest of Reading Award

An Awesome Book! Dallas Clayton, 2012-04-17 "Exuberantly written and illustrated—a surefire read-aloud hit." —School Library Journal Based on the simple concept of dreaming big, An Awesome Book! is the inspiring debut work of Los Angeles writer/artist sensation Dallas Clayton. Written in the vein of classic imaginative tales, this is a book for everyone, young and old. This brightly illustrated book works well as a gift for showers, graduations, and other life moments that involve dreaming big. Close your eyes my child, and dream that perfect dream inside your head.

The Book of (Holiday) Awesome Neil Pasricha, 2011-11-17 "Neil Pasricha is a gift. This book would make even the grinchiest Grinch love the holidays again."—A. J. Jacobs There's nothing like the holidays. They bring out the best, and sometimes the worst, in everyone. Luckily, Neil Pasricha is here to remind us that not only are the holidays great, but there's actually even more to celebrate than we realize. From Christmas, Hanukkah, and Kwanzaa, to other holidays throughout the year, such as Mother's Day and Thanksgiving, The Book of (Holiday) Awesome will show you why holidays are...AWESOME. • Making the first footprint in fresh snow • When the in-laws leave • Waking up and realizing it's Christmas • Just barely wrapping a gift with that tiny scrap of leftover wrapping paper • When they finally stop playing Christmas songs on the radio • Knowing "Kwanzaa" is worth more Scrabble points than "Hanukkah" or "Christmas"

The Book of (Even More) Awesome Neil Pasricha, 2011-04-28 From the bestselling author of The Book of Awesome, You Are Awesome, and the award-winning, multimillion-hit blog 1000 Awesome Things comes even more of the little things that make us smile every day! Neil Pasricha is back with a collection of hundreds more awesome things from the website, as well as never-before-seen extraordinary moments that deserve celebration: • Letting go of the gas pump

perfectly so you end on a round number • When a baby falls asleep on you • When your pet notices you're in a bad mood and comes to see you • Pulling a weed and getting all the roots with it • When your windshield wipers match the beat of the song you're listening to • When the hiccups stop • The smooth feeling on your teeth when you get your braces off • Driving from a rough road onto a smooth one • When the person you're meeting is even later than you are • That guy who helps you parallel park There's even space for you to write your very own Awesome Things in the back. Because couldn't we all use (even more) awesome?

The Awesome Eva Darrows, 2015-05 Seventeen-year-old Maggie Cunningham is tough, smart, and sassy. She's also not like other girls her age, but then, who would be when the family business is monster hunting? Combat boots, ratty hooded sweatshirts, and hair worn short so nothing with claws can get a grip, Maggie's concerns in life slant more toward survival than fashion or boys. Which presents a problem when Maggie's mother informs Maggie that she can't get her journeyman's license for hunting until she loses her virginity. Something about virgin blood turning vampires into pointy rage monsters. Maggie's battled ghosts and goblins and her fair share of house brownies, but finding herself a boy - fitting in with her peers - proves a much more daunting task than any monster hunt. Did you know normal girls don't stuff their bras with holy water balloons or carry wooden stakes in their waistbands? And they care about things like matching and footwear. Of course, they also can't clean a gun blindfolded, shoot a crossbow, or exorcise ghosts from a house. Which means they're lame and Maggie's not. Because Maggie's awesome. The Awesome, in fact. Just ask her. She'd be more than happy to tell you. After she finds herself a date...

The Totally Awesome Book of Useless Information Noel Botham, 2012-06-05 Weird and amazing facts for curious minds of all kinds Looking for fascinating facts and trivia that readers of all ages can enjoy? A great gift for kids of all ages, this book features: 200+ interesting facts and trivia Engaging illustrations and easy-to-read format Portable size, great for road trips and family vacations This compendium is perfect for trivia buffs, history lovers, and anyone who loves to learn new things. For example, did you know that the Pilgrims ate popcorn at the first Thanksgiving? Or that the peach was the first fruit eaten on the moon? Or that there are oysters that can climb trees? You'll find all this and more in this amazing collection of useless information.

An Awesome Book of Thanks! Dallas Clayton, 2010-11-18 Double Tap to Zoom. Inspired by the idea of being thankful for all that you have, An Awesome Book of Thanks is a beautifully written, fantastically illustrated walk through a world of magical unicorns, robotic dinosaurs, and all of life's simple moments, great and small. Crafted for children ages 0-1000, this timeless story is sure to be an instant classic, at home in the hands of anyone looking for the perfect reminder of just how beautiful life can be.

You Are Awesome Neil Pasricha, 2019-11-05 #1 international bestseller Publishers Weekly bestseller The Globe and Mail (Toronto) The Toronto Star bestseller The Vancouver Sun bestseller From Neil Pasricha—New York Times, million-copy bestselling author of The Book of Awesome series and The Happiness Equation, thought leader for the

next generation, and one of the most popular TED speakers in the world—comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and other life-threatening catastrophes are the stuff of history books. We're living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there's just one side effect. We no longer have the tools to handle failure...or even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don't have friends. Cell phones show us we're never good enough. Yesterday's butterflies are tomorrow's panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising! What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read *You Are Awesome* to learn:

- The single word that keeps your options open after failure
- What every commencement speech gets wrong
- 3 ways to dramatically accelerate your ability to learn and adapt
- The 2-minute morning practice that helps eliminate worry
- Why you need an Untouchable Day (and how to get one)
- and much, much more...

Because the truth is, you really are awesome.

Kid President is here with a 240-page, full-color *Guide to Being Awesome* that'll spread love and inspire the world.

A Is for Awesome! Eva Chen, 2019-02-05 Why stick with plain old A, B, C when you can have Amelia (Earhart), Malala, Tina (Turner), Ruth (Bader Ginsburg), all the way to extraordinary You—and the Zillion of adventures you will go on? Instagram superstar Eva Chen, author of *Juno Valentine* and *the Magical Shoes*, is back with an alphabet board book depicting feminist icons in *A Is for Awesome: 23 Iconic Women Who Changed the World*, featuring spirited illustrations by Derek Desierto.

The Book of Business Awesome / The Book of Business UnAwesome Scott Stratten, Alison Kramer, 2012-07-17 UnAwesome is UnAcceptable. The *Book of Business Awesome* is designed as two short books put together—one read from the front and the other read from the back when flipped over. Covering key business concepts related to marketing, branding, human resources, public relations, social media, and customer service, *The Book of Business Awesome* includes case studies of successful businesses that gained exposure through being awesome and effective. This book provides

actionable tools enabling readers to apply the concepts immediately to their own businesses. The flip side of the book, *The Book of Business UnAwesome*, shares the train-wreck stories of unsuccessful businesses and showcases what not to do. Key concepts include the power of peripheral referrals and how to create content for your third circle. Explains how to re-recruiting your employees and re-court your customers. Ensure that your business remains awesome, instead of unawesome, and apply these awesomely effective strategies to your business today.

I Am Awesome Sebastian A. Jones, Garcelle Beauvais, 2015-06-26 What makes you Awesome? Whatever makes you... YOU! Join Jay, Nia, and their friends from the I Am Book Series to celebrate the things that make each child unique and special. I AM AWESOME engages the reader in subjects that include being brave, never giving up, and what it means to be a good friend. The book helps children discover identity through imagination, teaching kids to love themselves and enjoy what makes them Awesome! I Am Awesome celebrates the innocent journey of self-discovery through imagination and creative wonder, and THAT is Awesome. Angie Harmon (from her foreword)

Awesome Things to Make with Recycled Stuff Heather Smith, Joe Rhatigan, 2003 Provides instructions for using recycled materials to create fifty different crafts and offers tips for an earth-friendly lifestyle.

You Are Awesome Susann Hoffmann, 2020-05-05 An empowering picture book that celebrates the idea that all children can be anything they choose! There are so many ways for kids to be awesome. They can be smart, kind, bold, funny, and so many other things too! With sweet, simple text and bold illustrations, this book showcases just that notion, and delivers a powerful message directly to the reader: You can be anything you want to be! An inclusive and uplifting picture book that celebrates the potential in all of us.

On Being Awesome Nick Riggle, 2017-09-19 In this lively treatise, pro-skater-turned-philosopher Nick Riggle presents a theory of awesomeness (and its opposite, suckiness) that's both sharply illuminating and more timely than ever "Nick Riggle's fun book is 'awesome' by its own definition. But don't miss its profound ambition, which is to show how philosophy unearths the structure of ordinary language, defines the meaning of life in routine business, and poses the question of how best to live." –Aaron James, author of *Assholes: A Theory* We all know people who are awesome and people who suck, but what do we really mean by these terms? Have you ever been chill or game? Do you rock or rule? If so, then you're tapped into the ethics of awesomeness. Awesome people excel at creating social openings that encourage expressions of individuality and create community. And if you're a cheapskate, self-promoter, killjoy, or douchebag, you're the type of person who shuts social openings down. Put more simply: You suck. From street art to folk singers, Proust to the great etiquette writer Emily Post, President Obama to former Los Angeles Dodger Glenn Burke, Riggle draws on pop culture, politics, history, and sports to explore the origins of awesome, and delves into the nuances of what it means to suck and why it's so important to strive for awesomeness. An accessible and entertaining lens for navigating the ethics of our time, *On Being Awesome* provides a new and inspiring framework for understanding ourselves and creating meaningful connections in our everyday lives.

You Are Awesome! Sebastian King,2016-08-05 In his early twenties, author Sebastian King was involved in a life changing car accident. In the beginning, his parents were told to prepare for his death. King survived, but suffered from post-traumatic stress disorder. It created a new focus for him. In *You Are Awesome!* he shares the lessons he's learned in the aftermath of his near-death experience. King teaches eight, straightforward practices you can apply to gain the life you deserve. He addresses a variety of issues and challenges you may face on a regular basis, including: needing to change your habits; getting annoyed very easily; finding relationships difficult; needing more love in your life; finding it hard to enjoy yourself; making the time for celebration; and wanting to be more appreciated. *You Are Awesome!* offers a host of insights into how to lead an extraordinary life that is filled with love and awesomeness.

Awesome at Being Awesome Danny Pehar,2016-02-20 When you were a kid you dreamed of building spaceships and being a superhero. Everything was magic, everything was awesome. But then you suffered disappointments: weight issues, relationship problems, money troubles, career troubles. Eventually the impossible was no longer possible. You lost your awesome. But what if you could get it back? You can. Through funny, informative and inspiring stories from his life and work experience, Danny Pehar shows how strengthening one aspect of the three main parts of your life – mind, body and soul – will help you strengthen and balance the others. And the results? You will learn to do an awesome amount of awesome things – from weight management to career management, from saving money to saving relationships, from building the perfect résumé to building the perfect speech, from getting through the toughest job interview to getting through the toughest day. PRAISE FOR AWESOME AT BEING AWESOME “Danny is a good boy.” –Danny’s dad “This book is awesome.” –Danny’s friends “Danny has great hair.” –Anonymous (but probably Danny) “This book is better than the last one you read.” –Danny’s sure someone said this “This book is better than ice cream.” –Danny’s almost positive he heard this one guy say this “This book is like a hug, combined with a high five and a GPS through life.” –Someone really cool said this “You know that helpful friend that comes over and is funny, easy to listen to, gives great advice and tells good stories? That’s what this book is.” – Someone very insightful said this “You are already awesome. Now learn how to be awesome at being awesome!” –Danny Pehar

Awesome Math Titu Andreescu,Kathy Cordeiro,Alina Andreescu,2019-11-13 Help your students to think critically and creatively through team-based problem solving instead of focusing on testing and outcomes. Professionals throughout the education system are recognizing that standardized testing is holding students back. Schools tend to view children as outcomes rather than as individuals who require guidance on thinking critically and creatively. *Awesome Math* focuses on team-based problem solving to teach discrete mathematics, a subject essential for success in the STEM careers of the future. Built on the increasingly popular growth mindset, this timely book emphasizes a problem-solving approach for developing the skills necessary to think critically, creatively, and collaboratively. In its current form, math education is a series of exercises: straightforward problems with easily-obtained answers. Problem solving, however, involves multiple creative approaches to solving meaningful and interesting problems. The authors, co-founders of the multi-layered educational organization AwesomeMath, have

developed an innovative approach to teaching mathematics that will enable educators to: Move their students beyond the calculus trap to study the areas of mathematics most of them will need in the modern world Show students how problem solving will help them achieve their educational and career goals and form lifelong communities of support and collaboration Encourage and reinforce curiosity, critical thinking, and creativity in their students Get students into the growth mindset, coach math teams, and make math fun again Create lesson plans built on problem based learning and identify and develop educational resources in their schools Awesome Math: Teaching Mathematics with Problem Based Learning is a must-have resource for general education teachers and math specialists in grades 6 to 12, and resource specialists, special education teachers, elementary educators, and other primary education professionals.

Awesome Abs Paul Collins, 2008 Contains over 70 easy-to-follow exercises using your own body weight as well as fitness balls, medicine balls and abdominal machines that gives you leaner abs, a stronger lower-back, better posture and a trimmer waistline.
