Lowell L. Bennion

The Next Mormons Jana Riess,2019-02-01 American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Book of Commandments, for the Government of the Church of Christ Church of Jesus Christ of Latter-Day Saints,1884

The Mormon Quest for Glory Melvyn Hammarberg,2013-06-03 The Church of Jesus Christ of Latter-day Saints has 6 million members in the United States today (and 13 million worldwide). Yet, while there has been extensive study of Mormon history, comparatively little scholarly attention has been paid to contemporary Mormons. The best sociological study of Mormon life, Thomas O'Dea's *The Mormons*, is now over fifty years old. What is it like to be a Mormon in America today? Melvyn Hammarberg attempts to answer this question by offering an ethnography of contemporary Mormons. In *The Mormon Quest for Glory*, Hammarberg examines Mormon history, rituals, social organization, family connections, gender roles, artistic traditions, use of media, and missionary work. He writes as a sympathetic outsider who has studied Mormon life for decades, and strives to explain the religious world of the Latter-day Saints through the lens of their own spiritual understanding. Drawing on a survey, participant observation, interviews, focus groups, attendance at religious gatherings, diaries, church periodicals, lesson manuals, and other church literature, Hammarberg aims to present a comprehensive picture of the religious world of the Latter-day Saints.

Mormonism and Evolution William Evenson,Duane E. Jeffery,2006-01-01 The Church of Jesus Christ of Latter-day Saints (the Mormon Church) has generally been viewed by the public as anti-evolutionary in its doctrine and teachings. But official statements on the subject by the Church's highest governing quorum and/or president have been considerably more open and diverse than is popularly believed. This book compiles in full all known authoritative statements (either authored or formally approved for publication) by the Church's highest leaders on the topics of evolution and the origin of human beings. The editors provide historical context for these statements that allows the reader to see what stimulated the issuing of each particular document and how they stand in relation to one another.

I Love Mormons David L. Rowe,2005-08-01 David L. Rowe asserts that many Mormons view Christian witnessing as Bible bashing. What Christians need to understand, he suggests, is that Latter-day Saints are an entirely separate ethnic group with their own history, values, and customs. Evangelizing Mormons can be so much more effective if Christians first know, understand, and respect Mormon heritage. With helpful illustrations and discussions of Mormon values and theology, Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture. A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences. In the end, Christians will be more approachable representatives of Christ.

The LDS Worldview Bruce R. Josephson,2001 Offers a sympathetic explanation of the worldview of The Church of Jesus Christ of Latter-day Saints (LDS) and gives some understanding of how the LDS worldview acts as a new way of interpreting Christianity by challenging Christian orthodoxy. Presents the church's worldview in its own terms, looking at sources, the LDS conception of time and the stages of humanity, the LDS worldview's implicit critique of Catholics and Protestants, and the concept of cyclical history. There is also material on church offices and organization, family life, and blacks and the priesthood. Author information is not given. c. Book News Inc.

The Religion of the Latter-day Saints Lowell L. Bennion,1940 A course to help students gain an understanding of the religion of the Latter-day Saints.

The Articles of Faith: The Principal Doctrines of the Church of Jesus Christ of Latter-Day Saints James E. Talmage,2020-12-17 *The Articles of Faith: A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter-day Saints* is book by James E. Talmage about doctrines of The Church of Jesus Christ of Latter-day Saints (LDS Church). The name of the book is taken from the LDS Church's Articles of Faith, an 1842 creed written by Joseph Smith. Talmage decided to use Smith's Articles of Faith as an outline of his work. He first delivered the material that he would organize into a book in a series of lectures delivered in 1893 at Latter-day Saints' University in Salt Lake City, Utah, which Talmage was the president of at the time. Articles of Faith is a Mormon classic and, for many years, it was among the few non-scriptural works that full-time LDS Church missionaries were asked to study.

Exhibiting Mormonism Reid Neilson,2011-03-01 The 1893 Columbian Exposition, also known as the Chicago World's Fair, presented the Latter-day Saints with their first opportunity to exhibit the best of Mormonism for a national and an international audience after the abolishment of polygamy in 1890. The Columbian Exposition also marked the dramatic reengagement of the LDS Church with the non-Mormon world after decades of seclusion in the Great Basin. Between May and October 1893, over seven thousand Latter-day Saints from Utah attended the international spectacle popularly described as the "White City." While many traveled as tourists, oblivious to the opportunities to "exhibit" Mormonism, others actively participated to improve their church's public image. Hundreds of congregants helped create, manage, and staff their territory's impressive exhibit hall; most believed their besieged religion would benefit from Utah's increased national profile. Moreover, a good number of Latter-day Saint women represented the female interests and achievements of both Utah and its dominant religion. These women hoped to use the Chicago World's Fair as a platform to improve the social status of their gender and their religion. Additionally, two hundred and fifty of the Mormon Tabernacle Choir's best singers competed in a Welsh eisteddfodd, a musical competition held in conjunction with the Chicago World's Fair, and Mormon apologist Brigham H. Roberts sought to gain LDS representation at the affiliated Parliament of Religions. In the first study ever written of Mormon participation at the Chicago World's Fair, Reid L. Neilson explores how Latter-day Saints attempted to "exhibit" themselves to the outside world before, during, and after the Columbian Exposition, arguing that their participation in the Exposition was a crucial moment in the Mormon migration to the American mainstream and its leadership's discovery of public relations efforts. After 1893, Mormon leaders sought to exhibit their faith rather than be exhibited by others.

The Mormon Faith of Mitt Romney Andrew Jackson,2012-01-18 In this timely book, the author uncovers the history, teachings and practices of the Latter-day Saints, compares them to evangelical Christian beliefs and challenges former Massachusetts governor and presidential candidate Mitt Romney to be open and transparent about his beliefs and its implications if he is elected president.

The Articles of Faith James E. Talmage,2022-09-15 The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church. The greater number of the addresses were delivered before the Theology Class of the Church University; and, after the close of the class sessions, the lectures were continued before other Church organizations engaged in the study of theology. To meet the desire expressed by the Church authorities,—that the lectures be published for use in the various educational institutions of the Church,—the matter has been revised, and is now presented in this form. In anticipation of probable question or criticism regarding the disparity of length of the several lectures, it may be stated that each of the addresses occupied two or more class sessions, and that the present arrangement of

the matter in separate lectures is rather one of compilation than of original presentation.

Mormons and the Bible Philip L. Barlow,2013-06-11 Philip L. Barlow offers an in-depth analysis of the approaches taken to the Bible by major Mormon leaders, from its beginnings to the present. He shows that Mormon attitudes toward the Bible comprise an extraordinary mix of conservative, liberal, and radical ingredients: an almost fundamentalist adherence to the King James Version co-exists with belief in the possibility of new revelation and surprising ideas about the limits of human language. Barlow's exploration takes important steps toward unraveling the mystery of this quintessential American religious phenomenon. This updated edition of *Mormons and the Bible* includes an extended bibliography and a new preface, casting Joseph Smith's mission into a new frame and treating evolutions in Mormonism's biblical usage in recent decades.

Under the Banner of Heaven Jon Krakauer,2004-06-08 NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

History of the Church of Jesus Christ of Latter Day Saints: 1873-1890 Joseph Smith (Jr.),1903

Mormon History Ronald Warren Walker,David J. Whittaker,James B. Allen,2001

A Different Jesus? Robert L. Millet,2005-04-14 Drawing on both Christian and Latter-day Saint documents, Robert Millet clearly explains the many beliefs that Mormons hold in common with traditional Christians and also highlights differences where they exist.

The Mormon Experience Leonard J. Arrington,Davis Bitton,1992 The best history of the Latter-Day Saints addressed to a general audience now includes a new preface, an epilogue, and a bibliographical afterword. This is without a doubt the definitive Mormon history.--Library Journal.

Understanding the Lds Temple Dwight Monson,2014-12-09 In *Understanding the LDS Temple*, author Dwight E. Monson explores the deep, symbolic meaning of LDS temple ceremonies - in all their beauty and complexity. This book offers a powerful framework for plumbing the depths of the initiatory, endowment and sealing ordinances as taught in the temple. It is intended to accelerate understanding and appreciation of the gift God has given to worthy LDS members. It offers a solid foundation of comprehension for seeking further personal revelation and finding joy in temple worship.

Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints,2018-09-04 In 1820, a young farm boy in search of truth has a vision of God the Father and Jesus Christ. Three years later, an angel guides him to an ancient record buried in a hill near his home. With God's help, he translates the record and organizes the Savior's church in the latter days. Soon others join him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The *Standard of Truth* is the first book in *Saints*, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, *Saints* recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

Introducing Christianity to Mormons Eric Johnson,2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints, it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church—or loved ones who gave up on religion after leaving Mormonism—*Introducing Christianity to Mormons* is the guidebook you need to witness to them. Inside, you'll find real-life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community.

(LDS Introduction

In today's digital age, the availability of (LDS books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of (LDS books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of (LDS books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing (LDS versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, (LDS books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing (LDS books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for (LDS books and manuals is Open Library. Open Library is an

initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, (LDS books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of (LDS books and manuals for download and embark on your journey of knowledge?

FAQs About (LDS Books

What is a (LDS PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a (LDS PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a (LDS PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a (LDS PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a (LDS PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go

to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
