Otto Boele

The Everything Learning Russian Book with CD Julia Stakhnevich,2007-11 Whether you're planning a trip to Russia or adding a second language to your resume, this book will help you to: recognize and read Cyrillic letters; pronounce Russian words like a native; ask for directions, order dinner, and conduct business; and hold your own in a conversation. Includes step-by-step lessons in vocabulary, grammar, and conversation.

Russians Gregory Feifer,2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries-and continue to do so today. RUSSIANS explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much-needed light on the purposely hidden functioning of its society before, during, and after communism. Woven throughout is an intimate, first-person account of his family history, from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. RUSSIANS is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

25 Years of Soviet Russian Literature (1918–1943) Gleb Struve,2021-06-15 This book, first published in 1944, is a comprehensive survey of post-revolutionary Russian literature up to the early 1940s. A huge range of writers are examined, and the analysis is made in the knowledge of the sometimes considerable pressure brought by the Government on writers in Soviet Russia. Links are made by the author between the writers being assessed, as well as to the Russian writers that had come before them. As a wide-ranging analysis of Soviet literature, this book has rarely been bettered.

Russian Silhouettes Anton Pavlovich Chekhov,1915

Historical Dictionary of the Russian Federation Robert A. Saunders,Vlad Strukov,2010-05-13 Historical Dictionary of the Russian Federation provides insight into this rapidly developing country. The volume includes coverage of pivotal movements, events, and persons in the late Soviet Union (1985-1991) and contemporary Russia (1991-present), as well as detailed entries covering the country's expansive geography, unique culture, diverse ethnic groups, and complex political and social environment. This is done through a chronology, an introductory essay, maps, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, events, places, and organizations.

To Be or Not to Be Russian? Konstantin Averin Tatiana Pavlova,2011-11-21 The authors are neither professional writers nor social commentators. They have carried out this joint research in the national consciousness of Russians on the basis of their personal convictions, citizenship and love to their Motherland. Konstantin Averin is an economist. His main areas of activity are banking business, agriculture, building industry, pharmaceutical production, investigation in practical philosophy. Resides in Russia, Rostov-on-Don. Tatiana Pavlova is a psychologist. Her main areas of activity are investigation in practical philosophy, delivery of assistance in crisis conditions, pre-trial conflict resolution, family consulting. Resides in Russia, Rostov-on-Don.

Four Great Russian Plays Anton Chekhov,2012-04-26 From the golden age of Russian theater: The Inspector General by Gogol; Chekhov's The Cherry Orchard; Gorky's The Lower Depths; and A Month in the Country by Turgenev.

An Illustrated Description of the Russian Empire Robert Sears,1855

The Routledge Companion to Russian Literature Neil Cornwell,2001 An engaging and accessible guide to Russian writing of the past thousand years covering the entire span of Russian literature, from the Middle Ages to the post-Soviet period, and exploring all the forms that have made it so famous.

Misunderstanding Russia Magda Leichtova,2016-07-22 Well argued and balanced, Leichtova provides an alternative and more constructive understanding of what drives Russian foreign policy. The book is based on the concepts of constructivism and orientalism in international relations to analyse the policies of the Russian Federation. This book highlights that Russian foreign policy is a complex phenomenon constructed from internal as well as external developments, perceptions and expectations. At the same time, it also highlights that Western states are the most significant Other in construction of the Russian foreign policy and even Russian identity and, at the same time, actively create an 'image of Russia' in international politics which is widely based on their own Western assumptions about the country. The author introduces the reader to an alternate portrayal of relations between Russia and the West which all analysts should take into consideration before drawing conclusions.

A Very Russian Christmas Mikhail Zoshchenko,Anton Chekhov,Fyodor Dostoyevsky,Lev Tolstoy,Vladimir Korolenko,Klaudia Lukashevich,Maxim Gorky,Teffi,2016-09-26 A collection of short Christmas stories by some of Russia's greatest nineteenth and twentieth century authors—several appearing in English for the first time. Running the gamut from sweet and reverent to twisted and uproarious, this collection offers a holiday feast of Russian fiction. Dostoevsky brings stories of poverty and tragedy; Tolstoy inspires with his fable-like tales; Chekhov's unmatched skills are on full display in his story of a female factory owner and her wretched workers; Klaudia Lukashevitch delights with a sweet and surprising tale of a childhood in White Russia; and Mikhail Zoshchenko recounts madcap anecdotes of Christmas trees and Christmas thieves in the Soviet Era—a time when it was illegal to celebrate the holiday in Russia. There is no shortage of imagination, wit, or vodka on display in this collection that proves, with its wonderful variety and remarkable human touch, that nobody does Christmas like the Russians.

Twentieth-Century Russian Poetry Katharine Hodgson,Joanne Shelton,Alexandra Smith,2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union. A multi-authored study of changing cultural memory and identity, this revisionary work charts Russia's shifting relationship to its own literature in the face of social upheaval. Literary canon and national identity are inextricably tied together, the composition of a canon being the attempt to single out those literary works that best express a nation's culture. This process is, of course, fluid and subject to significant shifts, particularly at times of epochal change. This volume explores changes in the canon of twentieth-century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin's second term as Russian President in 2008. In the wake of major institutional changes, such as the abolition of state censorship and the

introduction of a market economy, the way was open for wholesale reinterpretation of twentieth-century poets such as Iosif Brodskii, Anna Akhmatova and Osip Mandel'shtam, their works and their lives. In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non-official literature and suggested replacing the term Soviet literature with a new definition – Russian literature of the Soviet period. Contributions to this volume explore the multiple factors involved in reshaping the canon, understood as a body of literary texts given exemplary or representative status as classics. Among factors which may influence the composition of the canon are educational institutions, competing views of scholars and critics, including figures outside Russia, and the self-canonising activity of poets themselves. Canon revision further reflects contemporary concerns with the destabilising effects of emigration and the internet, and the desire to reconnect with pre-revolutionary cultural traditions through a narrative of the past which foregrounds continuity. Despite persistent nostalgic yearnings in some quarters for a single canon, the current situation is defiantly diverse, balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground. Required reading for students, teachers and lovers of Russian literature, *Twentieth-Century Russian Poetry* brings our understanding of post-Soviet Russia up to date.

Amerika Mikhail Iossel, Jeff Parker, 2004 For half of the twentieth century, there were two superpowers in the world and a gulf of silence between them. Knowledge of Russian culture was based on propaganda and rumour, and their knowledge of the West was no better. When the Soviet Union fell, Russians began to travel to America more regularly, and what they discovered was a very different place to the one they had imagined, but, at the same time, not exactly the one that Americans think they know. This collection of beautifully written and entertaining literary essays by a wide range of Russian writers - young and old, funny and sombre, angry and celebratory, many being translated for the first time - offers readers a unique chance to see Americans in a whole new light, to question how the American dream stands up to the American reality, and to experience the wit and generosity of today's Russian writers.

An Anthology of Russian Literature from Earliest Writings to Modern Fiction Nicholas Rzhevsky, 2005 The literary works selected for inclusion in this anthology introduce the core cultural and historical themes of Russian civilization. Each text has resonance throughout the arts. They are supported by introductions, annotations, bibliographies of resources, and a companion multimedia CD that brings the anthology's cultural references to life.

The North in Russian Romantic Literature Otto Boele, 1996 This book explores the North in Russian romantic literature as a symbol of national particularity. It largely ignores the vogue of Ossian, being primarily concerned with the significance of the North for Russia's national self-image. The author demonstrates how, starting with Lomonosov, the North initially functions as a symbol of Russia's 'new' European identity. Gradually it acquires a different ideological charge, giving voice to growing resentment over the inroads of western culture. By the turn of the century, the North no longer denotes Russia's supposed Europeanness, but its 'unique national' spirit, believed to have been polluted by the slavish imitation of the West. By this time, the theme of winter was discovered as an appropriate vehicle for the expression of nationalist sentiments, culminating in the popular myth of the winter of 1812 as an ally of the Russian people. This study also investigates the theme of 'northern homesickness' as opposed to the lure of the South and concludes by examining the national stereotypes of Russia's northern neighbours, the Swedes and the Finns.

Arctic Mirrors Yuri Slezkine, 2016-11-01 For over five hundred years the Russians wondered what kind of people their Arctic and sub-Arctic subjects were. They have mouths between their shoulders and eyes in their chests, reported a fifteenth-century tale. They rove around, live of their own free will, and beat the Russian people, complained a seventeenth-century Cossack. Their actions are exceedingly rude. They do not take off their hats and do not bow to each other, huffed an eighteenth-century scholar. They are children of nature and guardians of ecological balance, rhapsodized early nineteenth-century and late twentieth-century romantics. Even the Bolsheviks, who categorized the circumpolar foragers as authentic proletarians, were repeatedly puzzled by the peoples from the late Neolithic period who, by virtue of their extreme backwardness, cannot keep up either economically or culturally with the furious speed of the emerging socialist society. Whether described as brutes, aliens, or endangered indigenous populations, the so-called small peoples of the north have consistently remained a point of contrast for speculations on Russian identity and a convenient testing ground for policies and images that grew out of these speculations. In *Arctic Mirrors*, a vividly rendered history of circumpolar peoples in the Russian empire and the Russian mind, Yuri Slezkine offers the first in-depth interpretation of this relationship. No other book in any language links the history of a colonized non-Russian people to the full sweep of Russian intellectual and cultural history. Enhancing his account with vintage prints and photographs, Slezkine reenacts the procession of Russian fur traders, missionaries, tsarist bureaucrats, radical intellectuals, professional ethnographers, and commissars who struggled to reform and conceptualize this most alien of their subject populations. Slezkine reconstructs from a vast range of sources the successive official policies and prevailing attitudes toward the northern peoples, interweaving the resonant narratives of Russian and indigenous contemporaries with the extravagant images of popular Russian fiction. As he examines the many ironies and ambivalences involved in successive Russian attempts to overcome northern—and hence their own—otherness, Slezkine explores the wider issues of ethnic identity, cultural change, nationalist rhetoric, and not-so European colonialism.

Specimens of the Russian Poets John Bowring, 1821

An Anthology of Russian Folktales Jack V. Haney, 2014-12-18 This anthology gathers a broad selection of Russian folktales, legends, and anecdotes, and includes helpful features that make them more accessible and engaging for English-language readers. Editor Jack V. Haney has selected some of the best tales from his seven-volume Complete Russian Folktale collection and added examples of anecdotes and the long 'serial tales' told in the far north. The 114 tales included here represent every genre found in the Russian tradition. They date from the eighteenth through the twentieth centuries and come from all geographic regions of the Russian-speaking world. The collection is enhanced by a detailed introduction to the folktale and its types, brief introductions to each grouping of tales, head notes with interesting background for individual tales, and a glossary explaining Russian terms.

A Course in Russian History V.O. Kliuchevskii, 2016-09-16 This work by the great 19th-century historian is available once again in an acclaimed 1968 translation that conveys the beauty of Kliuchevsky's language and the power of his ideas. In this volume, Kliuchevsky untangles the confused events of the Time of Troubles and the emergence of the Romanov dynasty, and develops his interpretation of the century as prologue to the Petrine reforms. He dramatically underlines the cultural divide between old Russia and the emergent autocracy and the strangely ambivalent relationship between Russia and the West.

Marie: A Story of Russian Love Aleksandr Sergeevich Pushkin, 1882

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "(russian," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free (russian PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen

fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free (russian PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of (russian free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About (russian Books

What is a (russian PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a (russian PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a (russian PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a (russian PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a (russian PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
