You'll be better for it. -- Erin Entrada Kelly, author of the Newbery Award Winner, Hello, Universe Mary Lambert has always felt safe and protected on her beloved island of Martha's Vineyard. Her great-great-grandfather was an early English settler and the first deaf islander. Now, over a hundred years later, many people there -- including Mary -- are deaf, and nearly everyone can communicate in sign language. Mary has never felt isolated. She is proud of her lineage. But recent events have delivered winds of change. Mary's brother died, leaving her family shattered. Tensions over land disputes are mounting between English settlers and the Wampanoag people. And a cunning young scientist has arrived, hoping to discover the origin of the island's prevalent deafness. His maniacal drive to find answers soon renders Mary a live specimen in a cruel experiment. Her struggle to save herself is at the core of this penetrating and poignant novel that probes our perceptions of ability and disability.

His & Hers Alice Feeney,2020-07-28 FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF Sometimes I Lie “Stunning. Addictive. This book should not be missed!” —Samantha Downing “Deliciously dark...will have readers tearing through the pages.” —Mary Kubica “Gives Gone Girl a run for its money...I couldn't stop reading.” —Christina Dalcher There are two sides to every story: yours and mine, ours and theirs, His & Hers. Which means someone is always lying. When a woman is murdered in Blackdown, a quintessentially British village, newsreader Anna Andrews is reluctant to cover the case. Detective Jack Harper is suspicious of her involvement, until he becomes a suspect in his own murder investigation. Someone isn't telling the truth, and some secrets are worth killing to keep. His & Hers is a twisty, smart, psychological thriller. A gripping tale of suspense, told by expertly-drawn narrators that will keep readers guessing until the very end. “For the ultimate rollercoaster reading experience this year, look no further than His & Hers by Alice Feeney.” —Woman & Home

Hyphens and Hashtags* - *the Stories Behind the Symbols on Our Keyboard Claire Cock-starkey,2021-03-05 The punctuation marks, mathematical symbols and glyphs which haunt the edges of our keyboards have evolved over many hundreds of years. They shape our understanding of texts, calculations and online interactions. Without these symbols all texts would run in endless unbroken lines of letters and numbers. Many hands and minds have created, refined and promulgated the symbols which give form to our written communication. Through individual entries discussing the story behind each example, 'Hyphens & Hashtags' reveals the long road many of these special characters have taken on their way into general use. In the digital age of communication, some symbols have gained an additional meaning or a new lease of life - the colon now doubles up as the eyes of a smiling face emoticon and the hashtag has travelled from obscurity to an essential component of social media. Alongside historical roots, this book also considers ever-evolving modern usage and uncovers those symbols which have now fallen out of fashion. 'Hyphens & Hashtags' casts a well-deserved spot-light on these stalwarts of typography whose handy knack for summing up a command or concept in simple shorthand marshals our sentences, clarifies a calculation or adds some much-needed emotion to our online interactions.

Longevity: a Vedic Approach Raj Kumar, The correct judgement of longevity is highly complex, but is equally important and sought after. “Knowing longeity is difficult even for gods” said sage Parashar. Any prediction made without considering it may make the prediction a laughing stock of both the astrologer and astrology. The time span between birth and death of a native is called his longevity. Longevity and death are not the same but are closely related. However it is not yet clear what death is. Our scriptures have at various places equated death with different types of Mrityu Tulya agonies which are different from physical death. Again the destiny of each one of us is interlinked with our close kith and kin and our relationship with them is pre-determined, predestined and irrevocable. Death is severing of final link of a native with them. Hence a native’s death must get corroborated / confirmed in the horoscopes of his close relations. An attempt is made in this book to address all such issues. The book is a study of about 225 natives who had lived and died in different countries at different time, at different age and of different causes, applying known tools of astrology. The book is an attempt to help clear some mist and enable to have a better judgement of longevity.
