Carolly Erickson

The Blue Book of Grammar and Punctuation Lester Kaufman,Jane Straus,2021-04-16 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering just the facts on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

The Chicago Manual of Style University of Chicago. Press,2003 Searchable electronic version of print product with fully hyperlinked cross-references.

Royal Panoply Carolly Erickson,2007-04-01 From medieval conqueror to Renaissance autocrat to Victorian Empress to modern melodrama, Royal Panoply is the story of some of the most fascinating people in world history. With her trademark blend of probing scholarship, lively prose, and psychological insight, Carolly Erickson focuses on each monarch's entire life---from the puny, socially awkward Charles I, to the choleric, violent William the Conqueror, to the well-meaning, deeply affectionate Queen Anne, who was so heavy she had to be carried to her coronation. Royal Panoply recaptures the event-filled, often dangerous, always engaging lives of England's kings and queens, set against the backdrop of a thousand years of Britain's past.

Between You & Me: Confessions of a Comma Queen Mary Norris,2015-04-06 Hilarious...This book charmed my socks off. —Patricia O’Conner, New York Times Book Review Mary Norris has spent more than three decades working in The New Yorker’s renowned copy department, helping to maintain its celebrated high standards. In Between You & Me, she brings her vast experience with grammar and usage, her good cheer and irreverence, and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice. Named a Best Book of the Year by NPR, Amazon, Wall Street Journal, Publishers Weekly, Kirkus, and Library Journal.

A World Without "Whom" Emmy J. Favilla,BuzzFeed,2017-11-14 A provocative and jaunty romp through the dos and don'ts of writing for the internet (NYT)--the practical, the playful, and the politically correct--from BuzzFeed copy chief Emmy Favilla. A World Without Whom is Eats, Shoots & Leaves for the internet age, and BuzzFeed global copy chief Emmy Favilla is the witty go-to style guru of webspeak. As language evolves faster than ever before, what is the future of correct writing? When Favilla was tasked with creating a style guide for BuzzFeed, she opted for spelling, grammar, and punctuation guidelines that would reflect not only the site's lighthearted tone, but also how readers actually use language IRL. With wry cleverness and an uncanny intuition for the possibilities of internet-age expression, Favilla makes a case for breaking the rules laid out by Strunk and White: A world without whom, she argues, is a world with more room for writing that's clear, timely, pleasurable, and politically aware. Featuring priceless emoji strings, sidebars, quizzes, and style debates among the most lovable word nerds in the digital media world--of which Favilla is queen--A World Without Whom is essential for readers and writers of virtually everything: news articles, blog posts, tweets, texts, emails, and whatever comes next . . . so basically everyone.

The SBL Handbook of Style Society of Biblical Literature,2014-11-20 The definitive source for how to write and publish in the field of biblical studies The long-awaited second edition of the essential style manual for writing and publishing in biblical studies and related fields includes key style changes, updated and expanded abbreviation and spelling-sample lists, a list of archaeological site names, material on qur’anic sources, detailed information on citing electronic sources, and expanded guidelines for the transliteration and transcription of seventeen ancient languages. Features: Expanded lists of abbreviations for use in ancient Near Eastern, biblical, and early Christian studies Information for transliterating seventeen ancient languages Exhaustive examples for citing print and electronic sources

The Joy of Syntax June Casagrande,2018-07-24 Language columnist June Casagrande presents a fun and breezy guide to everything a grown-up interested in grammar needs to know. When it comes to grammar, it seems like everyone—even die-hard word nerds—feel they missed something in school. The Joy of Syntax picks up where sixth grade left off, providing a fresh foundation in English syntax served up by someone with an impressive record of making this otherwise inaccessible subject a true joy. With simple, pithy information on everything from basic parts of speech and sentence structure to usage and grammar pitfalls, this guide provides everything you need to approach grammar with confidence.

Mardi Gras: Chronicles Errol Laborde,2013-09-10 The definitive guide to all things Mardi Gras . . . past and present! From Twelfth Night to Ash Wednesday, New Orleans is transformed. Queens and fools, demons and dragons reign over the Crescent City. This vividly photographed book is a lively, comprehensive history of Mardi Gras in New Orleans. Fascinating and intimate, this book seamlessly intertwines the past with the present.

The Canadian Style Public Works and Government Services Canada Translation Bureau,Dundurn Press Limited,1997-09-01 The revised edition of The Canadian Style is an indispensable language guide for editors, copywriters, students, teachers, lawyers, journalists, secretaries and business people – in fact, anyone writing in the English language in Canada today. It provides concise, up-to-date answers to a host of questions on abbreviations, hyphenation, spelling, the use of capital letters, punctuation and frequently misused or confused words. It deals with letter, memo and report formats, notes, indexes and bibliographies, and geographical names. It also gives techniques for writing clearly and concisely, editing documents and avoiding stereotyping in communications. There is even an appendix on how to present French words in an English text.

MLA Style Manual and Guide to Scholarly Publishing Joseph Gibaldi,1998 Since its publication in 1985, the MLA Style Manual has been the standard guide for graduate students, teachers, and scholars in the humanities and for professional writers in many fields. Extensively reorganized and revised, the new edition contains several added sections and updated guidelines on citing electronic works--including materials found on the World Wide Web.

Fact of the Day 1 Danny Sheridan,2020-12-22 A look inside the culture of Amazon, one of the most successful companies in the world, and of its relentless, brilliant founder, Jeff Bezos. When Amazon.com launched in 1995, it was with the mission to be Earth's most customer-centric company. Through creating and sustaining a culture of innovation, the company has proven a track record of building and scaling new businesses. The Day 1 mentality means that even though Amazon is 26 years old, the company approaches every day like it's the first day of their new startup - to make smart, fast decisions, stay nimble, innovate and invent, and focus on delighting customers. Preparing to interview at Amazon? Curious about Amazon's core principles? Inside this book are 250 bite-sized facts ranging from origin stories about Amazon, Jeff Bezos-isms, frameworks for decision making, emotional intelligence in leadership, applications of artificial intelligence, trends popular among Gen Z, and much more. Facts tickle the brain and are bite-sized yet useful. Whether you read one fact each day or binge all 250 facts in one sitting, Fact of the Day 1 (1st Edition) will deepen your knowledge about the world we live and operate in. Join 50,000 readers who subscribe to the email list at www.factoftheday1.com

Those Who Love the Game Glenn Rivers,2014-11-11 Glenn Doc Rivers plays ball the way an artist writes: he practices endlessly to perfect his technique, he constantly thinks of the whole, the game, ahead of himself; and in those moments of inspiration when the ball starts to move, that's when the real fun starts. Talking with award-winning author Bruce Brooks, Rivers tells us about the game he loves. Beginning with schoolyard contests in Chicago against Isiah Thomas and clashes with an older brother who was his toughest one-on-one challenge, he shows us the determination, the competitive fire, and the brains he needed to succeed. We find out about mentors like Johnny Davis and Moses Malone, infuriating opponents like Michael Jordan and Kevin McHale--and coaches like Hank Raymond and Pat Riley, whose techniques Doc will use someday when he gets to lead a team. Doc has a good life in the NBA, but he looks directly at the racial problems sports hides, at the distortion that comes when a game turns into a highlight film, at the pressure on himself and his family that

comes from being a too-often-absent dad, and at the day every athlete dreads: retirement. Looking back to last year's play-offs and ahead to his future, Doc Rivers guides us on a thought-provoking, readable journey into the mind of one special ballplayer--one of Those Who Love the Game.

GREP in InDesign Peter Kahrel,2008-10-27 Updated: June 2015. Author Peter Kahrel updated this Short Cut to cover InDesign CC. Several examples have been added, and most examples are now analysed in more detail. Updated: August 2010. Author Peter Kahrel updated this Short Cut to cover InDesign CS5. Updated: November 2009. Author Peter Kahrel updated this Short Cut to address typos and reader comments. GREP (short for General Regular-Expression Print) is a powerful tool that lets you use wildcards (jokers) to search and replace text. InDesign's GREP implementation can be used for text and also for formatting codes, finding patterns in text as well as literal text. GREP moves beyond the restrictions that hampered earlier InDesign search features, but unfortunately it does have the reputation of being difficult to master. As with many things, it can be challenging to learn, but, fortunately, a lot can be done with surprisingly simple expressions. The aim of this Short Cut is to show how to create simple but powerful regular expressions.

An American Hedge Fund Timothy Sykes,2008 Finally! A follow-up to the classics, Reminiscences of a Stock Operator and How I Made \$2,000,000 in the Stock Market ... Summary from title cover.

A Single Man Christopher Isherwood,2013-11-19 Welcome to sunny suburban 1960s Southern California. George is a gay middle-aged English professor, adjusting to solitude after the tragic death of his young partner. He is determined to persist in the routines of his former life. A Single Man follows him over the course of an ordinary twenty-four hours. Behind his British reserve, tides of grief, rage, and loneliness surge—but what is revealed is a man who loves being alive despite all the everyday injustices. When Christopher Isherwood's A Single Man first appeared, it shocked many with its frank, sympathetic, and moving portrayal of a gay man in maturity. Isherwood's favorite of his own novels, it now stands as a classic lyric meditation on life as an outsider.

Inspiration and Incarnation Peter Enns,2015-09-15 How can an evangelical view of Scripture be reconciled with modern biblical scholarship? In this book Peter Enns, an expert in biblical interpretation, addresses Old Testament phenomena that challenge traditional evangelical perspectives on Scripture. He then suggests a way forward, proposing an incarnational model of biblical inspiration that takes seriously both the divine and the human aspects of Scripture. This tenth anniversary edition has an updated bibliography and includes a substantive postscript that reflects on the reception of the first edition.

The Chicago Guide to Grammar, Usage, and Punctuation Bryan A. Garner,2016-05-16 The authoritative guide to using the English language effectively, from “the greatest writer on grammar and usage that this country has ever produced” (David Yerkes, Columbia University). The author of The Chicago Manual of Style’s popular “Grammar and Usage” chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With The Chicago Guide to Grammar, Usage, and Punctuation, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner’s lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. “[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.”—John E. McIntyre, Baltimore Sun

Eats, Shoots & Leaves Lynne Truss,2004-04-12 We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In Eats, Shoots & Leaves, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

The American Passport in Turkey Ozlem Altan-Olcay,Evren Balta,2020-05-15 An ethnographic exploration of the meaning of national citizenship in the context of globalization The American Passport in Turkey explores the diverse meanings and values that people outside of the United States attribute to U.S. citizenship, specifically those who possess or seek to obtain U.S. citizenship while residing in Turkey. Özlem Altan-Olcay and Evren Balta interviewed more than one hundred individuals and families and, through their narratives, shed light on how U.S. citizenship is imagined, experienced, and practiced in a setting where everyday life is marked by numerous uncertainties and unequal opportunities. When a Turkish mother wants to protect her daughter's modern, secular upbringing through U.S. citizenship, U.S. citizenship, for her, is a form of insurance for her daughter given Turkey's unknown political future. When a Turkish-American citizen describes how he can make a credible claim of national belonging because he returned to Turkey yet can also claim a cosmopolitan Western identity because of his U.S. citizenship, he represents the popular identification of the West with the United States. And when a natural-born U.S. citizen describes with enthusiasm the upward mobility she has experienced since moving to Turkey, she reveals how the status of U.S. citizenship and Americanness become valuable assets outside of the States. Offering a corrective to citizenship studies where discussions of inequality are largely limited to domestic frames, Altan-Olcay and Balta argue that the relationship between inequality and citizenship regimes can only be fully understood if considered transnationally. Additionally, The American Passport in Turkey demonstrates that U.S. global power not only reveals itself in terms of foreign policy but also manifests in the active desires people have for U.S. citizenship, even when they do not intend to live in the United States. These citizens, according to the authors, create a new kind of empire with borders and citizen-state relations that do not map onto recognizable political territories.
