**Overcomer** Dr. David Jeremiah,2018-10-02 A New York Times bestseller! Do you want to live a life of unstoppable strength, unmovable faith, and unbelievable power in the face of every challenge? Learn how to become an Overcomer—starting right now. We live in a time of deep uncertainty, and yet the Bible promises that we were created to enjoy lives of freedom, even in times when the world around us seems filled with darkness. You were not made to live in disappointment, disillusionment, and defeat, and God has given you the tools to live a life defined not by your trials, but by your victories. In Overcomer, beloved Bible teacher Dr. David Jeremiah offers his insights on one of the most quoted but least understood passages of the Bible: the apostle Paul's admonition to the Ephesians to take up the whole armor of God (Ephesians 6:10-18). With his signature depth, wisdom, and compassion, Dr. Jeremiah explores the powerful relevance of spiritual armor as a critical tool each day as we confront the specific challenges in our lives and of our time. Overcomer contains: Examples of how the people of God have overcome their enemies in the past Inspiring stories of victorious Christian living today Specific strategies you can practice armoring yourself in God's strength In Christ, believers have everything necessary to live a victorious, overcoming life. If you've had enough of living in defeat, it's time to find renewed strength and claim the promises of God's Word to overcome life's greatest threats.

**Starting Your Career in Voice-Overs** Talon Beeson,2014-11-04 Voice-over acting is no longer all about having that "announcer-y" boom or classic fireside radio voice. More and more casting directors are looking for regular, "conversational" voices to represent a product in a commercial or to play the animated moose in a new Hollywood flick, but the competition is fiercer now than ever before. In a business that is "more risk than reward, more heartbreak than success," author Talon Beeson will show you in Starting Your Career in Voice-Overs how to beat the odds, improve your skills, make the right connections, and build a career in the voice-over business. Some of the topics covered in this book include: Warm-up exercises for the voice Reading everything—jokes, telephone numbers, video games, commercials, feature films, and more Cold reads Analyzing scenes and translating that analysis to voice Creating demo tapes

Representing and marketing yourself effectively Equipment and recording at home And many more! This instructional book for professionals presents readers with varying techniques, exercises, and theories to practice—a vocational foundation guaranteed to elevate an actor's game. In an ingenious and instructive way, Beeson relates voice work to the greatest dramatist of all times, William Shakespeare. This is an added bonus for the classically inclined individual and provides excellent training for every actor. This intellectually informed book is designed improve your voice skills and teach you the basics of the business—the ultimate preparation for any serious actor seeking to pursue this field. Surrounded by microphones, voice-over actors are a unique breed who require additional and different skills to create their reality, and Talon Beeson shows you how to do just that in *Starting Your Career in Voice-Overs*. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. This format gives the learner a head start in mastering the important written characters of Japanese. This dictionary includes idiomatic expressions along with numerous sample sentences showing how Japanese words and expressions are correctly used in everyday contexts. A comprehensive pronunciation guide and detailed notes on Japanese grammar are also included. Comprehensive and up-to-date with over 20,000 entries Clear, user-friendly layout with idioms, expressions and sample sentences The ideal dictionary for students, teachers and business people

**Combating Online Hostile Posts in Regional Languages during Emergency Situation** Tanmoy Chakraborty, Kai Shu, H. Russell Bernard, Huan Liu, Md Shad Akhtar, 2021-04-08 This book constitutes selected and revised papers from the First International Workshop on Combating Online Hostile Posts in Regional Languages during Emergency Situation, CONSTRAINT 2021, Collocated with AAI 2021, held as virtual event, in February 2021. The 14 full papers and 9 short papers presented were thoroughly reviewed and selected from 62 qualified submissions. The papers present interdisciplinary approaches on multilingual social media analytics and non-conventional ways of combating online hostile posts.

**A Corpus of Formal British English Speech** Gerry Knowles, Lita Taylor, Briony Williams, 2014-07-22 This work provides 50,000 words of prosodically-transcribed text from a variety of sources. The introduction explains fully the transcription conventions, the structure of the corpus and its relationship to other computer corpora, and provides examples of different versions of texts.

**Effective Communication Skills** Kulbhushun Kumar, Globalization has brought in numerous opportunities for the teeming millions, with more focus on the students overall capability apart from academic competence. Many students, particularly those from non-English medium schools, find that they are not preferred due to their inadequacy of communication skills and soft skills, despite possessing sound knowledge in their subject area along with technical capability. Keeping in view their pre-employment needs and career requirements, the book will help the students to change their traditional mindsets from controlling to creativity; to employee empowerment and organizational learning; to gain skills in the language which has become the international lingua franca, a language of global economy. All the chapters are full of gems and rubies, but the chapters based on resume writing group discussion, conducting meetings, interview skills, grammar, etc., are the black pearls in the treasure trove. Also the chapters are dainty, detectable and delightful as part and parcel of your reading, writing, and speaking skills. This book will surely empower students with the language and life skills they need to carry out their career goals. It also provides ample opportunities for the students to build awareness and practice the language in real-life scenarios. Its integrated skills approach develops

the students self-confidence to survive and succeed in professional and social encounters within the English speaking global community.

**Words: A User's Guide** Graham Pointon, Stewart Clark, 2014-06-03 Words: A User's Guide is an accessible and invaluable reference that is ideal for students, business people and advanced learners of English. The book is structured in groups of words that may be confused because they sound alike, look alike or seem to have similar meanings, and this approach makes it much more intuitive and easy to use than a dictionary. Contrasting over 5000 words (such as habitable and inhabitable, precipitation and rainfall, reigns and reins), Words: a User's Guide provides examples of usage adapted from large national databases of contemporary English, and illustrates each headword in typical contexts and phrases. This book gives you straightforward answers, and helps with pronunciation, spelling, style and levels of formality. For those working internationally it presents international standards and compares usage in Britain and the USA. Words: A User's Guide is an excellent resource for anyone who wants to communicate well in written and spoken English. At last! A book about the use of words that clarifies and de-mystifies in an eminently usable way. I would recommend it to anyone who wants to write well. It is a book to keep. Sandy Gilkes, Head of the Centre for Academic Practice, University of Northampton Rigorous, fresh, intriguing and downright useful, it deserves a place on every properly stocked reference shelf. Brian Cathcart, Professor of Journalism, Kingston University From the pedantic to the permissive, everyone who's interested in the English language and the way we speak and write it will want a copy of this practical, entertaining book. Wynford Hicks (author of Quite Literally and The Basics of English Usage)

**The Verbal Arts Workbook** David Carey, Rebecca Clark Carey, 2010-08-10 Actors need to learn not only how to use their voice, but to use voice and language together. This book is about the expressive potential of language, and how actors can develop the verbal skills to release that potential. Written by tutors at the Royal Academy of Dramatic Art (RADA) and authors of the successful companion title, The Vocal Arts Workbook + DVD, this book provides practical approaches to each aspect of verbal expression: Sound: speech sounds and how to use them more expressively Image: bring life and specificity to images when you speak Sense: focus on the most significant words and phrases in a speech or scene Rhythm: how rhythm is created and used in both verse and prose Argument: the structure or logic of language Putting it all together using one classical and one modern scene Each of the chapters consists of several sections: Framework; Exploration; Exercises; Follow-up; Suggested Texts; and Further Reading, addressing the learner throughout, but also providing Teaching Tips which give specific notes for teachers.
