Universal Design 2014: Three Days of Creativity and Diversity H.A. Caltenco, P.-O. Hedvall, A. Larsson, 2014-05-30 Universal Design, Design for All and Inclusive Design are all aimed at dismantling physical and social barriers to inclusion in all areas of life. Engagement in universal design is on the increase worldwide as practitioners and researchers explore creative and desirable solutions to shape the future of universal design products and practices. This book is a collection of the papers presented at UD2014, the International Conference on Universal Design, held in Lund, Sweden, in June 2014. The conference offered a creative and diverse meeting place for all participants to exchange knowledge, experiences and ideas, and to build global connections and creative networks for future work on universal design. The themes of UD2014 span many aspects of societal life, and the papers included here cover areas as diverse as architecture, public transport, educational and play environments, housing, universal workspaces, and the Internet of things, as well as designs and adaptations for assistive technology. The book clearly demonstrates the breadth of universal design and its ongoing adoption in societies all over the world, and will be of interest to anyone whose work involves building a more inclusive environment for all.

East Asia and Pacific Economic Update April 2014 World Bank World Bank, 2014-05-13 Developing countries in the East Asia Pacific region will see stable economic growth this year, bolstered by a recovery in high-income economies and the market's modest response so far to the Federal Reserve's tapering of its quantitative easing, according to the East Asia Pacific Economic Update. Developing East Asia will grow by 7.1 percent this year, largely unchanged from 2013, the report says. As a result, East Asia remains the fastest growing region in the world, despite a slowdown from the average growth rate of 8.0 percent from 2009 to 2013. In China, growth will ease slightly, to 7.6 percent this year from 7.7 percent in 2013. Excluding China, the developing countries in the region will grow by 5.0 percent, slightly down from 5.2 percent last year.

The book will be of interest to engineers, applied mathematicians, and computer scientists working on research, development and practical applications of optimization methods in engineering.

Regionalized Social Accounting Matrix for Yemen: A 2014 Nexus project SAM Raouf, Mariam, Randriamamonjy, Josée, Engelke, Wilfried, Kebisi, Tarek Al, Tandon, Sharad A., Wiebelt, Manfred, Breisinger, Clemens, A Social Accounting Matrix (SAM) is a representation of an economy that shows the circular flow of all transfers and real transactions between sectors and institutions. The SAM, which is a square matrix, describes the flows of incomes from activities, taking the form of factor remunerations, that are consequently received by the households for consumption on goods and services. The accounts in the SAM are the production activities, commodities, institutions, and factors of production. According to data availability, the production activities can be further disaggregated to include more detailed information on sub-sectoral or regional production. Similarly, the factors of production could be differentiated by the level of skills or the location of employment. Households can be disaggregated by income quintiles or by rural and urban residence.

2014 International Conference on Computer, Network Security and Communication Engineering (CNSCE2014), 2014-03-12 The objective of the 2014 International Conference on Computer, Network Security and Communication Engineering (CNSCE2014) is to provide a platform for all researchers in the field of Computer, Network Security and Communication Engineering to share the most advanced knowledge from both academic and industrial world, to communicate with each other about their experience and most up-to-date research achievements, and to discuss issues and future prospects in these fields. As an international conference mixed with academia and industry, CNSCE2014 provides attendees not only the free exchange of ideas and challenges faced by these two key stakeholders and encourage future collaboration between members of these groups but also a good opportunity to make friends with scholars around the world. As the first session of the international conference on CNSCE, it covers topics related to Computer, Network Security and Communication Engineering. CNSCE2014 has attracted many scholars, researchers and practitioners in these fields from various countries. They take this chance to get together, sharing their latest research achievements with each other. It has also achieved great success by its unique characteristics and strong academic atmosphere as well as its authority.

International Gear Conference 2014: 26th-28th August 2014, Lyon Philippe Velez, 2014-09-18 This book presents papers from the International Gear Conference 2014, held in Lyon, 26th-28th August 2014. Mechanical transmission components such as gears, rolling element bearings, CVTs, belts and chains are present in every industrial sector and over recent years, increasing competitive pressure and environmental concerns have provided an impetus for cleaner, more efficient and quieter units. Moreover, the emergence of relatively new applications such as wind turbines, hybrid transmissions and jet engines has led to even more severe constraints. The

main objective of this conference is to provide a forum for the most recent advances, addressing the challenges in modern mechanical transmissions. The conference proceedings address all aspects of gear and power transmission technology and range of applications (aerospace, automotive, wind turbine, and others) including topical issues such as power losses and efficiency, gear vibrations and noise, lubrication, contact failures, tribo-dynamics and nano transmissions. A truly international contribution with more than 120 papers from all over the world A judicious balance between fundamental research and industrial concerns Participation of the most respected international experts in the field of gearing A wide range of applications in terms of size, power, speed, and industrial sector

I'll Give You the Sun Jandy Nelson,2014-09-16 A New York Times bestseller • One of Time Magazine's 100 Best YA Books of All Time • Winner of the Michael L. Printz Award • A Stonewall Honor Book The radiant, award-winning story of first love, family, loss, and betrayal for fans of John Green, Becky Albertalli, and Adam Silvera Dazzling. —The New York Times Book Review A blazing prismatic explosion of color. —Entertainment Weekly Powerful and well-crafted . . . Stunning. —Time Magazine "We were all heading for each other on a collision course, no matter what. Maybe some people are just meant to be in the same story." At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah's to tell; the later years are Jude's. But they each have only half the story, and if they can only find their way back to one another, they'll have a chance to remake their world. This radiant, award-winning novel from the acclaimed author of *The Sky Is Everywhere* will leave you breathless and teary and laughing—often all at once.

AutoCAD 2014 Tutorial - First Level: 2D Fundamentals Randy Shih,2013 The primary goal of AutoCAD 2014 Tutorial - First Level: 2D Fundamentals is to introduce the aspects of Computer Aided Design and Drafting (CADD). This text is intended to be used as a training guide for students and professionals. This text covers AutoCAD 2014 and the lessons proceed in a pedagogical fashion to guide you from constructing basic shapes to making multiview drawings. The lessons are further reinforced by the video presentations found on the enclosed multimedia disc. This textbook contains a series of eleven tutorial style lessons designed to introduce beginning CAD users to AutoCAD 2014. It takes a hands-on, exercise-intensive approach to all the important 2D CAD techniques and concepts. This text is also helpful to AutoCAD users upgrading from a previous release of the software. The new improvements and key enhancements of the software are incorporated into the lessons. The 2D-CAD techniques and concepts discussed in this text are also designed to serve as the foundation to the more advanced parametric feature-based CAD packages such as Autodesk Inventor. The basic premise of this book is that the more designs you create using AutoCAD 2014, the better you learn the software. With this in mind, each lesson introduces a new set of commands and concepts, building on previous lessons. This book is intended to help readers establish a good basis for exploring and growing in the exciting field of Computer Aided Engineering.

Legion: Skin Deep Brandon Sanderson,2014-11-24 Now also available in the complete collection Legion: The Many Lives of Stephen Leeds. From #1 New York Times bestselling author Brandon Sanderson, Stephen Leeds is back in a new, double-length novella that Library Journal says has the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis. It's not his own genius that Stephen Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it's getting a bit crowded in there. Now Stephen and his internal team of aspects have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

CDC Health Information for International Travel 2012 CDC,2011-06-06 Health risks are dynamic and ever-changing, both at home and while traveling abroad. To stay abreast of the most up-to-date health recommendations, for decades health care professionals and travelers have relied on the Centers for Disease Control and Prevention's user-friendly Health Information for International Travel (commonly referred to as the The Yellow Book) as a trusted reference. Updated biennially by a team of experts, this book is the only publication for all official government recommendations for international travel. The book's features include clear and easy-to-read disease risk maps, information on where to find health care during travel, specific health information and itineraries for popular tourist destinations, detailed country-specific information for yellow fever and malaria, advice for those traveling with infants and children, and a comprehensive catalog of diseases, their clinical pictures, and their epidemiologies. The Yellow Book addresses the pre-travel consult and provides post-travel clinical guidance on ways to approach common syndromes of returned travelers who are ill.
