The Good Earth - Literature Kit Gr. 9-12 Michelle Jensen,2013-01-07 Experience the hardships and tribulations of a Chinese family living in poverty prior to World War II. Our resource acts as a great supplement to the novel in order to help students comprehend it deeper. Set the tone by brainstorming the traditional ways people celebrate the birth of babies. Analyze the actions of Wang Lung's uncle to describe his true character. Identify what is being described from the metaphors and similes in the text. Understand key vocabulary words prior to reading with fill-in-the-blank paragraphs. Research the meaning of each form of literary irony, then identify the type of irony used in the novel. Write a sensory poem to express the many representations of the land to Wang Lung. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: The Good Earth is a Pulitzer Prize-winning story about family life in a Chinese village before World War II. Wang Lung and his new wife O-Lan buy land from the Hwang family in the hopes of starting a modest farm. During this time, O-Lan gives birth to three sons and three daughters. The first daughter becomes mentally handicapped due to severe malnutrition and famine, causing O-Lan to kill the second daughter and sell the third to a merchant. Famine and drought force the family to leave for a large city in the South to find work. Arriving in the city, Wang Lung finds a job pulling a rickshaw, while his family turns to begging. Things get better when armies approach the city and a food riot erupts. Wang Lung receives enough money to return home and have a prosperous life.

Does Mark 16:9-20 Belong in the New Testament? David W. Hester,2015-03-19 For almost fifty years, much has been written concerning Mark 16:9-20. During the same time period, evidence once counted against Mark 16:9-20 was shown to be otherwise. In this study, David W. Hester surveys modern scholarship (1965-2011) surrounding the passage. He examines the passage itself--the external evidence, with particular attention paid to the manuscripts and the patristics, especially those of the second and third centuries; and the internal evidence, featuring details that are problematic as well as those that favor Markan authorship. Finally, a proposal concerning the origin of the passage is presented. The first edition of Mark's Gospel ended at 16:8, resulting in the manuscript tradition that omits the passage, but this was not his intended ending. Later, his associates attached Mark's notes and published a second edition of the Gospel with the last twelve verses. This led to its inclusion. Given that the passage is cited by second- and third-century witnesses and attributed to Mark, along with the biblical prohibition against adding to or taking from Scripture, it is doubtful that an anonymous second-century author could have been successful in adding his own composition and it being widely accepted by the early church.

Jain,2023-05-20 As per this circular, the C.B.S.E. will undertake Aptitude Test twice, once at the end of Class IX and then at the end of Class X. The Aptitude Tests along with other school records and CCE would help teachers, students and parents in deciding the choice of subjects in Class XI. The present series of books, 'Know Your Aptitude' for Classes IX and X covers all aspects of aptitude testing required at these levels. Each of these books has been divided into two units, namely General Aptitude Test and Scholastic Aptitude Test. General Aptitude Test comprises the following topics : 1. Visual Reasoning 2. Numerical Reasoning 3. Verbal Analysis 4. Sequential Reasoning 5.

Spatial Recognition 6. Three-D 7. Systems 8. Vocabulary 9. Aptitude Profiling and Selection of Subjects 10. Aptitude Tests Scholastic Aptitude Test comprises four Scholastic Aptitude Tests in each of the following subjects : 1. Mathematics 2. Science 3. Social Science 4. English By going through these books, the learner will be able to (i) know what to study (ii) identify his/her weaknesses and overcome them (iii) actually improve his/her mental ability (iv) develop speed and (v) gain confidence. By working through these tests, the learner can build an Aptitude Profile. Using this Aptitude profile the learner can select the right subject for further course of study. In other words, these books are of great use in selecting the right subject for further study. These books provide one of the most scientifically designed tests to know the aptitude of the learner and his/her abilities to study a particular subject. Suggestions for the improvement of the books are most welcome. — The Publishers

Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Fahrenheit 451, written by Ray Bradbury, is the story of a man's struggle with his society and himself. The story begins with Guy Montag, a fireman charged with the job of burning books that have become outlawed. In this society, books have been deemed to have no value with new media and sports accommodating short attention spans. His struggle begins when he meets his neighbor Clarisse McClellan, a free-thinker that begins to open his mind. From there, he soon finds himself stealing the books he was tasked to destroy. Montag's struggle culminates in an attempt to discover the value of books himself, putting him in the very same danger as those he once persecuted.
